Announce Bathing Beauty Winners at Lions Show

The winner of the bathing beauty contest which was held at North Side park swimming pool last Friday night, will be announced at the Lions club moving picture show at the Catlow theatre Friday night.

The bathing beauties include the Misses Portia Billings, Jean Long, Ethel Gane and Jola Schreiber. A total of 1001 votes were cast for the five bathing beauties with prospect of a close contest.

The moving picture show is a comedy with the story centering around the Olympic games, "Million Dollar Legs" has been described as 100 per cent comedy, and the story would seem to fit the description. The cast includes Jack Oakie, W. C. Fields, Lydia Roberti, Andy Clyde, Ben Turpin, Susan Fleming and Hugh Herbert.

Barrington Pool Swimmers Defeat Whealan Athletes

Win 47 to 26 in Last Water Event of Season; Pool May Close Tuesday

Barrington park swimmers and divers easily outclassed the visiting water team from Whealan pool in a dual meet held here Tuesday evening by winning most of the places in the exhibition diving events—which were not totaled for team honors—and by dipping a 47 to 26 score in the swimming events which were scored 5, 3 and 1 for first, second and third places.

In the swimming events Barrington scored slams in the yard free style race, the 40 yard breast stroke, the 40 yard back stroke, and took third in the girls 40 yard breast stroke, second in the girls 40 yard free style, second and third in the boys 40 yard free style, second and first in the girls medley relay, and first and second in the boys medley relay.

Barrington pool board divers won all four places with Vokac first, Hard second, Christensen third, and Stanta fourth. The girls low board diving event resulted: Hyatt of Whealan first, Gilder and Glick of Barrington second and third, and Giettle of Whealan fourth. In the boys high board diving Vokac, Stanta, Kuppeler and Yueger scored a slam for Barrington.

Open to Visitors

The team representing the local park district swimmers and divers was open to all water athletes who have used the Barrington pool during the present season. Vokac and Stanta, two outstanding athletes from the Fox River Grove Turners camp, have been swimming at the local pool this summer and were members of the local team.

The dual meet was the last event of the season scheduled for the pool. If the weather turns cold, Labor Day may be the last open date for the pool. The management explained that the water will be left in the pool and the latter may be used during the warmer days of September.

During the season from June 1 to August 20 a total of 16,628 people swam in the local pool. This number included 8783 children who were admitted free, 1437 who paid admission, and 6408 adults who paid admission. The largest attendance during any one week was 2018. The daily average attendance for the season to August 20 was 205.

Stories of Adventure, Game Hunting, Mystery, Are Added to Library

Twenty-five new books have been added to the library this week, a splendid collection of books for the boys and girls of the upper grades. These are travel books, African game hunting, Indian stories, adventure, animal, mystery, sea stories and books for the older girls. A list of the books follows:

Young Trajan, E. Miller; Arrow of Te-May, G. Moon; The Piper's Lad, H. Campbell; I'm Alone, J. Randall; Denatrat Africa, D. Streeter; Toes Up, P. Monelli; An Indian story, W. Boudard; Indians, Crocodiles and Monkeys, J. Deuel; Vagabonding down the Andes, H. Frank; Winning out, H. McNeely; The Scarlet Fringe, H. Fein; Tawnymore, M. Shannon; Johnny Bree, W. Heyliger; The Wise Zilla Donkey, M. Secur; Mornings at Seven, M. Jay; Yellow Jacket, K. Carter; Witch's Jacket, M. Tyrell; Joyous Story of Astrid, L. Beck; Kings in Exile, C. Roberts; Luck of Lowry, J. Bacon; Sprig of Hemlock, W. Dyer; Freshman at Arden, B. Goss; Orange Winter, M. Medary; Admiral Bobby, G. Froeschel.

The report of the library for the first six months of 1933 is as follows: General Works 18, Philosophy 27, Religion 19, Social Science 117, Science 92, Useful Arts 47, Fine Arts 39, Literature 187, History 104, Travel 227, Periodicals 73, Picture 8070.

Total 10,037 books issued during the first six months.

Many Persons View Eclipse of Sun, But Heavy Atmosphere Hinders the Research of Scientific Observers

An eclipse of the sun, first phenomenon of this nature visible by Illinoisans in several years, was "useful" so far as the rank and file of laity are concerned. To view the phenomenon in that small total eclipse area in New England, Nature's gesture was somewhat of a disappointment—possibly a failure; because the storm clouds which rolled across the moon's outer rim, lapped the sun's edge, prevented these scientists from gathering full measures of that natural truth they were seeking. The scientists did get a few minutes view of the sun just prior to the total eclipse, but they did not see the sun when it completely hid the sun and they did not have clear enough atmosphere at any time to do all the research work they had planned.

71 Members at Annual Golden Family Reunion

The fourth annual family reunion of the Golden family was held Sunday at the home of Mr. and Mrs. J. F. Hollister, 343 W. Main street. There were 71 members present and the following towns were represented: Minneapolis, Joliet, Chicago, Long Grove, Wheeling, Elgin, Woodstock and Elmhurst. Four Golden sisters and two brothers were present, namely: Mrs. Hollister and Mrs. Alydia Riecke of Barrington and Mrs. George Marsh and Mrs. Anna Gomm of Rogers Park and John Golden of Elmhurst and Robert Golden of Minneapolis. Three new members, baby girls, have been added to the family this year.

The oldest member was Victor Sauer who is past 80 years and the youngest, Marion Moore, two months old of Rogers Park.

Because of the rain the picnic dinner and supper were held in the basement of the Sanford Riecke home, 337 W. Main street.

H. H. Plagge Receives Ph. D. Degree at Iowa State College at Ames

H. H. Plagge, son of J. C. Plagge of Barrington received a Ph. D. degree at Iowa State college at Ames, Saturday, where he has been a member of the faculty for several years.

Professor Plagge was graduated from the Barrington high school in 1913. He attended Iowa State college, completing his academic course in 1917. He has been a member of the faculty and extension department since that time teaching in the horticulture department. He majored in botany, and his research work for his doctor's degree had to do with plant physiology, fruit storage, fruit breakdown and development and improved varieties of fruit.

Professor Plagge will continue on the faculty at Iowa State college this year.

Surveys Indicate Best Corn Crop Since 1925

Surveys of the federal and Illinois departments of agriculture indicate the best corn crop prospects for Illinois since 1925.

Treasurer Says No School Funds in State Banks

None of the funds in the First State bank under the account name of E. L. Waterman, treasurer, belong to a school district. Mr. Waterman said Tuesday in regard to an auditing of the joint accounts in two banks undertaken for the purpose of determining the percentage of each which is school money and the percentage which is village money.

Mr. Waterman has been treasurer of the village of Barrington and school township 43 and has kept the funds of both in joint accounts since 1908. Since the organization of the First National bank, he has kept a joint account in each bank. There has never been any question of how much money on hand in the two accounts together belonged to the school district and how much to the village, because the treasurer's books have been kept to show the total balances at any time. The village board has raised the question as to what per cent of the village funds are in each joint account and incidentally what per cent of the school district's funds are in each joint account.

Mr. Waterman stated Tuesday that the school township 43 had no balance remaining in either bank at the time the First State bank was closed. Consequently the entire account of \$45,424.06 in the state bank belongs to the village, he added, and the school district's funds in the national bank are only those which have been deposited since that time. In an article, "The Review" stated that the balance in the First State bank was approximately \$45,000. The exact amount is \$45,424.06.

In regard to funds of school district 4 being involved, a check was sent to Mr. Waterman to be paid over to the school district 4. This was deposited in one of the joint accounts and a few days later was paid over to the treasurer of the school district.

Six Champions in Water Carnival at Swimming Pool

More Than 2000 Spectators at Meet; 1691 Beauty Contest Votes Polled

A crowd estimated at nearly 2000 people congregated at the North Side park swimming pool Friday evening to see the galaxy of expert divers and swimmers and the parade of local bathing beauties. This water carnival which was sponsored by the Barrington Lions club, brought together some of the best talent in the entire Chicago district. Several additional experts were added to the program a few hours before the show opened.

The bathing beauty parade early in the evening had the interest of the hundred of friends of the girls entered, and was creditably managed. The votes for bathing beauty queen were sold by friends of the contestants during the few days prior to the meet and also at the meet itself. A total of \$169.10 was taken in from sale of the votes. Part of this sum was used to pay expenses of the carnival, and the balance was added to the Lions public welfare fund which will be used for charity work and welfare undertakings.

Frank Suary of the Nolewood City club, former C.A.A.U. high and low board diving champion, and Fred Springer of the I.A.C. member of the national water polo team, gave a highly amusing act and also offered the crowd some thrills in fancy diving.

Prized Dogs From Howell Kennel Bring Many Awards at Show

Four dogs owned by local dog fanciers won high distinction last Saturday at the Southern Michigan Kennel Club show at Augusta, Mich. Entries in the show were received from all parts of the country totaling more than 700 dogs.

