The background of the entire poster features a grayscale image of a hand holding a piece of fabric with a white star pattern, similar to the American flag. The hand is positioned on the left side, with fingers curled around the fabric. The stars are scattered across the fabric, which is draped and folded. The overall tone is patriotic and celebratory.

Dear ~~XXXXXXXXXXXX~~

On behalf of the LBS Ladies Club and everyone here, we would like to express our sincere thanks for your contribution to **LaBinia**, *music by the shore*. The show of support from our own LBS residents and Clubs becomes an important issue when we are seeking sponsors from our community.

Once again our concert brought together family and friends who enjoyed the camaraderie as well as the melodic sounds of the Crystal Lake Community Band and our soloist, Donna Kaye. At times like this we are reminded of our many blessings here at Lake Barrington Shores and of having the support of our community and individuals, like you.

Thank you once again for your contribution – it truly made a difference!

Sincerely,

Ann Cronin,

WELCOME TO THE 5TH ANNUAL CONCERT

La Binia[™] music by the shore

July 2006

Dear Friends,

The Ladies Club of LBS proudly presents their fifth annual concert, LaBinia...music by the shore. Once again the "green" at the LBS Marina is transformed into an afternoon-in-the-park where friends, neighbors and guests enjoy the melodic sounds of the 75 piece Crystal Lake Community Band under the direction of Don Ehrensperger. Special vocalist, Donna Kaye, will open our program with her resounding rendition of our National Anthem.

We wish to again thank Julie Tortorelli, our LaBinia Chairperson, members of the event committee, and all the volunteers who have made this evening of music possible.

We are especially grateful to the LaBinia Program Ad Book sponsors - local business owners and service providers, and individuals who have so generously donated funds to assist in financing this event.

And...thanks to all of you, our fellow LBS residents and guests, for supporting the concert each year.

Now, sit back and enjoy ... music by the shore!

Specializing in condominium and building maintenance and repairs. Managing common areas is one of the primary responsibilities of community associations. Well-maintained communities meet the need of the individual residents, preserve and enhance property values and foster a sense of community pride. As with other aspects of community association operations, the primary responsibility for maintaining the facilities rest with board members. Boards often delegate their maintenance to others, however it is the board members who are legally responsible for maintaining the common areas. Therefore, board members must understand the issues relating to maintenance, repair and replacement. AAA Professional Contracting Services specializes in working with condominium board members and building managers to achieve these goals.

Don Ehrensperger Conductor

Don Ehrensperger graduated from Northwestern University with a Bachelor and Master of Music Degree. He studied conducting with John P. Paynter and trumpet with Vincent Czichowitz of the Chicago Symphony Orchestra. He taught at Cary-Grove High School in Cary, Illinois from 1963 to 1993 where his Marching, Concert and Jazz bands won acclaim throughout the area. A clinician and adjudicator in Illinois and Wisconsin, he is a member of numerous Musical Associations. Mr. Ehrensperger has conducted the Crystal Lake Community Band since 1986, leading the group throughout the area and abroad to Italy and Germany as well as performances in Alaska.

Donna Kaye

Guest Soloist

Donna is a veteran of luncheon and dinner theatre at Shady Lane, Andre's Steakhouse, Holiday Park and The Milk Pail. For the past 13 years, she has been performing with Harmony Productions (with LBS's own Charlotte Bellina as their choreographer). Their upcoming production "Enchanted Holidays", will be performed at both The Milk Pail and Del Webb's Sun City in November and December. Donna enjoys dancing and acting as well as singing her favorite roles include Anita in *West Side Story*, The Narrator in *Joseph*, and Rhetta in *Pump Boys and Dinettes*. She has also sung the *National Anthem* twice at Cellular Park. Donna married her Harmony Productions boss 8 years ago, and is the proud mom of their son, Payton, as well as her 3 other wonderful children Todd, Kimberly and Jordan. "I am so thrilled to be invited back to LaBinia once again!", Donna exclaimed.

