WELCOME TO THE 3RD ANNUAL CONCERT

July 2004

Dear Friends,

It's hard to believe that this is the *third* annual Lake Barrington Shores outdoor concert! La Binia, our very own version of Ravinia, was suggested by Julie Tortorelli about four years ago. The LBS Ladies Club, on a shoestring budget and a prayer, embraced the idea, and here we are enjoying another evening of good cheer, fellowship and wonderful music!

We wish to again thank Julie, our La Binia Chairperson, the event committee, and all the volunteers who have made this evening of music by the lake possible.

We are especially grateful to the La Binia Program ad book sponsors (local business owners and individuals) who have so generously donated funds to assist in financing this event.

And...thanks to all of you, our fellow LBS residents and guests, for supporting the concert each year.

Now, sit back and enjoy music by the shore!

ABOUT THE LBS LADIES CLUB

The LBS Ladies Club, sponsor of La Binià, was formerly known as the Newcomers and has been in existence for over 20 years. Growing from a handful of women getting together for lunch, the group now offers a wide variety of activities of interest to all of our residents.

There are monthly "Coffee" meetings featuring guest speakers, outings to local places of interest, and big events such as the La Binià Concert and the Holiday Champagne Party. For further details, see the monthly Shorelines columns, Channels 97 and 73, or contact Ann Cronin, President, LBS Ladies Club.

Words and Music by Irving Berlin

While the storm clouds gather, Far across the sea,
Let us swear allegiance, To a land that's free,
Let us all be grateful, For a land so fair,
As we raise our voices, In a solemn prayer.

God Bless America, Land that I love,
Stand beside her and guide her,
Thru the night with the light from above.
From the mountains to the prairies,
To the oceans white with foam
God Bless America, My home sweet home.

THE BAND

NORTHSHORE CONCERT BAND

The Northshore Concert Band (NCB) is a 115 member adult symphonic band with membership drawn from the greater Chicago metropolitan area. The band has a rich 47 year history and has become internationally known and respected for its musical excellence, leadership, membership continuity, organization and service to music education. Dr. Mallory Thompson, director of bands at Northwestern University, is the Northshore Band's artistic director, and Dr. Richard Fischer, director of bands at Concordia University, is the band's music director.

The Northshore Concert Band performs 12-15 concerts a year in the Chicago metropolitan area, reaching over 20,000 people. These include a concert series at Northwestern University's Pick-Staiger Concert Hall, educational outreach programs, summer concerts, and professional band festivals and conferences. The band has also toured in Canada and Europe, and extensively throughout the United States. In 2001 NCB toured the French Riviera and was the first band from the United States invited to perform at the international wind band festival (Festival des Anches d'Azur) in La Croix Valmer, France.

The band's membership represents many professional backgrounds. Approximately half are professional music educators; the rest represent a diverse set of occupations including business executive, chemist, engineer, dentist, computer programmer, banker, editor, physician, attorney and administrative assistant. Members range in age from 20 to 91, and the average tenure is 15 years. All members are selected by audition and are strongly committed to volunteering their time and talents to the band.

Dr. Richard Fischer is the Northshore Band's music director. For more information about NCB's upcoming concerts visit www.northshoreband.org.

Dr. Richard Fischer is in his thirtieth year as Professor of Music at Concordia University in River Forest, Illinois. In addition to his work at Concordia, Dr. Fischer is also the music director of the Northshore Concert Band. This ensemble, now in its 48th year, is widely regarded as one of the nation's premiere adult symphonic bands.

The Concordia University Wind Symphony, Dr. Fischer's primary instrumental ensemble, has performed in 41 states, Canada, and in May 2001, toured overseas for the first time and performed concerts in Germany and Eastern Europe. In January 2003 they were selected to perform at the Illinois Music Educators Association (IMEA) annual conference.

He is in constant demand as a guest conductor, clinician, and adjudicator throughout North America. In 1994 the Chicago Tribune named him to the "A" Team of University Professors. Dr. Fischer maintains active involvement in numerous professional organizations including WASBE, BASBE, MENC, NBA, CBDNA, and IMEA.

Fischer earned his bachelor's and master's degrees in music education at DePaul University and a doctorate of musical arts in Wind Conducting studying with Eugene Migliaro Corporan at Michigan State University.

**How can I get more heat from
my Wood Burning Fireplace?**

We have two solutions that will change the way
you think about fireplaces. And, your fireplace will be
cleaner, easier to operate, and more energy efficient.

Solution #1: Electric Inserts

- **Instant ambiance:** With leading-edge flame technology provide the ambiance of a wood fire.
- **No venting required:** Your existing damper will remain closed avoiding loss of heat, and odors.
- **Operates with or without heat:** Year-round comfort with just the push of a button
- **Immediate heat:** Fan forced heater quietly provides up to 5,000 btu/hr. of soothing warmth.

Solution #2: Wood Burning Inserts

- **High efficiency:** Wood burning inserts operate up to 70% efficiency versus 'negative' efficiency of LBS fireplaces.
- **Long burn on less wood:** One armload of wood will burn up to 8 hours
- **Electricity not needed:** Heat available during power outages
- **Clean glass:** Air wash systems keep glass clean longer

SHORELINES

July 2004 ★ Volume 24, Issue 07

La Binia 2004 — Music by the Shore!!!

The LBS Ladies Club proudly presents the third annual outdoor concert (our very own Ravinia) on Sunday, July 18th from 6:00PM to 8:00PM, at the LBS Marina on the lawn. This year the renowned Northshore Concert Band, a group of 110 musicians, conducted by Richard Fischer, will be performing an all-new musical program including show tunes, pops, classical and patriotic selections. Returning this year is soloist Donna Kaye, who will be lending her lovely voice to an even larger selection of songs.

A group of LBS residents and guests picnicking and enjoying the 2003 concert.

The Pioneer Press recently reviewed the Northshore Concert Band and states...“They give new meaning to the Big Band Sound. The mass of brass and percussion is combined with wondrous woodwinds. 33 clarinets! This Concert Band is in a league of its own.”

Once again, the “green” at the Marina will be transformed into an afternoon in the park where friends, neighbors, families and guests will enjoy each other’s company and some outstanding entertainment. The

band begins at 6:00PM, but please come early and bring your picnic supper, beverages, chairs and blankets. Our good neighbor Good Shepherd Hospital will provide complimentary bottled water.

For your convenience, additional parking will be provided at North Barrington School, Route 59 and Miller. Shuttle buses will transport residents and guests to and from the Marina. Admission is \$5.00 per person upon entrance. Rain date is Wednesday, July 21st, 7:00PM to 9:00PM.

Hair and makeup makeovers!!! Looking for a more youthful, updated and contemporary look? Rose DePaolo and Donna Gentile, owners of the beautiful new Salon Coccole in Lake Zurich will bring their staff of experts to the Monday, July 12th Coffee Meeting at 10:30AM in the Recreation Center Ballroom. A few people chosen from the audience will have their hair cut and styled and makeup done! While that’s going on behind closed doors, other experts will be giving pointers and answering questions. They’ll cover hair care ...how to keep your hair looking great in between color and cuts, how to use a blow dryer correctly, what products will work best for you. Bring your products with you to discuss. AND...makeup advice, manicure pointers and demos, skin care advice and hand treatments, and benefits of massage will also be covered! FUN, FUN, FUN!!! AND RAFFLE PRIZES TOO!!! Looking for one more volunteer willing to do a hair color change/update on the Friday

before the meeting! Call Donna Exline at 304-8677.

A group of 35 ladies enjoyed the Chicago Trolley Tour outing (although we must admit it was just a little hot and humid that day) and the wonderful lunch at the beautiful Rivers Restaurant. Thanks so much to Sally O’Brien and Bonnie Vaughan for organizing!

Our June Coffee Meeting featuring Abby Gage of Merrill Lynch and Julie Cronin of John Hancock Funds had an excellent turnout to discuss “Ten Strategies to Secure Your Financial Future.” Donna Exline won a “Tower of Treats” for scoring 100% on a financial quiz and Joan Osran won an extremely generous gift certificate donated by Honquest Furniture. Thanks so much to hostesses Joanne Saunders, Mary Paulik and Alice Stedronsky for the beautiful summer-theme buffet! Thanks also to Ann Cronin for organizing the important presentation.

La Binia
music by the shore

July 2004

Dear Friends,

It's hard to believe that this is the **third** annual Lake Barrington Shores outdoor concert! La Binia, our very own version of Ravinia, was suggested by *Julie Tortorelli* about four years ago. The LBS Ladies Club, on a shoestring budget and a prayer, embraced the idea, and here we are enjoying another evening of good cheer, fellowship and wonderful music!