Three dogs owned by Thomas H. Howell won six firsts and two special awards and one of them won a silver cup in addition. Sheila of Barrington, an Irish wolfhound, won six firsts, two specials and a silver cup in its class. The other two winners in their respective classes were Bunter of Barrington and Kitty of Barrington. Both are Labrador retrievers.

An English bulldog owned by Mrs. John E. Barnes, daughter of Mr. Howell, won second prize in the open class. Hunkkroft Barry is the dog's name.

Dogs from the Howell farm have previously won high honors in national competition. Martin Hogan is in charge of the kennels on the Howell farm.

Anticipate Large Enrollment in Local Schools

Lower Grade Tuition Factor, Large High School Attendance Expected

An attendance equaling that of last year is expected when high and grade school boys and girls return to class rooms for their assignments next Wednesday morning. The high school attendance may be even larger than it was a year ago. Superintendent Norman S. Smith ventured. The grade school attendance should be as large or nearly as large with the influx from adjoining rural territory about the same.

One factor which will tend to maintain the grade attendance is a lower tuition. The board of education has lowered the tuition from \$120 a year to \$100 a year, payable \$50 per semester in advance. The tuition was set last year as the cost to the district of education per pupil. Expenses have been reduced, hence the reduction in tuition.

The school plant will technically open on Tuesday, Sept. 6, when the teachers for both high school and grade school will assemble for room assignments, instructions, etc.

The pupils will report on Wednesday morning and receive assignment to classes. At that time they will be expected to have their school supplies and school books, ready to receive study assignments and prepare for the first full time instruction classes on Thursday.

High school classes will begin at 8:15 o'clock each morning. Junior high school classes will start at 8:30, and kindergarten and grades below the sixth grade will start at 9 o'clock each morning.

Registration of high school pupils, who did not register at the close of the last term of school, will be held Friday and Saturday of this week. Enrollment of all grade pupils who were not in attendance at the local schools last year will be held also on Friday and Saturday. Grade pupils who attended the Barrington schools last year need not enroll.

Funds From Air Meet Will Go to Unemployed Vets

Barrington Post 158 Drum Corps on Ground Program at Sky Harbor Meet

Unemployed ex-service men and their families living in Cook and Lake counties will be sole recipients of all funds taken in at the American Legion Charity air meet to be held September 11 at Sky Harbor airport. Following the national air races at Cleveland, the Legion meet will serve as host to many of the premier flyers who will take part in the Cleveland races. Maj. R. W. (Shorty) Schroeder, whose flying record comprises a first flight twenty-two years ago and the first human to fly into the stratosphere, is chairman of the event's committee and is personally contacting leading aviators throughout the country to sign them for the Sept. 11 aerial show.

Forty-five thousand Legionnaires in the two sponsoring county organizations are competing in an "altitude" contest for a trophy donated by the air meet committee. The tickets, in addition to entitling the holders to view the speed races, parachute jumps, blimp, autogyro and altitude contests, include admission to the second National Outdoor Model Airplane championships the morning of the meet and the night spectacle of fireworks, anti-aircraft exhibition by the regular army and after dark flying by searchlight.

Chicken and Stock Thieves Busy, Large Holstein Bull Latest Loot of Culprits

Several thefts of livestock and poultry from farms in the south part of Barrington township have been reported during the last week with the most audacious piece of thieving at the Erwin H. Mundhenk farm, five and one-half miles south of Barrington, where a pure bred holstein bull was stolen.

Mr. Mundhenk noticed that his bull was missing when he went out to feed the stock Saturday morning. He believed at first that the animal had broken away and was wandering in the neighborhood. Inquiries were made at all farms in the vicinity, but the bull was not located.

Constable Peck made an investigation at the place Saturday afternoon. He reported that a motor truck probably had been parked near the pasture and the animal loaded into it and carted away.

A heifer was stolen from another farmer near Bartlett a few weeks earlier. Several farmers in the vicinity have reported the loss of many of their chickens.

Urges Sales Tax to Relieve Real Estate's Burden

A measure introduced by W. J. LaBuy to the board of county commissioners of Cook county which calls for a resolution to the governor and general assembly of the state of Illinois for a special session of the legislature, urges a sales tax and the consolidation of all parks in Chicago as a means for raising additional revenue and reducing the burden on real estate owners of part of their tax burdens.

In urging a sales tax as replacement for part of the real estate tax, the proposed resolution points out the delinquency in tax payments and states that 17 per cent of the 1928 taxes are uncollected, that 31 per cent of the 1929 taxes have not been paid, and 47 per cent of the 1930 taxes are delinquent, leaving a balance of uncollected taxes due the state and local governments of \$35,135,524.87 for 1928, \$31,856,203.32 for 1929, and \$139,388,638.26 for 1930, making a total of \$254,381,766.45 in past due taxes uncollected.

In addition to the above delinquencies, the entire 1931 taxes are unpaid and the property owners have not been collected, even though normally the collection of 1931 taxes should be almost completed.

Barrington township is not as far delinquent in payment of taxes as many townships in the county and is better than average in tax collections.

Few people here or elsewhere will welcome a special session of the legislature with its heavy expense, but a state sales tax as a real estate replacement tax may prove popular when the public is finally convinced that the personal property tax is almost a complete failure as a substitute revenue gatherer and that real estate is carrying too much of a load.

More Than 3000 at Lake County Farmers Picnic at Cedar Crest Country Club

More than eight thousand persons attended the 4-H Club and Farmers' Picnic held at Cedar Crest Country Club August 30. Len Small, candidate for governor, and many other candidates for republican offices, as well as democratic candidates, spoke on the program during the day. W. H. Dieterich, candidate for United States senator, was unable to be present. Mrs. Henry Miles, president of the state home bureau, gave a splendid talk on the farm and home.

The Lake County Farm Bureau baseball team won over Kane county Farm Bureau baseball team by a score of 12-11. When the Lake county boys came to bat at the last half of the ninth the score stood 11 to 10. Hironimus hit a home run, Pete Dowell singled and then stole second, and Dorr Crenin hit a double, scoring Pete Dowell. Warren 4-H club team won over Mill Creek 4-H club team by a score of 10-4.

Games for old and young were conducted by LeRoy Kane, A. D. Smith, Mrs. L. A. Mills and Mrs. L. D. Potter.

The 4-H Club boys' livestock was placed by R. S. Hulce of Whitewater, Wisconsin.

Dr. Weichelt Returns Home

Dr. A. Weichelt who has spent the last five months at the Edward Hines hospital in Hines returned to his home in Barrington Thursday very much improved in health.

St. Anne School Will Start Sixth Year on Tuesday

Children of Kindergarten and Eight Grades Receive Instruction

Just a few more days of carefree vacation remain for the boys and girls of St. Anne's school before they will be called to their class rooms for another year of instruction.

The school will open on Tuesday, Sept. 6 with eight grades and a kindergarten conducted by members of the order of Mercy. The opening on Tuesday will mark the sixth anniversary of the school's first opening.

The modern building has been carefully gone over, cleaned and spruced up for the first day of school. A fairly large attendance is expected in the grades, and the teachers plan for a good sized kindergarten of children of pre-school and first swimming.

Protestant children are accepted in the school but are not given religious education. A low monthly rate is charged for each pupil in attendance as the school is maintained by the members of the Catholic church and not from taxation.

Good Music

Among the other swimmers and divers of high ability were Michael Valentine, former national high school free style champion, Herb Daniels, Ben Nielsen, George Stenbridge, F. Fitzpatrick, S. Brunner, F. Talcott, and E. Johns, all of Park Ridge and Des Plaines.

The program opened with music played by a Palatine-Barrington concert band, with N. O. Plagge conductor. This band played several selections during the evening and helped round out a fine program.

Variety was added to the program with a boy scout canoe demonstration in which Harold Calkins and Raymond Ubrich launched a canoe, and after tipping it over, emptied it, righted it and got in, all done in five feet of water.

All Day Meet

The Legion meet committee is headed by Capt. B. B. Lipner, "father" of the United States air mail service, as executive chairman; Harry B. Daniels, wartime aviator, and Dr. Benjamin Wyatt, vice chairman; Major Schroeder, chairman of the events committee; Joseph DeLaCour, newly elected commander of the Cook county council, the American Legion, and Paul Armstrong, retiring commander, are honorary chairmen.

The meet will not be limited to air events and demonstrations. Bands and drum and bugle corps will lend color and music to the ground program. The drum and bugle corps of Barrington Post No. 158, will be on the morning and afternoon programs.

Keeler Family Returns From Trip Through Canada

Mr. and Mrs. A. E. Keeler and granddaughter, Jane, returned last week from a five weeks' vacation in which they covered 3965 miles.

The greater part of this time was spent in Canada. They visited Winnipeg and went on into the wild country of Saskatchewan. They camped a week on Rainy lake and visited the Lake of the Woods which is said to contain 1800 islands.

Through the use of their well equipped trailer they were able to sleep out every night. Mr. Keeler did not have to change a tire on the entire trip, he reported.

On their return route they visited many places in Minnesota and Wisconsin.

Return From 5000 Mile Trip Through Five States

Mr. and Mrs. R. W. Muir and family, 504 S. Hough street, have returned from a 5000 mile motor trip in which Mr. Muir visited 15 Jewel branches. The Muirs spent some time in Wisconsin, Minnesota, North and South Dakota, Wyoming, Nebraska and Iowa. A week of their vacation was spent in the Black Hills of South Dakota. They visited relatives in Minnesota and North Dakota.

Anticipate Large Enrollment in Local Schools

Lower Grade Tuition Factor, Large High School Attendance Expected

An attendance equaling that of last year is expected when high and grade school boys and girls return to class rooms for their assignments next Wednesday morning. The high school attendance may be even larger than it was a year ago. Superintendent Norman S. Smith ventured. The grade school attendance should be as large or nearly as large with the influx from adjoining rural territory about the same.

One factor which will tend to maintain the grade attendance is a lower tuition. The board of education has lowered the tuition from \$120 a year to \$100 a year, payable \$50 per semester in advance. The tuition was set last year as the cost to the district of education per pupil. Expenses have been reduced, hence the reduction in tuition.

The school plant will technically open on Tuesday, Sept. 6, when the teachers for both high school and grade school will assemble for room assignments, instructions, etc.

The pupils will report on Wednesday morning and receive assignment to classes. At that time they will be expected to have their school supplies and school books, ready to receive study assignments and prepare for the first full time instruction classes on Thursday.

High school classes will begin at 8:15 o'clock each morning. Junior high school classes will start at 8:30, and kindergarten and grades below the sixth grade will start at 9 o'clock each morning.

Registration of high school pupils, who did not register at the close of the last term of school, will be held Friday and Saturday of this week. Enrollment of all grade pupils who were not in attendance at the local schools last year will be held also on Friday and Saturday. Grade pupils who attended the Barrington schools last year need not enroll.

Blitmore Club to Hold Annual Follies Saturday

The Blitmore Follies, one of the annual high spots of the Blitmore country club social season, will be held Saturday night. A large program of specialties has been arranged besides the dinner party and dance, which will follow. Dancing will be on a specially constructed floor on the lower level of the club. The Follies program follows:

Wiener Minstrel Interloper, Red Harrington; Ends, Overline, Clark, Smith, Stenhouse, choros, Danley, Campbell, Brieger, Carlson, Howard, Bell, Phillips, Mason.

Songs and specialty numbers—Hello, Hello Everybody, Company Personal Friend of Mine.

Go Love to Fall Asleep—At Clark River Stay Away From Me, H. Stenhouse; Buck and wing dance—Eddie Smith; Happy Days Will Come Again—Company; Human from—George Baird; Hawaiian Trio—Campbell, Danley, Brieger; Pass Solo—Jodie Mason; "Born"—Jodie Mason; Amos and Andy impersonations—Rel Harrington.

Tenor solo—"O Sole Mio," "Road to Mandalay"—Michael Overline; Comedy duet—Happy Jack Bell; Stuttering Zeke and His Barn Dancers—Phillips, Clark, Danley, Campbell, Wilson, Smith, Bell; Grand Finale, "Good Night Everybody"—Entire company.

Kindergarten to Be Included in School System

The Barrington public school system will include a kindergarten in addition to the regular grades and high school classes this year. The board of education and superintendent decided at a meeting held Monday night, Sept. 12 for boys and girls five years old. The announcement of a teacher for kindergarten and instructions to mothers whose children are eligible will be made next week.

Because of curtailed tax receipts, the board had planned the school year with kindergarten omitted in order to cut down expenses. This plan, adopted last spring, was tentative and depended on financial conditions at the beginning of the school term.

At the present time the board has funds almost sufficient to pay for operating the system for four months. Prior to the end of the four months period, substantial receipts are expected from the county treasurer. There was a lower balance of school funds on hand at this period of last year than there is at the present.

LAKE ZURICH REVIEW

Rural Schools in Lake County Are Ready for Opening

Teachers Institute Is Being Held This Week at Waukegan

The majority of Lake County schools will open Tuesday, Sept. 6. Teachers' institute is being held Thursday and Friday of this week at the Central school, Waukegan, in preparation for the opening day.

One of the principal speakers is A. L. Whittemore, secretary of the state examining board, who has chosen as his topic "Teaching as a Profession." The teaching of grammar is to be discussed by Miss Laura Price of the Illinois State Normal University. Reading is to be the subject of the remarks of Miss Nellie Moore of Chicago.

Superintendent Perry is confident, he said today, that all the district schools of the county will be able to complete full academic years, although they will be compelled to operate under quite restricted budgets.

An increase in attendance is anticipated, over the total of 14,527 in grade schools registered last year. Five hundred and seventy-one teachers and principals are under Mr. Perry's supervision.

Schools and their teachers in the Lake Zurich and Barrington vicinity of Lake County follow:

Hubbard school—Miss Clover Wortman, Schellville.
Schultz—Miss Ruth Johnson, Lake Zurich.
Promery—Miss Alice Bauman, Millerton.
Quentin's Corners—Miss Pearl Besel, Waukegan.
Bennett—Miss Lela Bissell, Waukegan.
Patterson—Miss Ann Gerbert, Half Day.
Long Grove—Miss Virginia Sigwalt, Lake Zurich.
Woodlawn—Miss Fitzgerald, Volo.
White—Mrs. Vorne Schroeder, Barrington.
Honey Lake Mrs. Elmer Potts, Barrington.

Hitch-Hiker Steals From Man Who Gave Him a Ride

A case of "biting the hand that feeds" was experienced by Leonard P. Clapp, owner of photography studios in Waukegan and Kenosha, when a hitch-hiker who he had befriended relieved him of \$80 and a coat last Friday.

While on his way to his Kenosha studio Clapp was halted by a hitch-hiker in Winthrop Harbor.

He told Clapp that he was trying to get back to his home in St. Paul, Minn., as Clapp lived there for a number of years the two discovered as they rode to Kenosha that they knew several people in the Twin Cities who both were acquainted.

When he reached his studio in Kenosha Clapp gave the youth money for a dinner and cigarettes. Within an hour the young fellow returned and changed the photograph for his kindness and promised some day to repay him.

Clapp turned and walked into the kitchen. He was there but a few minutes. When he came out he noticed that his new friend was gone and his coat was missing.

The absence of the coat did not bother Clapp nearly as much as the \$80 in bills he carried in a bill-fold and his wife's jewelry which was left her 18 years ago by her mother when she died.

Wire Tapping Plot Against Bookies Uncovered by Police

A plot believed by police to be an attempt to repeat the cleanup made in the handbook run by George Stappus in North Chicago last fall, was uncovered by police Friday when equipment was discovered in an apartment at Waukegan which was being prepared for use against two race horse handbooks in Waukegan.

Wires direct from the race track clearing bureau where the results of the races are sent out, cut-in wires to the offices of two of the biggest of the local handbook operators, and a signal device were found in the apartment.

Police discovered the plot some time ago and have been lying in wait to catch the wire-tappers but they did not return, apparently having got wind of the fact that their plot was discovered.

In the game successfully operated in North Chicago about a year ago, the tappers engaged a room between the offices of two handbook operators, intercepted their messages and by a flash signal, were able to have their "front men" bet on horses after they had won the race and before the news had reached the handbook makers.

Two Games Over Week-End
The baseball game on Sunday was called off on account of rain. On Sunday, Sept. 4, McHenry plays here and on Monday, Labor Day, Long Grove plays on the home diamond. In this season each team has won a game and the one on Sunday will be the play off.

Entertainers' Choir
Rev. and Mrs. Irion entertained the choir of the Evangelical church at Dan. Number One near Wheeling Monday afternoon. About twenty-five attended and all enjoyed the games, contest and basket lunch.

Grammar School Opens Sept. 12
The Lake Zurich Grammar School will open Monday September 12 with Mrs. Almira Heybeck and Mrs. Ada Jensen as instructors.

Mrs. John Fink, Mrs. John Howe, Mrs. Buesching, Miss Margaret Fink, Rev. and Mrs. E. A. Irion were among those who called on Mrs. Peter Jensen at the Victory Memorial hospital, Waukegan, last week. Mrs. Jensen expects to return home this week.

Mrs. George Gehart of Chicago is visiting this week with Mr. and Mrs. B. R. Simons. Mrs. Marshall Norton and sons and Mrs. Claire Hart of Des Plaines were also visitors at the Simons home Tuesday.

Mr. and Mrs. Henry Krueger, Mr. and Mrs. Arthur Hattner, Mr. and Mrs. Joe Kiesel and daughter and Mrs. Arthur Froelich and Norrie Froelich attended the state fair last week.

Mrs. Roland Butler and daughter of Oak Park visited Wednesday afternoon with local relatives.

The Menominee Bridge club entertained Wednesday evening with a dinner at the Kinder Country club for the members and their escorts.

Mrs. Charles Rudinski and daughter Olive and son Charles visited several days last week in Crystal Lake with relatives.

Mrs. Redmond returned to her home in Oak Park Saturday after a short visit with her sister Mrs. A. G. Leonard.

Mr. and Mrs. Henry Miller and Mr. and Mrs. Paul Koll of Barrington were guests Sunday of Mr. and Mrs. William Kleinmiller near Long Grove.

