## The Palomino

THE Palomino is the world's most beau-tiful, pare and colorful saddle horse. True Pal-ominos come in either cream or golden colors and have pure white manes and tails.

This rare old strain This rare old strain of horses was brought into this country more than 150 years ago from Mexico by the Spanish Dons. They

From mexico by the Spanish Dons. They are the favorite mounts of movie stars and all riders of the Southwest and Southern California. Have a limited number of these beautiful horses for sale at my ranch in Southern Arizona. Also some pure white albino horses.