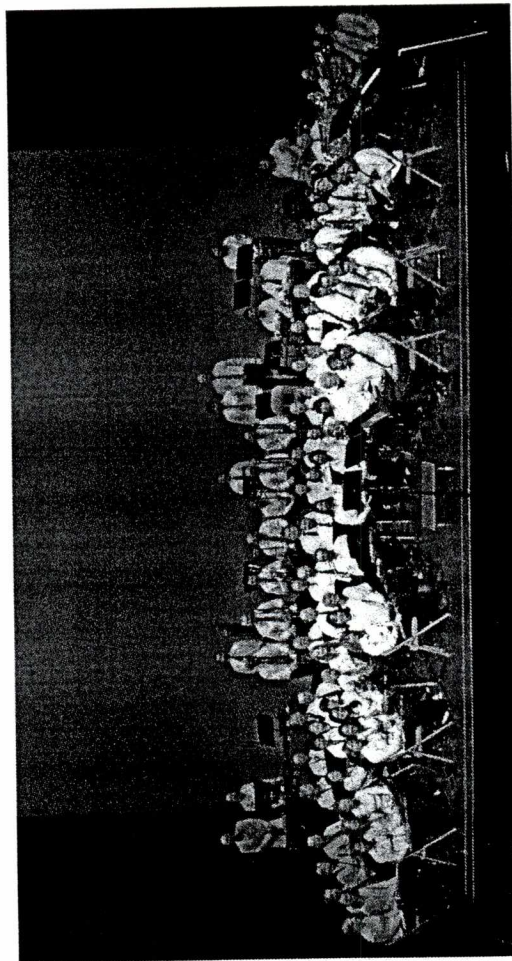

The Crystal Lake Community Band

The current Crystal Lake Community Band was established in 1984 as an affiliate of the Crystal Lake Park District. The band was founded by a small group of amateur musicians seeking an outlet for their love of

music. From the outset, the Band has always sought adult members from all walks of the community and prided itself on its ability to bring music of a consistently high level to the public. Currently, the Band boasts a roster of approximately eighty members including both professional and dedicated amateur musicians. Members come from twenty different communities in Illinois and Wisconsin.

The band year is divided into three seasons: Spring (which is highlighted by the Spring Pops Concert), Summer (which showcases outdoor concerts-in-the-parks in local communities), and Winter (where the Christmas Pops Concert is featured). The "Pops" format is designed to bring a mixture of serious, seasonal and popular music to the public. All performances offer variety and typically include works by composers as diverse as Shostakovich, Grainger, Sousa and Ellington. The Band regularly offers Guest Soloists (both from within and outside of its ranks), Jazz Band Features, Brass Choirs and other small ensembles to its concert-going audiences. Throughout the past twelve years the band has performed during four trips to Europe as well as performances in Alaska.

How can I get more heat from my woodburning fireplace?

We have two solutions that will change the way you think about fireplaces. Your fireplace will be cleaner, easier to operate and more energy efficient.

Solution 1 Electric Inserts

- Instant ambience: With leading-edge flame technology, provide the ambience of a wood fire.
- No venting required: Your existing damper will remain closed, avoiding loss of heat and odors.
- Operates with or without heat: Year-round comfort with just the push of a button.
- Immediate heat: Fan forced heater quietly provides up to 5,000 btu/hr. of soothing warmth.

Solution 2 Wood burning inserts

- High efficiency: Wood burning insert operates up to 70% efficiency versus 'negative' efficiency of LBS fireplaces.
- Long burn on less wood: One armload of wood will burn up to 8 hours.
- Electricity not needed: Heat available during power outages.
- Clean glass: Air wash systems keep glass clean longer.

Chocolate-Making Demo

By Christine Sienna of

Morkes Chocolates

Anybody Like Chocolate???

If that's a YES, you MUST join this Ladies Club event on Monday, November 13th at 10:30 a.m. in the Rec Center Ballroom!! Christine Siemon of Morkes Chocolates will conduct a "Hands On Demo" of fashioning, making, creating and... (could it be?)... sampling chocolate. You will return home having participated in three separate tasty projects with your personal supply of nearly a pound of tasty sweets!

What a perfect opportunity to get creative with your gift-giving at holiday time while enjoying a great morning!

An attendance count will be necessary so call ahead by Nov. 10th to Janelle Peek at 1-847-381-8256. A small fee of \$8 at the door will be collected on the 13th.

Thanksgiving Sharing and Caring

The turkey smells permeate the house, the cranberry is chilling, and the mashed potatoes are overflowing... But—not for everyone!

LBS Ladies Club has historically collected and delivered Thanksgiving dinner to two local families through the Wauconda Food Pantry. This year it was determined that the purchase of small denomination food certificates at Jewel would make the giving more flexible as determined by those who are aware of the needs.

With this in mind, Ladies Club is collecting checks in any amount and turning them into Jewel certificates which can then be issued to several very needy families in appropriate amounts. Every contribution will help AND it is guaranteed that YOUR turkey will be tastier, YOUR cranberry smoother, and YOUR mashed potatoes more enticing—knowing you have assisted others at this time.

Send your contribution to Maria Lydon at 944A Oak Hill by November 18th made out to LBS Ladies Club. And—thank you to all!

LBS Ladies Club

On November 25th, the Saturday after Thanksgiving, we are going to see the magical opera in focus performance of Hansel and Gretel. The performance is at 1:30 pm at the Rolling Meadows opera in Focus Theater. This would be a great grandparent/grandchild outing. Adults: \$11; children under the age of 12: \$7. Your Check (payable to LBS Ladies Club) is your reservation. Send checks to Bonnie Vaughan, 1301 Oak Hill Road. Bonnie will provide written directions to the opera in Focus Theater. If you have any questions, call Bonnie: 847-382-5324.