Mr. and Mrs. Ed. Young were in Chicago Monday.

Mr. and Mrs. M. R. Blide and daughter of Sheridan have moved into the Edward Young flat. Mr. Blide will be on the Elva high school faculty this year.

Mrs. Rose Grimm and son James Sigwalt, were in Chicago over the week-end.

Mr. and Mrs. Werner Spangler and Betty of Highland Park were visitors Wednesday evening of Mr. and Mrs. H. Hillman.

Miss Maybelle Kohl will be a instructor in the Deland High School and has left to assume her duties.

Misses Alta Sturm, Phyllis Soderberg, Eugene Frank and Alfred Geisse enjoyed a trip to Chadwick Wednesday to visit Robert Speelman.

Mr. and Mrs. Robert Wiley, Miss Dorthen Wester and L. Hobin of Chicago visited Sunday afternoon and evening with Mr. and Mrs. A. L. Payton.

Mr. and Mrs. Al Frohm and daughter Marilyn, Mr. and Mrs. Otto Frank and daughter enjoyed a trip to Pine State park Saturday.

Miss Dorthen Krahnades returned to her home Saturday after an extended visit with her aunt Mrs. Otto Geisse.

Miss Pearl Senne has returned from a short visit with the Herman Conrad's in Elgin.

Miss Mildred Hicks of Melbourne Beach, Fla., is a guest this week of Miss Edith Dymond.

Miss Evelyn Stelling returned Saturday night with Mr. and Mrs. Henry Schwerman from Springfield where she has been for the past two weeks attending the 4-H camp and State Fair.

Mrs. Julius Geary and son Louis Herman returned home Monday evening from Dundee.

Mrs. Lee Smith was in Kingston several days last week.

Miss Grace Hahnolt returned to her home in Palatine after a weeks visit with Miss Marjory Luerssen.

School Bells Will Call Children to Studies Next Week

E. T. H. S. to Open Day After Labor Day Grammar School Sept. 12

Lake Zurich children will soon be trotting back to school as Tuesday, Sept. 6, is the opening date of Elva Township high school and Monday, Sept. 12, is the opening day of the Grammar school.

All pupils who have not made out a preliminary enrollment, should do so on Friday or Saturday, Sept. 2 and 3 at the high school building at Lake Zurich, J. L. Clements, superintendent, said.

All of the pupils who attended high school last year have made a preliminary enrollment and registration cards are already made out. During the summer a great many new students made preliminary enrollments and the registration cards are awaiting them September 6th.

The high school enrollment this year is much higher than previous years. It is believed that the enrollment will be quite a few over a hundred, although there will be no crowding even with the increased enrollment, Mr. Clements said.

Lake Zurich Day, Sept. 8
The annual Lake Zurich day will be held Thursday, Sept. 8 at Opatiny's grove near Fox River Grove. The business houses will be closed and the day's program will start at 10 a. m. with races—under the direction of Rev. Irion and S. H. Dorsey.

A basket lunch will be enjoyed at noon followed by a baseball game. J. L. Clements and Charles Rudinski will have charge of the guessing contests. A dance will be held in the evening.

Celebrates 75th Birthday
Friday afternoon Mrs. John Smith and daughter Shirley, Mrs. Charles Ladd and son Charles of Joliet, Mrs. Emma Hans and daughters and Mrs. Philip Schaefer and children of Lake Zurich gathered at the home of Mrs. Henry Schaefer to celebrate her 75th birthday.

Believing in History
"Since we must go on without attempting to change the past," said H. H. Ho, the sage of Chinatown, "we may as well try to believe that in the eternal ordering of things history has revealed no mistakes."

Commission on Taxes to Make Report to Legislature
The state commission on taxes and expenditures is making plans for a week's session of their body to be held in Springfield the middle of September to make a study of expenditures in state departments, according to its chairman, Senator Martin Carlson of Moline. The commission is to make various recommendations to the legislature when it next convenes.

Builders Want Special Session for Loan Plan
Building contractors of Illinois have plans underway to draft a request to Governor Emmerson for a special session of the legislature. The purpose would be to enact suitable legislation enabling residents of this state to take advantage of the home loan and Wagner relief bills recently passed by Congress.

Humble Coney Referred to Twice in Scriptures
Psalm 104:18 tells us that—"The high hills are a refuge for the wild goats; and the rocks for the conies," for the coney has no strong digging claws as has the rabbit, nor has it the powerful hind-quarters of the hare. In fact it is classed amongst the most defenseless creatures of the wild, and as such it is referred to in the thirteenth chapter of the Book of Proverbs.

"There be four things which are little upon the earth, but they are exceeding wise. The ants are a people not strong, yet they prepare their meat in the summer. The conies are but a feeble folk, yet make their houses in the rocks. The locusts have no king, yet they forth all of them by bands. The spider taketh hold with her hands, and is in king's palaces."

The wisdom of the coney is shown in the choice it makes of a place for its home, which is usually among a heap, or a lot of fixed and loose rocks among which it hides and about which it moves very elusively when disturbed, as travelers who try to catch one of them soon find out.—Montreal Herald.

Slight Decrease Revenue From Motor Fuel Tax
Gross motor fuel tax collections under the state's three-cent gas tax decreased only \$284,274.82 for the first six months of 1932, as compared with the same period in 1931, Garrett DeP. Kinney, director of the department of finance, has reported to Gov. Louis L. Emmerson. After deducting from this year's collections, refunds paid on non-taxable gasoline, and expenses in administering the gas tax laws, a net of \$13,244,931.51 remained for distribution among the state and the 102 counties in the state.

Cuba Township

Is Attacked by Bull

Clifford Jorgenson experienced some thrilling moments early Sunday morning when he was rolled and bitten by a bull owned by H. D. Kelsey. He was painfully bruised. A physician was called and an examination revealed that no bones were broken. After several hours of jumping fences, the animal was captured. The bull was on his way to the stockyards Tuesday evening.

Mr. and Mrs. Charles Popper enjoyed a visit with Mr. and Mrs. A. T. Gilbert of Waukegan Sunday.

Mr. and Mrs. Wilfred Kelsey and children Verdelie, Ward and Debra of Chicago spent Sunday with the former's parents, Mr. and Mrs. Frank Kelsey of Shady Hill.

Mr. and Mrs. Robert Nickola of Waukegan were guests Saturday of Mr. and Mrs. Harold Kelsey.

Mr. and Mrs. P. Purdy of Kentucky were callers Sunday at the home of the latter's mother, Mrs. Millie O'Connor.

Mr. and Mrs. Frank Vek and children, Frances, Grace and Rita of Chicago spent Saturday and Sunday with Mr. and Mrs. James Voller.

Gus Kraus and children, Theresa and Eugene, of Cary were callers Saturday at the Kraus home.

Mr. and Mrs. Paul Grothman were callers Sunday evening at the home of Mr. and Mrs. Frank Kirby.

Mr. and Mrs. Victor Lloyd and daughter Geraldine, Mr. and Mrs. George Duke, Helen McGraw and Dave Maloney of Chicago were guests Sunday of Mrs. Charlotte McGraw.

Mr. and Mrs. Harold Kelsey and children, Phyllis and Roland, were callers Sunday evening at the home of Mr. and Mrs. Joseph Wollar.

Mrs. and Mrs. John Ryan of Chicago have let the contract for their new summer home in Shady Hill to Gus Kraus.

Mr. and Mrs. Pettigo and Viola Jackson of North Chicago were callers Wednesday evening at the home of Mrs. Charlotte McGraw.

Mrs. Charles Dvorak of Chicago enjoyed four days of last week at their summer home.

Mr. and Mrs. John Ryan of Shady Hill had as their guests Sunday Mr. and Mrs. Conrad Kraus and August Kraus of Cary, Mr. and Mrs. George Kuhlman and Mrs. Gusta Meyer.

Mr. and Mrs. Myron Kelsey and daughters, Shirley and Betty of Chicago and Mr. and Mrs. Frank Kelsey.

New Moving Picture Season Brings Many Leading Productions

The new season for moving pictures, which begins in September, holds much of interest for those who look to the films for entertainment. The manager of the Catlow Theatre is able to announce that practically all of the year's big productions will be seen on the local screen shortly after their first runs.

The first of the new season's production is "Devil and the Deep" with Gary Cooper starred. Later Cooper will be seen with Helen Hayes in "Farewell to Arms." The year's big productions will be seen on the local screen shortly after their first runs.

Another item of equal interest to local show fans is the fact that the lower scale of admission prices, which the new season goes into effect the first of September.

Youth Burned to Death

Friends here of the McClain family of Libertyville, former residents here, were saddened to hear of the tragic death of Ronald Dudley McClain aged 14 years.

At 3:30 Friday afternoon the house caught fire and the flames spread rapidly to the upper rooms where four children were trapped in a bedroom.

The mother Mrs. Dorothy McClain made two trips through thick clouds of smoke and rescued the two babies, Jane and Joan, aged 9 months, and June aged 2 1/2 years. The son Ronald died of suffocation.

