Again the Stewards of the Church present you this list of Membership with the yearly apportionment for Pastoral support, and trust that you will assist them in their duties by remitting to them a portion of the amount opposite your name as early in the Quarter as possible.

We would be pleased, indeed, if the membership would begin the "Envelope System" of Pastoral Support: using the envelopes at the doors or in the pews, each week (or as often as convenient) placing your name with amount of money and the date of giving, upon the same. They can be placed in the baskets when the "offerings" are taken, or may be given to any of the Stewards, and will be credited to the proper parties. This method would very greatly facilitate our duties and work to the better interests of all concerned.

The Quarterly Conference and the Sacramental Services will take place on the dates as given below. All reports will be made at that time and credit given for monies received.

The first column of figures gives the amount of your apportionment; the second column the amount you have paid up to date:
