WELCOME TO THE 7TH ANNUAL CONCERT

July 2008

Dear Friends;

The LBS Ladies Club in conjunction with The Lake Barrington Community Home-owners Association, proudly presents the seventh annual concert, LaBinia. . . music by the shore. Once again the "green" at the LBS Marina is transformed into an afternoon-in-the-park where friends, neighbors and guests enjoy the melodic sounds of the 75 piece Crystal Lake Community Band under the direction of Don Ehrensperger. Donna Kaye, vocalist, will open our program with her resounding rendition of the National Anthem and will be featured later in the program.

We thank Julie Tortorelli, our LaBinia Chairperson, members of the event committee and all the volunteers who have made this evening possible. We also thank Program/Ad Book sponsors for their generous support, our Senior Property Manager, Sal Miliazzo and the LBS office staff who helped plan this event.

And, thanks to all of you, our fellow LBS residents and guests, for supporting the concert each year.

Now, sit back and enjoy *La Binia. . . music by the shore!*

The Crystal Lake Community Band

The history of the Crystal Lake Community Band dates back to the early 1900's. The current Band was established in 1984 as an affiliate of the Crystal Lake Park District. The Band was founded by a small

group of amateur musicians seeking an outlet for their love of music. From the outset, the Band has always sought members from all walks of the community and takes pride on its ability to bring music of a consistently high level to the public. Currently, the Band boasts a roster of approximately ninety members including both professional and dedicated amateur musicians. Members come from eighteen different communities throughout Illinois and Wisconsin.

The band year is divided into three seasons: Spring, which is highlighted by the Spring Pops Concert, Summer, which showcases outdoor concerts and Winter, when the Christmas Pops Concert is featured. The "Pops" format is designed to present a mixture of serious, seasonal and popular music. Performances offer variety and typically include works by composers as diverse as Shostakovich, Grainger, Sousa and Ellington. The Band regularly offers Guest Soloists, both from within and outside of its ranks, Jazz Band, and other small ensembles. Throughout the past fifteen years the Band has performed in Europe on five different occasions as well as Alaska.

ABOUT LAKE BARRINGTON SHORES

For more than thirty years Lake Barrington Shores has been considered a premier community located in a northwest suburb of Chicago. Lake Barrington Shores is more than just a place to live; the community offers a unique lifestyle to over 2,000 residents.

Within its 510 acres, a mile-long lake provides a marina, beach and picnic area for residents and guests to enjoy water activities or a place to sit and ponder. A walking path around the lake circles through a 35 acre forest preserve where wild life can be spotted on an early morning stroll. The path also meanders past a Veterans' Memorial Garden and in full view of a privately-owned golf course offering full services at their club house and restaurant.

Interior facilities offer a recreation center with an indoor and outdoor swimming pool, along with a fitness room. The center also features a fireplace lounge and several areas where meetings and a wide variety of social and recreational activities and classes take place. Outdoor sports, including golf, tennis, sailing, bocce ball, fishing and kayaking are enjoyed seasonally. People of all ages reside within LBS where events for both the young and the young-of-heart are planned by the recreational staff.

At Lake Barrington Shores, residents share common segments within the community. This shared ownership goes much farther than trees, roads and tennis courts; it includes a feeling of community enjoyed by residents with diverse interests, whether it's joining a group or spending a quiet evening at home. It's looking out a window to a shining lake or a deer standing at the edge of the forest and thinking, "I'm part of all this - this is my home."

How can I get more heat from my woodburning fireplace?

We have two solutions that will change the way you think about fireplaces. Your fireplace will be cleaner, easier to operate and more energy efficient.

Solution 1 Electric Inserts

- **Instant ambience:** With leading-edge flame technology, provide the ambience of a wood fire.
- **No venting required:** Your existing damper will remain closed, avoiding loss of heat and odors.
- **Operates with or without heat:** Year-round comfort with just the push of a button.
- **Immediate heat:** Fan forced heater quietly provides up to 5,000 btu/hr. of soothing warmth.

Solution 2 Wood burning inserts

- **High efficiency:** Wood burning insert operates up to 70% efficiency versus 'negative' efficiency of LBS fireplaces.
- **Long burn on less wood:** One armload of wood will burn up to 8 hours.
- **Electricity not needed:** Heat available during power outages.
- **Clean glass:** Air wash systems keep glass clean longer.

LAKE BARRINGTON SHORES LADIES CLUB

Presents the
5th Annual Outdoor Concert

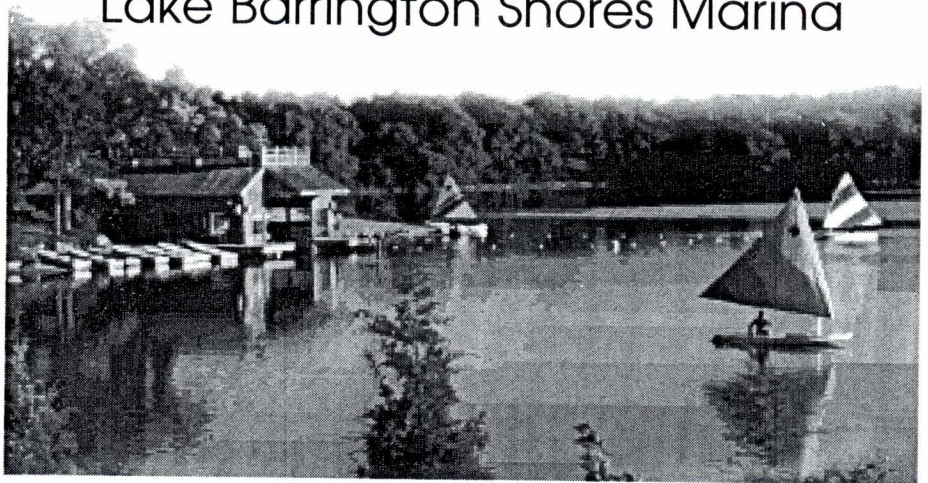

Sunday, July 16, 2006

6 p.m. to 8.p.m.

On the Green at

Lake Barrington Shores Marina

Lake Barrington Shores Ladies Club as of February 2009

LBS Ladies Club is an informal body of women whose purpose has been to offer programs of interest to all women who reside in Lake Barrington Shores as well as any guest they might want to include. The programs vary from entertaining to informative to social. There is no formal membership; any LBS woman may attend any session just by paying a \$2 entry fee. Special programs offered occasionally may result in slightly higher fees.

All accumulated funds are directed to charity. Recent beneficiaries are Mount St. Joseph's, The Carmichael Family Fund, PHD, Cuba Township Food Pantry, Brain Tumor Foundation, Heifer Project International, Wauconda Food Pantry, St. Joseph's Home for the Elderly Poor, Sav-A Pet, Transfiguration St. Vincent dePaul Society, and Yellow Ribbon Foundation.

The LBS Ladies Club has been in existence since the early days of LBS development and is typified by and reflected in those who have volunteered to run the program.

As of 2001 and up to the current year of this document, the ensuing list of board volunteers are:

Ann Cronin- President
Maria Lydon - Treasurer
Nancy Harff - Publicity
Catherine Mura - Public Relations
Joanne Saunders - Hospitality
Julie Tortorelli + Bonnie Vaughan - Special Events
Helen Ducey - Day Trips
Susan Barry - Advisor

The following is a January 2009 article which appears in the local in-house newspaper, Shorelines. It is a review of activities occurring during the 2008 year and typifies what a year has and will be.

LBS Ladies Club Feels Great About '08

LBS Ladies Club had a solidly-packed monthly array of interesting, educational and/or entertaining programs in 2008. We hope all that attended enjoyed and will continue to join the group the second Monday of each month. Those who have not yet done so, consider this array and what potential exists for 2009.