Fillis Stadfeld Vacancy

Homer Cook has been appointed supervisor for the unexpired term ending next March, to fill the vacancy caused by the sudden death of Peter Stadfeld of Volo. He received the appointment on Thursday.

Infant Buried

The infant daughter of Mr. and Mrs. B. P. Doran of Waukegan passed away at St. Theresa hospital Thursday. Interment was in Waukegan cemetery.

Mrs. Caddie Dixon returned last week from an extended visit with her daughter, Mrs. Herman Michaels at Rome City, Ind.

Mrs. Roy Pence, Miss Margaret and John Pence spent Monday in Waukegan.

Clarence Gainer and Miss Martha Osgood were callers in Waukegan Monday.

Mr. and Mrs. Frank Harrison of Chicago spent the week-end at their summer residence here.

Mr. Al Jones has as guests this week his two daughters, Mrs. Roy

Kirk and children of Chicago and Mrs. Gordon Hazelton and children of Batavia.

Mr. and Mrs. Joe Baseley of Union called on his mother, Mrs. Alice Baseley Friday.

Mr. and Mrs. Paul Haas and daughter of Columbus, O., spent several days last week at the Joseph S. Haas home.

Mr. and Mrs. Antone Larsen and family of Maple Park spent Saturday with friends here.

Miss Grace Drom of Antioch spent Friday at the home of her brother E. L. Drom, principal of the W. T. H. S.

Miss Margaret Hughes attended a "shower" given in honor of Miss Kay Krall by the members of the Alpha Gamma Delta sorority, at Maywood Friday evening.

Frank Henkel, Jr., has been spending the past few days with his parents, Mr. and Mrs. Frank Henkel, Sr., at Waukegan.

Mr. and Mrs. Cookay and friends of Chicago spent Sunday at the home of Mr. and Mrs. Herbert Schroeder.

George Blackburn and son Glenn and Lester Coughley returned Friday evening from a two week's trip to Yellowstone park.

Mr. and Mrs. Ed Blumh of Chicago spent the week-end at the home of Mrs. Fanny Pratt and attended the carnival.

Miss Mary Kennedy of Waukegan spent the first of the week with her sister, Mrs. James Carr.

Emerson Cook and Udell Grantham returned Saturday from a visit with relatives at Brethren and Fountain, Mich.

Mr. and Mrs. Paul Hiss who have been visiting relatives here are now the guests of friends at Chippewa Falls and Minneapolis, Minn.

Mr. and Mrs. Jim Williams and son of Crystal Lake visited Sunday at the homes of Mrs. Clara Smith and Mrs. Joseph Haas.

Mr. and Mrs. P. B. Johnson, Mr. and Mrs. Donald Johnson and son of Crystal Lake were callers Sunday at the Carr home.

The Ladies Auxiliary of the Federated church will meet in the church parlor on Thursday afternoon to elect officers for the ensuing year.

The "At Home" subdivision "Five hundred" club met Thursday at the home of Mrs. William Luecke. High score was made by Mrs. A. Liska.

Chris Thomas is the guest of relatives at Libertyville.

Many friends here of the Stadfeld family attended the funeral of Peter Stadfeld at Volo, Wednesday morning.

Mr. and Mrs. Clark Nicholls and son accompanied by Mrs. Nicholls' parents, Mr. and Mrs. George Witt, and daughter Virginia of McHenry spent Sunday and Monday with relatives at Clinton, Ia.

Miss Ruth Gransee is spending the week in Cicero.

Mrs. Alfred Helden and son, Buster of Chicago are visiting the former's mother, Mrs. Anna Hansen.

Mrs. Zoa Smith of Milwaukee is the guest of her sister Mrs. Gene Prior.

show a favorable financial position
with net working capital of \$3,308,
559.80 and a ratio of current assets
to current liabilities of 4.09 to 1. All
known liabilities have been taken in-
to account.

Careful budgeting has resulted in a
still further reduction of expenses
which show a decrease of 15.24%
against the same weeks of 1931, the
company reports. Expense budgets
for the remainder of the year indicate
even lower expenses. The first re-
duction in wage rates, affecting the
entire organization, was made at the
end of May. The average number of
employees increased 10% in the last
six months. There have been no un-
usual losses during the period and
marketable securities which were
written down on January 2, 1932 to
market value are still carried at that
figure, although the market value on
July 16 is considerably higher.

Amounts involved in connection with
closed banks in the last six months
have been less than the amount re-
covered on claims which were entire-
ly written off at the close of last year.

J. C. Penney Co. Is Shifting Its Advertis- ing Balance Back to the Home Town Newspapers

FOR several years the stores of the
mammoth J. C. Penney Co. organ-
ization have carried on a tremendous ad-
vertising campaign through hand bill
circulars with limited but steady ad-
vertising in the weekly and small daily
newspapers. Now the advertising de-
partment of the company has sent out
a 20 gun broadcast to its store man-
agers for preference to the advertising
columns of the home town newspaper.

*This is what the advertising department
wrote to the local store managers:*

"(1) Do you want to be certain of reader interest? Then use the
newspapers. Many a circular receives only a casual glance, while the local
newspaper with hundreds of general news items is read thoroly from first
to last page.

"(2) Do you want representation in the same 'shopping window' as
the other merchants of your town use? Then use the local newspaper.
Women, the purchasing agents of the home, read newspaper advertising
daily; whereas many a circular is tossed into the waste basket without a
glance.

"(3) Do you want fast action? Then use the newspaper. The ad
that you run today, if it contains real merchandise news, will bring im-
mediate results tomorrow. You can receive and sell out a consignment of
merchandise with newspaper advertising in less time than it takes to
prepare a circular.

"(4) Do you want to be recognized as a factor of importance in your
community—a real home-town store? If you do, use the newspaper—
it undoubtedly is a strong factor in the building of goodwill and accept-
ance by the whole town as a good place to trade."

All communications should be addressed to the BARRINGTON REVIEW, 100 East Main St., Barrington, Ill.
Cards of thanks, resolutions of condolence, obituary, poetry, memorials, and all notices of entertainments or society and church sales and parties for pecuniary benefit will be charged for.

TELEPHONE, BARRINGTON NO. 1

FAITH BUILDS; FEAR DESTROYS

Among the most distressing results of the present depressed conditions and state of muddled thinking are the unjust and unfair runs on perfectly sound and solvent banks.

Ten, five, three years or one year ago a thousand people put \$1,000 each into a commercial bank or savings bank. On their savings the banks have paid interest regularly because they have properly and as was expected put the money, less the legal cash reserves, into secured mortgages, bonds and other approved collateral, to be paid back at stipulated future dates at rates of interest which show a reasonable profit over that paid the depositors, which is the bank's fair hire for many services rendered.

In the regular course of events, barring isolated cases of default, every depositor can get his money back any time he needs it.

But comes now a horde of uninformed, ill-advised, fear-imbuéd depositors all in a day and demand their money "right now."

This, as any thoughtful person knows, is financial suicide. A proper part of the deposits are out, as above stated, on properly secured loans and investments, and the bank could not possibly pay everybody at once. Result, close the bank; tie up everything; shut down business; break the directors.

And does all of this hardship get one's money "right now?" It does not. One must be content to wait until the state banking department, through slow and expensive processes, can collect the outstanding accounts and pay back a little at a time just as the bank, had it not been forced could have done with profit to all.

Faith and confidence, two beneficial human characteristics, inspired the placing of the deposits in the banks when we were sane and normal. Good stewardship over happy years has built up sound and useful financial institutions. Fear and broken faith, twin enemies and destroyers—blindly, unintelligently, stupidly, tear them down in a day.—Spokane Valley Herald, Opportunity, Washington.

ACTION—NOT SIGNATURES—NEEDED

In an editorial in its weekly publication, the Dairymen's League Cooperative association of New York points out that the signing of a contract does not achieve organization. The contract is simply an indication of a desire to cooperate with other producers. The real test comes afterward.

The Dairymen's league is in a good position to know what it is talking about. It is being bitterly opposed in its effort to perfect its organization and enlist more dairymen in its territory in the movement to put agriculture on a higher plane. The contracts that have been signed by its members mean only part at a time like this—what counts most is the amount of effort and loyalty the individual farmer gives to the cooperative. As the editorial says: "The success of a cooperative organization does not depend so much upon what is put into a contract . . . as it does upon what the member puts into the organization after he has signed."

The cooperative movement in the New York Milk Shed will succeed or fail, to precisely the degree the members stand behind the organization. So will any other cooperative, anywhere, dealing in anything. A multitude of economists, public officials, farm leaders and industrialists have pointed out, time and again, that cooperation is the farmer's salvation. It is now up to the farmer to do the rest.

The dental college of Columbia University is across the street from St. Gabriel's Park, a three-acre green spot in the heart of the city. In this park men rest who are out of work. From time to time some of them are invited to the dental college, where the students work upon their teeth.

Those who are so sure President Hoover is no leader should check up and cross out all of his share in public work and see how much of any value is left.

