The meeting of Barrington Post 158, The American Legion was formally opened by Commander Prow on March 7, 1963. The minutes of the February 21st meeting were read and corrected as follows: The February 21st., meeting was opened at 8:15 P.M. and not at 8 P.M., as stated. Correction made by Commander Prow.

Commander Prow read the Finance report made by Finance Officer Roy Klepper, which was approved.

Commander Prow read a letter from Department Senior Vice Commander Morris "Bob" Nooner, in which he sent congratulations on our Posts attainment of 100% membership, and in which he enclosed the HONOR RIBBON which is now attached to our Post Colors.

Junior Vice Commander Charles Gilly reported on the March 1st smoker as follows. 31 guests present

Sales of tickets	\$39.00
Income from raffles	22.00
Donations in box	13.70
	<u>74.70</u>
Expenses	20.50
	<u>\$54.20</u>

a seventeen cup automatic coffee maker was donated by Max Hembrey as a door prize and a one fifth of whiskey donated by Gilbert Hayes. For both of these items the Post is most grateful.

Senior Vice Commander Burton Wendt reported on the meeting he attended at the home of Glenn Neal relative to the Baseball team. He stated that there are hopes that the uniforms will be donated. Complete financial support for this venture is still a problem and our Post feels that a financial report on this venture should be made each month.

Senior Vice Commander Burton Wendt reported on the March 2nd card party. 40 guests were present, and 20 others were enjoying themselves in private homes for our financial support. Net profit was \$60.00, which was divided evenly between the Auxiliary and the Post. But our Post gained one additional dollar from a procrastinating member, who paid his dollar while the report was being made.

Burton Wendt also brought before the attendance the thought of redecorating the Legion Home. Realizing that soon Summer, with its attendant moisture in the home, it would not allow much time to do the repainting. And with the removal of the remaining posts, staring us in the face, time will be even shorted.

Commander Prow reported that he had been informed by George Hager that he wishes to be relieved from the duty of Institutional representative to Cub Pack 20, which our Post is sponsoring.

Commander Prow informed us that tomorrow night, March 8th is the night for our Post to entertain the Veterans of the Elgin State Hospital. The time is 7 P.M. at the Pershing Hall.

Commander Burton Wendt opened the meeting in form.

Minutes of meetings held March 5th and 19th read and approved on motion by Roy Willmoring, seconded by Earl Kirk and carried unanimously.

Finance Officer Robert Johnson presented and read his finance report for the period ending April 1, 1964 showing a balance on hand of \$274.04. Motion made by Charles Gilly, seconded by Earl Kirk that this be accepted, approved and ordered placed on file. Motion carried.

Jr. Vice Commander Charles Gilly reported on smoker held March 6, 1964 showing a net profit of \$34.90.

Service Officer Roy Willmoring reported that Arnold Kohnert was in a Veterans Hospital in California, Al Houser in the Barrington Rest Home with no visitors allowed and Fred Jacobsen still in Downey Hospital. He also reported on the Elgin State Vets party conducted by the Post on March 13, 1964, including a list of gifts presented to these vets at total cost of \$181.29. He also presented list of services rendered by his office during past year. On file.

Commander Burton Wendt reminded all of the Smoker to be held tomorrow evening, the total profits of which will go to the American Legion Base Ball team of this Post.

He also reported that an offer had been made to purchase the Legion Building at \$50,000.00 through the offices of Dayton Nance - a 90 day option being requested. This was discussed and the consensus of opinion was that this offer should not be accepted since a selling price of \$65,000.00 was established by Building Association on December 20, 1961 after a committee had made an exhaustive study and secured appraisals from competent appraisers. Commander Wendt advised that he would report back to Dayton Nance accordingly.

He also reported that all members of the Post have been invited to attend a meeting at the Barrington High School cafeteria on April 23rd by the Barrington VFW Post - more details later.

Discussion of a Post flag sale brought forth agreement that this should be conducted during the first part of May so flags would be in the hands of purchasers before Memorial Day - a two day house to house canvass - with delivery of flags when call is made.

Sale of Poppies will be held on May 21st -

Motion made by Earl Kirk, seconded by Gilbert Hayes that a family movie nite be held at 7:30 P.M. Friday evening, May 1, 1964. Motion carried.