We wish to again thank Julie, our La Binia Chairperson, the event committee, and all the volunteers who have made this evening of music by the lake possible.

We are especially grateful to the La Binia Program ad book sponsors (local business owners and individuals) who have so generously donated funds to assist in financing this event.

And...thanks to all of you, our fellow LBS residents and guests, for supporting the concert each year.

Now, sit back and enjoy music by the shore!

Ann Cronin

The LBS Ladies Club, sponsor of La Binia, was formerly known as the Newcomers and has been in existence for over 20 years. Growing from a handful of women getting together for lunch, the group now offers a wide variety of activities of interest to all of our residents.

There are monthly "Coffee" meetings featuring guest speakers, outings to local places of interest, and big events such as the La Binia Concert and the Holiday Champagne Party. For further details, see the monthly Shorelines columns, Channels 97 and 73, or contact Ann Cronin, President, LBS Ladies Club.

Over the past 20 years, Barbara Rinella has developed a unique business giving one woman shows dramatizing current literature. She calls her witty, first person renditions "academic entertainment." By becoming characters in important, recent books, Mrs. Rinella has created a lively "living literature" for enthusiastic audiences in the United States, and, most recently, internationally as an entertainer aboard the Crystal Cruise Ships, where she is currently rated one of their "best lecturers"! Raves abound for this dynamic woman who loves literature and people, is a born teacher, and who combines wonderful dramatic talent with a perfect touch of humor. She has recently been included in Who's Who in America. In 1997, she was honored as a "Woman of Distinction" for her contributions to the World of the Arts by the Illinois Girl Scouts. Each year she adds 4 new works to her repertoire; among her current presentations are John Adams by David McCullough, Marie Antoinette, The Journey by Antonia Fraser, Harry Potter and the Sorcerer's Stone by J. K. Rowling, Memoirs of a Geisha by Arthur Golden, and The Passion of Artemisia by Susan Vreeland.

Barbara Rinella graduated from Duke University, is currently a Chicago Area Chairman of the Duke Alumni Advisory Admissions Council, a past member of the Duke Alumni Governing Board, and a recent recipient of Duke University's Outstanding Volunteer Award. Mrs. Rinella also holds a graduate degree from the University of Michigan. She has taught high school English in Boston and at New Trier High School in Illinois. She has worked as an editor for Putnam Publishing Company and a researcher for Mademoiselle Magazine.

A committed volunteer, Barbara Rinella's community involvements over the years include being an original docent at the Lincoln Park Zoo, co-founder of an elementary school creative writing program called "Lunchtime Literature," chairman of a division of Metropolitan Chicago's United Way/Crusade of Mercy, and coach of a Little League baseball team. Mrs. Rinella recently completed a 4 year term as an elected member of the New Trier School Board.

Barbara Rinella brings literature to life, inspiring her audiences to learn and laugh. This is an amazing educational entertainment opportunity!

We will have motor coach transportation pick us up at LBS, a delicious luncheon, and will see the classic "South Pacific". Plenty of time for shopping, too! Bonnie Vaughan and Sally O'Brien are the organizers. Look for more information in the September Shorelines and on Channels 97 and 73.

Other dates to note: Wed., November 10th - High Tea at the Richmond Inn
Sun., December 5th - Holiday Champagne Party

Lastly, the 3rd Annual La Binia outdoor concert held on Sunday, July 18 was a rousing success, attended by over 500 people! The fellowship was delightful, but best of all was the wonderful music provided by the Northshore Concert Band and soloist Donna Kaye. Thanks to the event committee - Julie Tortorelli, Ann Cronin, Gwen Betker, Joanne Saunders, Robin Booth and Donna Exline - and all of the volunteers (over 50 of them) who made it all possible! Special thanks to all of the La Binia program ad book sponsors who generously donated funds to help us produce this magical music by the lake.

Music By the Shore

For the third year in a row, the Lake Barrington Shores Ladies Club held a most successful outdoor concert 'on the green' at the LBS Marina July 18th. The weather was almost ideal, entertainment superb, and turn-out exceptional. Some even came to stake out their 'space' as early as 10:30 in the morning for the 6 - 8 PM concert. Others arrived just as the music began, yet still found great vantage points. Compliments and gratitude needs to be extended to Ann Cronin, President of the Ladies Club and event Co-Chair; Julie Tortorelli, event Chair; and the many others who handled the program ad booklet, greeting, facilities and parking. Thank you all for a truly enjoyable evening.