OUR
WASHINGTON
LETTERBy National Editorial Association
(Special to The Review)

MASTER MINDS of politics now privately and ruefully admit they have made little or no progress toward solving the riddle of the 1932 elections. These veteran manipulators have either failed to find or fabricated the all-absorbing burning issues of the day. The best diagnosis shows a sullen public which remains alarmed by the usual political campaign slogans. Partisan dividing rods have failed to uncover a satisfactory answer to the persistent question—"what to do?" The trumpeting of the class has been stilled somewhat by the scarcity of campaign funds as many sources of contributions have dried up during the prolonged economic depression.

AN IMPARTIAL account of both of the problems confronting the chiefs would disclose an equal distribution of burdens. This week talk here revolves around the relative advantages in bringing Col. Theodore Roosevelt, governor-general of the Philippines, back to this country in an attempt to offset the reputed weight of the family name of the democratic presidential candidate with the old-time voters. Non-partisan opinion is that this item has been exaggerated which, it is argued, was demonstrated in other campaigns where the two Roosevelts were running for high office. Two cousins working different party streets will only serve to confuse the ordinary voter.

THE TWO PARTIES are in agreement, it seems, on one phase of the contest, the "bushings" of the candidates for the vice presidency. The views of Garner are on economic matters and Curtis of prohibition will be played down to the voting public. Each side recognizes the drawing power of "big names" as rally speakers. The bearers of the magic names are not always willing to subordinate their own opinions to partisan requirements and thereby lie the danger to temperate remarks. For instance, the Democrats recall how two states were lost in the battle for control of congress two years ago when two headlines, indulged in "wise-cracks" which inflamed the public. It is lessons of this sort that bring sharp reminders for restraint in public speeches.

MONTHLY REPORTS as to the federal government coupled with the organized drive for drastic changes in costly government machinery foretells marked reductions when congress meets again in December. The revenue bill has failed, far short of the anticipated returns. The curbing of government activities will meet strong resistance from the hundreds of thousands now on the payroll. The employees will be obliged to ward off additional wage cuts rather than to fight for the restoration of the old wage scale which was altered slightly in July. Seizure of property by state and county governments for failure to pay taxes has brought the subject of government costs directly to the people. The cool indifference to appropriations of billions has changed with the realization that the ultimate cost is borne by the average citizen. Federal employees are already working on candidates for office, but the plea of the folk who hold the bag may carry more weight at the elections.

KEEPING RELATIVES on the government payroll has proven a boomerang for many legislators. Returns from primaries indicate a considerable turnover in the congressional delegations as a direct outcome of this issue. Nepotism is an unfamiliar word but irritating when literally translated to taxpayers as "relatives on the federal payroll." The unemployment situation has riveted attention of the public on known cases. Feeling prevails that jobs in a legislative office or within his reach should be allotted to constituents preferably party workers and non-relatives. This practice is not new and will probably never be completely eradicated. Sentiment as expressed at the polls in several districts may have a wholesome effect.

THE COUNTRY is watching with great interest the developments which are expected to follow the return of business and banking leaders from last week's conference with the president. The gathering was fairly non-partisan. The public will measure the effect by the number of men re-employed by the release of credit and not by the fluctuations of the stock market.

LESSENED DEMAND for financial relief will probably be the direct outcome of the decision of the clerk

of the house of representatives to make public the monthly reports of the Reconstruction Finance corporation. There are many large institutions which have no fear of publicity for their applications, but many groups requiring relief from government agencies are not so happily situated. An application from an industrial organization having many stockholders, like insurance companies, applying for a loan might create a panic feeling on the part of the uninformed owners of securities. The mere fact that an application is filed for federal relief arouses suspicion which no amount of explanation can clarify. Those who favor publicity for government loans argue, with reason, that the taxpayers are entitled to know what groups are borrowing money from the national treasury.

Wandering
From This to That

Vacationists, Staying Home

On the basis of inquiries at the touring bureaus of the Chicago Motor Club, Charles M. Hayes, president, declared that hundreds of motorists are spending their vacations near home, with the result that nearby resorts, hotels, golf courses and other play-places are benefiting. "The wave of economy," said Mr. Hayes, "while not keeping car owners off the road, has had the effect of greatly curtailing long distance travel. The prevailing practice seems to be to include a series of short trips in the play period. This means that motorists are becoming more familiar with their home areas and that those catering to recreationists in the immediate vicinity are enjoying a fair business. Particularly is this true of golf courses, swimming pools, fishing resorts and amusement parks. It is evident that the car owners are responding to the 'buy at home' movement."

Prehistoric Shark Exhibit

If a whale had not swallowed Jonah, a prehistoric shark could have. Except for the fact that these sharks, which had jaws about five feet wide, lived a good many million years before Jonah's time.

Based on the evidence produced by the research of paleontologists, a model of a great pair of jaws of the extinct shark known as Charcharodon is on exhibition in Ernest R. Graham hall at Field Museum of Natural History. Actual teeth of this huge creature which inhabited the waters off the Carolina coast in Miocene time, some 19,000,000 to 23,000,000 years ago, have been set in the model of the jaws. These teeth are three to five inches in breadth. To provide contrast there is exhibited with the model a pair of jaws of a modern shark with a spread only a fraction of the five-foot gape of the ancient creature.

September Forest Fire Month

Motorists camping in forest areas are urged to exercise extreme caution with camp fires. September is regarded as the most perilous month of the year and motorists should be particularly careful with cigarettes and with camp fires at this time. County, state and federal laws prohibit smoking in most of the mountain areas of the western states, except at improved camps where signs are posted.

A Puzzle

The Manchester (Eng.) Guardian drove its readers to the dictionary with this one:

"The small boys' teacher had asked her pupils for a sentence containing the word 'well.' Amid numerous written replies one stood out above the remainder—'The lady wore a veil on her deuterogamy.'"

"Deuterogamy?" exclaimed the teacher. "Where did you get that word, Johnny?"

"Crossword puzzle, mum," replied Johnny, glibly.

"But what does it mean?"

"Second marriage, mum."

The teacher turned to the dictionary and found Johnny was correct.

Old Copy of Rubaiyat

The oldest known manuscript of the Rubaiyat of Omar Khayyam has been discovered in Lucknow, India. It has been lying unnoticed in the possessions of an old family there until it was seen by an art collector of the city. Having been copied in 1423 the manuscript is thirty-seven years older than the Ouseley manuscript in the Bodleian library, Oxford. In the manuscript are 206 quatrains, of which 45 cannot be traced in any of the old editions of the Rubaiyat. As it was copied by a scholar, there are no errors in the text.

Library News

A little party was celebrated in the library Saturday, August 20, for all the children who so faithfully have attended the story hour. The story hour has been conducted successfully for one year. All the little folks who like stories of adventure, fairy tales and mystery may attend on Saturdays at 2.

The vacation reading club will be asked to finish up their booklets and leave them at the library so they may be checked. Please see that at least ten reports are entered. Seals will be awarded to those who have more than ten reports. Time is getting short and it is hoped that all those who took those booklets will return them to the library by September 5.

ODD THINGS AND NEW—By Lane Bode

REVIEWPOINTS

Editor of the Review:—True: To form the board was not at all surprised to find on its table the true ratio of objects to this milk ordinance. All public measures designed to protect the people's health, including such laws as the vaccination law, the sanitary law requiring the doing away of the outside toilet, etc., have had and will continue to have their usual number of objects. It did not surprise me at all to find close to 600 signers. With a population here in Barrington of near 3,500 and a vote close to 1,500, anyone familiar with political averages was not at all surprised to see one third of these voters signers to this petition. And a majority of these signers were in attendance at this meeting. To other townships these voters, the so called silent vote as we have come to know it have the entire confidence in this board, to do what is just and right and to them I make this appeal in behalf of the entire board.

At the start when this ordinance was presented to the board I was not in favor of it because I did not have right hand information on this Raw Milk situation. I am by nature a person trained to find the fact, and in this event found the facts by canceling my pasteurized milk and taking four quarts a day of the raw milk. I will admit I did make one man's test, but what I did find out was enough for me to come to the conclusion that raw milk is a dangerous proposition and needs the strictest of laws governing its distribution.

As I looked into the faces of all these objectors, I could not help but wonder how many of these men were fathers of a little boy or girl now dead because of the lack of proper sanitation in years past. I could not help but think of my two little brothers and my sister dead because of the lack of modern sanitation. I wonder if these folks realize that children have a big advantage today over the children of yester year due to modern sanitation, that some of them had to stand up and fight for later, against tremendous odds. I wonder if these people realize that the present day farms throughout this country are not as healthy places to live as our big cities even in our tenement houses. It is hard to face the facts but that is the fact. The reason is modern sanitation.

In this milk question, people just will take chances and put up some very good reasons why they are willing to continue to do so. Some of these reasons are:

First—"Raw Milk tastes better."

Second—"Doctors say it is better food."

Now what can a trustee do in answer to such seemingly sound reasons? Now I am just going to answer those two reasons as a technical mind would answer them for his own satisfaction.

First—"Raw milk tastes better." Correct to some people but not to others. What is food for one is poison for another and also what tastes good to one is terribly disliked by another, result, no fact, to worry about.