In January an annual Game Day was featured accompanied by Chili luncheon February came along with Sal Milaazo explaining issues related to Digital TV. In March, Barbara Benson of the Barrington Historical Society shared interesting tales of History of and Development in Barrington.

On a Sunday, April afternoon, men and women of LBS were entertained by a group of actors using sound effects to bring nostalgia and relive the wonderful years of Old Time Radio.

May brought a visit from Mary and Harold Robbins, past presidents of the Barrington Chapter of Lyric Opera of Chicago with interesting little-known tales of the Lyric. In early June, a program on Reflexology was shared. On an absolutely perfect evening in late June, a large group enjoyed Sounds of the Carribbean: Steel Drums and Tiki lights at poolside with wine and refreshments.

LaBinia lawn concert returned in July to a large number of people. This event, as well as the Food Drive and the Barrington Giving Day in November, were co-sponsored with LBS Management.

August brought a very popular event; Luncheon and Fashion Show by Coldwater Creek. Good news: it was a sellout crowd. Bad news: a number of people had to be turned away Kathleen L. McCann entertained in September with Craft Ideas for Young Children. And Lanny Ori, a favorite book reviewer, entertained and informed about American Women Who have Impacted the U. S. during the October meeting.

Kim Allen of Merle Norman came in November to give beauty hints and suggestions. Then in December, once again the very festive Champagne Party, opened to all residents of LBS.

A busy year, but successful, as well as fulfilling. We look forward to seeing you all in 2009.

Hoping to Herald Holiday Helping Hands

LBS Ladies Club, in cooperation with the LBS Management, will again be organizing two events during the holiday season which pleads the help of all. Please give consideration to the following:

1. Barrington Giving Day—a large box will be in the lower level Rec Center during all of November in hopes it will be filled with warm hats, scarves and mittens. This concentrated effort will help many!!

2. On Saturday, November 15th, a collection will occur for the Food Pantry of Wauconda, a worthy cause in dire need. Drop off your contributions on that day from 8am to noon. Use the drive up portico at the Rec Center. All foods are welcome—canned, boxed, paper goods, also fresh and frozen which should be kept separately.

The November *Shorelines* will reiterate, but this alert gives me to plan and prepare. Thanks to you all—ahead of time!!!

LBS plans to join other Barrington Community groups to make a sizable offering to Barrington Giving Day. During the entire month of November, a large box will be in the lower level of the Rec Center to accept the above contributions. This will then be delivered to the appropriate place on Barrington Giving Day.

We'll never know to whom these items eventually find their way, but we do know that we will be taking a big step forward toward keeping little bodies warm during the cold months.

LBS Management and LBS Ladies Club appreciate all contributions.

Make a November 15th Delivery

This is the day when it is hoped all of LBS will drive up to the portico at the Rec Center and drop off a contribution to the Food Pantry of Wauconda. It is unnecessary to explain the need; you already know. Start now, and pick up a few things each time you shop and/or take advantage of the 2 for 1 sales. You will be making a significant contribution to a very needy cause. All foods are welcome—canned, boxed, paper goods, also fresh and frozen which should be kept separate.

The sponsorship is LBS Management and LBS Ladies Club, but YOU are the principal participants. YOU can make a difference. Hope to see YOU between 8am and noon on Saturday, November 15th!!

All Invited to Holiday Gala

It's beginning to look a lot like...the Holiday Season is upon us!!! And what better way to begin but at the annual **Champagne Party!**

Once again, LBS Ladies Club invites EVERYONE to the gathering at the LBS Rec Center on Sunday, December 7th from 5:00 to 8:00 p.m. Come and enjoy the holiday-decorated ambiance, visit with holiday-bedecked friends and neighbors, and sip some of the "bubbly" or memosas all for a minimal fee of \$10 per person.

Reservations are required. A check made out to LBS Ladies Club will ensure a spot at this festive get-together. On the check, please indicate whether you will be bringing an appetizer or a dessert—ready to serve! Mail to Maria Lydon at 944A Oak Hill here at LBS. And do so by December 3rd!
