Engineers. In 1890 when the very serious condition of Barrington Special Assessment Bonds became known, Carroll headed a Citizens' group who aided in the protection of Barrington Bond, hevestor. Later when he was elected the protection of Barrington Bond, he initiated proceedings for the clearing up of this un-happy in the contract of the contract

gon to a sound mancial position.

During the past four (4) years JOHN CARROLL has served as Chairnot the Finance Committee. Cooperating with the other members of
Village Board and the Village President in an effort to regain the presdent by Village of Rarrington had and should have retained as to its
d Government and financial stability.

The measure of more achieved along this line can be best evidenced by the fact that is given because the fact that is the fact that is sufficient to the fact that is sufficient to fact the fact that is sufficient found to liquidate oil claim famoting the serve served a premium of more than four (4) points. In financing the serve served as mentioned the server and water revenue bonds soid at a high rate for a Municipality the size of Barrington. Such financial condition not only evidences the fact that Parrington is a better place to live in, but also re-duces the fact that Parrington is a better place to live in, but also re-duces the fact that Parrington is a better place to live in, but also re-duces the coat of maintaining a Coverment.