Second—"Doctors say it's better food." Now let me go deep into this one and if need be I want some local doctor to correct me if I am in error. Yes Raw Milk is the most perfect human food if it is drunk within one hour after being drawn from the cow. Be-

Bears Ha

Cary Team and
Elgin Merchants
Booked for GameRain Hinders Game With
Elgin Parkside at Lords
Park Sunday

Two heavy games have been scheduled for the Barrington Bears of the week-end—one with the Cary team for Sunday and the other with the powerful Elgin Merchants Labor day. The game Sunday was played at Cary and the Labor day event while played here.

The contest on Labor day is considered the stiffest one of the season for the Bears. The Merchants, managed by C. Boothby, is a strong team, and included in the line-up. So far the Bears have had a successful season, having won 14 out of 20 games.

The scheduled game for last Sunday with the Elgin Parkside at Lords park was called off because of rain.

Hilton and White
Compete in Finals
Club ChampionshipOrr Williams Wins Caddie
Championship for
Third Year

Robert Hilton and S. B. White at the two remaining contestants in the club championship tournament at the Barrington Hills country club. The final match probably will be played this week-end. Hilton defeated S. B. White 4-1 in his bracket and White defeated J. G. Seale 2-1 in the other bracket in the semi-finals.

All but one match in the second round of the Woodland Acres trophy was played and that match was between P. T. Mitchell and S. B. White. C. H. Seale defeated S. B. White 4-1. H. P. Ralston defeated C. J. Whipple 4-1 and J. G. Seale won from O. S. Seaver by default.

Orr Williams won the caddie championship for the third consecutive time when he defeated C. Lynes 7-2 last Monday. W. Huter won the second flight by defeating H. Mollin 3-2 and A. Witte won the third flight by defeating Ray Ulbrich 5-4. The Wilson was the winner of the fourth flight, which consisted of eight players. He defeated Ed. Gaare 1-1 in 10 holes.

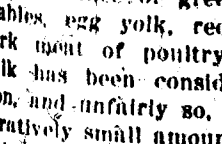

Winners of the ball sweepstakes Saturday were J. G. Seale 70-8-73, P. L. H. 91-18-73 and C. J. Whipple 81-17-73. Rain interfered with the events which were scheduled for Sunday.

Ear Coloring an Index
of Health in Children

Experts in child welfare research advise parents to look at their children's ears for an indication of the general state of their health. The ears, it is revealed, indicate the condition of the child's blood as well as any known scientific test.

Here's the secret, as stated in non-scientific terms by Nell B. Nichols of the Woman's Home Companion: "When the ears are pink the child has a goodly amount of hemoglobin in his blood. If they are pale and colorless, action is in order. The doctor's opinion must be sought and meals planned with the child's health in mind. This means that the meals will contain an abundance of green leafy vegetables, egg yolk, red meats, the dark meat of poultry and liver. Milk has been considered low in iron, and, unfairly so, for the comparatively small amount that it has in a pure form which is readily used by the body."

GEORGE WASHINGTON'S TRAVELS

By James W. Brooks

Caverns, mountain range and a beautiful river marked the way of Washington as he rode on toward fields of high adventure. It is so today, for Nature has not changed. Near this point he crossed the Shenandoah River by ferry. At Millwood, a short distance beyond, the charm of highway travel is heightened by an excited

little stream called "Spout Run" which hurriedly crosses and recrosses the pasture-lined roadway as if it, too, were on an important mission. Coming out on U. S. 50 over the old road to the right at a place called Paris, the young Rider of Destiny was soon at Greenway Court, the Blue Ridge home of Lord Fairfax.

2 Games Scheduled
for Friday Night in
Barrington League

The Salem softball team broke the inactivity of the Barrington league last week by taking on the Humboldt Park team, one of the leaders in Chicago church league circuit, and defeating the visitors 2 to 1 at the Barrington Camp ground Saturday. No games were played in the league.

The Salem-Humboldt game was a close contest throughout and a real pitchers' duel, marked with few hits and many strikeouts. The Salem team collected their two runs in the third inning and the Parkers scored their run in the fifth inning.

Plans are underway for a game between the local Salem team and the Second Evangelical Church team of Chicago here on Labor day.

Games scheduled for Friday night in the Barrington league are Salem versus St. Anne's and St. Paul versus Methodist. Due to the evenings growing shorter the games will start at 7:30 p.m. instead of 7 o'clock as heretofore.

Umbrella, Back in 1802,
Worth Advertising For

Further proof to the old adage that no matter how old the thing gets the people in it never change is presented in an old "lost" advertisement for an umbrella in the *Middlesex Gazette*, Middletown, Conn., for September 5, 1802:

"An Umbrella Lost—The Subscriber in travelling from New Haven to Middletown in the Stage on Monday the 11th ult., lost, or some where left, a new Umbrella—covering of green silk, with a Red edge enclosed in a light Blue cover, with the Owner's name on a piece of paper pinned to the Cover. Any person to whose knowledge it may have come is desired to send it to the Printer—For which they shall receive the thanks of the Owner and a reward for their trouble.—Cyrus Hill."

"Preserving" Husband

Please publish how "To Preserve a Husband." Be careful in your selection; do not choose too young, and take only such as have been reared in a good, moral atmosphere. Some insist on keeping them in a pickle, while others keep them in hot water. This only makes them sour, hard and sometimes bitter. Even poor varieties may be made sweet, tender and good by garnishing them with patience, well sweetened with smiles and flavored with kisses. Then wrap them in a mantle of charity, keep warm with a steady fire of domestic devotion and serve with peaches and cream. When thus prepared they will keep for years.—Washington Star.

Mrs. Higgins and
Mrs. Wallace Vie
for ChampionshipL. Martinson and C. Dewire
Contenders for Men's
Champ at Biltmore

The final match of the women's championship tournament at the Biltmore Country club, which was postponed last week, will be played this week-end. The contenders for this year's title are Mrs. L. Higgins and Mrs. Gerry Wallace and not Mrs. Wallace and Miss Ticken as was erroneously reported last week. Mrs. Higgins defeated Miss Ticken in the semi-finals, 2 up.

In the semi-finals of the men's championship L. Martinson defeated P. Jeanmaire 1 up and C. Dewire defeated C. J. Schrieber 1 up on nine teen holes. The Martinson-Dewire match for championship honors is scheduled to be played next Sunday.

The first round of the Leonard trophy was completed over the weekend although it was not without many players, being marked with byes and defaults. Those who held byes were Roy Clark, George Barrett, A. J. Eppers, G. Rusing and F. Sampson. Harry Merker defeated C. J. Henry 2 up, W. D. Dotterer defeated C. W. Krause 3 up, M. Loomis defeated J. W. McKenne 2-1, H. Greeder defeated F. Perkins, George Geis defeated Roy Dickinson 3-2, F. C. Stamm defeated J. Valera 2-1, Carl Harbitt defeated J. William French, C. Dewire defaulted to C. A. Miller, A. Lounsbury defaulted to F. B. Smith, F. Gols defaulted to J. C. Miller and E. L. Campbell defaulted to E. McLamore. A. Sauer and K. Heileman will compete in the finals in class B of the junior championship this week. Sauer defeated G. Greeder 2-1 and Heileman defeated Fred Andrews 6-5 in the semi-finals.

The Perfect Chicken

There are strange and interesting things to be learned at the poultry shows where rich amateurs who breed birds for the fun of it, bring their prizes.

For instance, it takes 22 years of breeding in any one line to produce what is termed in the poultry world, "perfection." Five years of breeding are needed to bring out just the standard qualifications of the bird.

The wealthy amateur is invaluable to the poultry business. No commercial breeder can afford the experimentation, the long and profitless processes that are practiced on the big estates in the striving for improvement.

WHY THE
CHICAGO SUNDAY TRIBUNE
is the
World's Greatest Newspaper

1. Local, National and International News
A news service without an equal. Eyewitness stories of the greatest news events everywhere. The accounts of great globe-girdling news services supplemented by exclusive feature articles by the Tribune's own correspondents throughout the world.
2. A Big Sporting Section!
Authoritative, breezy comment on the outstanding sport events by men who have devoted their lifetime to covering such events, who are able to tell you the "inside" story of the fights, the races, the battles for the baseball pennants.
3. 8 Pages of the World's Greatest Comics!
In the Chicago Sunday Tribune you'll find 8 full pages of comics, including such outstanding favorites as "The Gumps," by Sidney Smith; "Gasoline Alley," by Frank King; "Harold Teen," by Carl Ed; "Moon Mullins," by Frank Willard; "Smitty," by Walter Berndt; "Winnie Winkle," by Martin Branner; "Little Orphan Annie," by Harold Gray and "Little Folks," by Tack Knight. Each page in four colors.
4. A Big Rotogravure Picture Section!
Many pages of interesting and unusual news photos, printed on high grade paper in soft rotogravure tints. Photos of world famous celebrities, photos of news events of outstanding importance, portraits of the stars of stage and screen. A page of humor by W. E. Hill, the noted artist.
5. First Run Fiction by the Greatest Authors!
Serials and short stories by the foremost authors. These stories are exclusively written for the Chicago Tribune and have never before been published. Many Tribune serials have later appeared in cloth covers among the "Best Sellers" of the book marks. You can enjoy them first in the Chicago Sunday Tribune.

Besides all the above, the Chicago Sunday Tribune contains the latest reviews of the stage and screen, fashion notes, society gossip, and beauty hints—each prepared by a recognized authority.

Barrington Local and Personal

Walter Cannon and family moved Saturday from 124 W. Russell street to 102 E. Lake street.

Mr. and Mrs. George Walgren and son Christ, Herman and Miss Eleanor Sommerfield, all of Barrington, attended the annual festival at the Evangelical home for children and aged at Bensenville Sunday.

Mr. and Mrs. Roy Holin and family are leaving Barrington this week to make their home in Austin.

Miss Grace Castle, 325 Grove avenue, left Tuesday for Kincade where she will be a member of the high

school faculty during the school year. Miss Castle will teach mathematics.

Mr. and Mrs. Charles Elmer and family of Park Ridge have moved to Barrington and are living at 115 Liberty street. Mr. Elmer is cashier at the First National bank.

Frank Plagge was taken to the St. Joseph hospital in Elgin Monday evening.

Mr. and Mrs. T. F. Philbin moved Monday from 111 E. Liberty street to 621 S. Summit street.

Mrs. Benjamin Frye, 122 W. Lincoln avenue, returned to her duties at the variety store Monday after an absence of two weeks due to illness.

Leonard Lehman who has been em-

ployed at the Plagge Home Furnishing Company for several years will open a place of business in Palatine. He will handle linoleum and window shades. The date of opening has not been announced.

Mrs. O. E. Holke and daughter Leone returned August 21 from Colorado Springs where they had spent two weeks. On their return trip they visited relatives in Sioux City and Pomeroy, Ia. At the latter place they were the guests of Mrs. Holke's father who is the oldest citizen of that town.

Dr. and Mrs. F. W. Lindberg, 135 N. Harrison street, will leave Saturday evening for Joliet. On Sunday and Monday they will join Mrs. Lindberg's folks in a family reunion at Ottawa.

Mr. and Mrs. Noel Staynor and family moved Wednesday from 614 Division street to 528 Summit street.

automobile numbering system eliminating use of the zero and combining numerals and letters so four spaces could list almost 2,000,000 automobiles. Secretary of State Stratton is studying the system.

Less Fatalities Each Year From Childbirth

Complications of childbirth claimed 639 mothers in Illinois last year, the lowest number of fatalities from these causes ever recorded since reliable statistics have been kept. This figure compares with 1141 in 1920 indicating a marked improvement in the preservation of mothers during the last decade.

Increase in Mortality Rate for Infants in State

Infant mortality took an unfavorable turn in Illinois last year, rising to a loss of 58.4 per 1,000 live births reported compared with 55.8 in 1930. This is the first increase of consequence in the rate since 1925. Statistics for the first half of 1932 indicate a continuation of the increasing rate.

Accidents Greatest Cause of Deaths in Illinois

For boys and men between five and forty-five years of age, accidents are the greatest single fatal hazard of life, according to statistics compiled at Springfield. Tuberculosis is the outstanding risk of females in this age group, this disease causing over twice as many deaths as do accidents.

Jean Long Wins First in Lion Water Carnival

Announcement Is Made Show Sponsored by Club

Miss Jean Long was elected of the Barrington Lions club, and on August 26 at a carnival held August 26 at the Lions moving picture at the Lion's theatre last evening. Miss Ethelma Gale awarded second prize of \$7.50. Miss Portia Hillings third prize. Bathing suits were awarded who did not receive cash prizes entered in the carnival. The girls entered in the carnival at the show Friday and were awarded the prizes of the evening's program. The evening took place during the water carnival. The carnival was kept a secret until the evening of the show. W. R. Catlow, president of the club, expressed a hope of the club for the work given by the five contestants. The girls include Loretta Wagoner, Miss Lila, Miss Ethelma Gale, Miss Hillings and Miss Jean Long. The double event sponsored club was successful from the point of providing Barrington two pieces of clean, high class entertainment. The receipts of the evening were approximately \$1,000, which slightly more than \$1 needed to defray expenses in putting on the events. The club has been added to the Lions club welfare fund and will be a charity and for undertakings in the benefit.

R. W. Dawson Is Elected Vice President of Ne Merged Advertising

Robert Wesley Dawson of Barrington, for several years manager Chicago office of Albert Frank advertising agency, has been vice president of Albert Frank and Co., a larger firm. The new firm is located at 128 North Cook Street, Barrington, Ill. Mr. Dawson is well known in the advertising world as well as an advertising of Chicago has his experience brought him in frequent contact Chicago bank and investment offices.

Hold Hearing to Learn if Estate Pay Full Tax

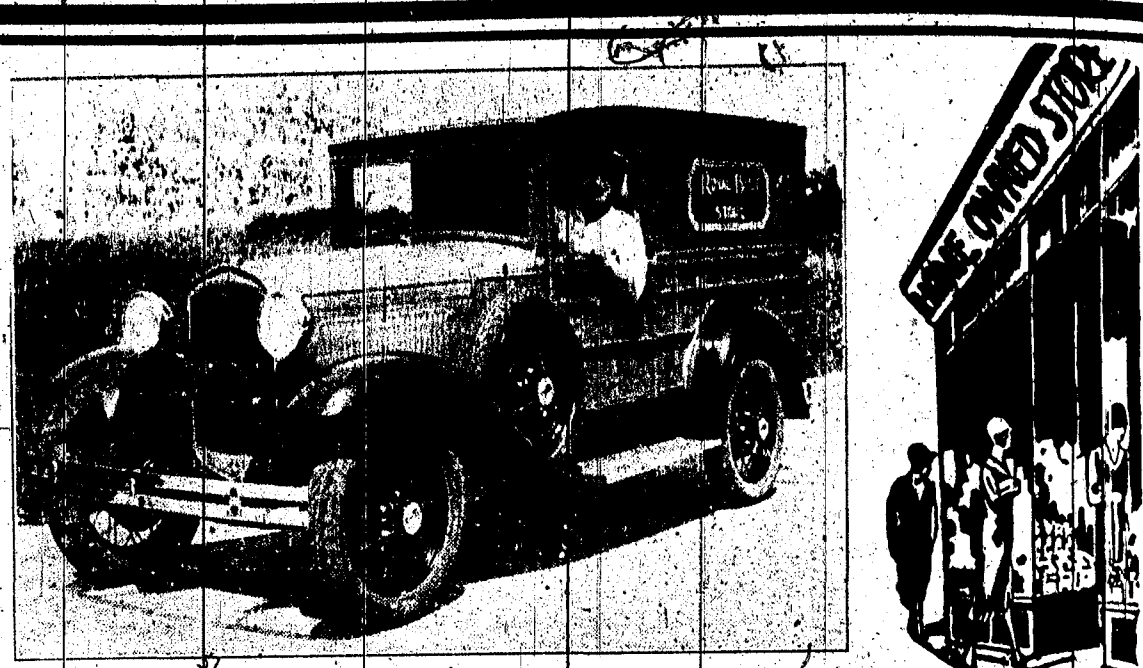

That only a small fraction estate property in Lake County has been taxed is a matter which board of review is now investigating at Waukegan. The board is a body to learn the truth of the matter. More than six million value are included in estates have been taxed on a value of \$2,722.

Every large estate has a notice of hearings to determine tax payments have been on the last three to five years. The board assigned As State's Attorney Wilfred E. conduct the investigation. The estate values, it was 1 were uncovered through a search of probate court records. One such that of Rose Louer of Highland last year brought the county's in tax money on personal property which taxes were omitted in years.

Ward Explanations The estates to be called to explain the extent of personal property and the taxes paid, included of David White Hall, Lake Villa estate of \$665,000 assessed at value of \$2,000; George P. Fine Lake Forest estate of \$150,000 a full assessed value of \$290,000; B. Swift of Lake Forest, a full assessed value of \$272,000 with a full tax value of \$722,000; Frank S. Schan of Waukegan, of \$100,000 with a full tax value of \$200,000.

Others include: Daniel W. of Highland Park, estate of \$68,000 with a full tax value of \$1,000; James G. K. McClure of Lake Forest of \$135,000 with a full tax value of \$4,000; and Ella A. Doug Highland Park, with an estate of \$50,000 and tax value undetermined.

Others Listed James F. Doyle, no residence with an estate value of \$100,000 no tax value given; Andy F. of Highland Park, estate of \$25,000 with a full tax value of \$25,000; James H. Douglas of Lake Forest an estate of \$3,500,000 with a tax value of \$40,000. There is another estate that he investigated, which has no doubt in the mind of the board is the estate of Henry A. G. Waukegan, who left \$240,000 to the father of Mrs. W. E. Ac. Glenhensien place, Gray Liv. for the last few months, in St. Minn., and it is questionable mind of the board if the estate taxable here, or in St. Paul. Tax has not been paid there.
