Aw, Shucks!!

No LBS Ladies Club meeting in March! With so many gone south and with busy plans for the coming months, it was thought prudent to skip this one.

BUT lots of exciting events are coming up – so stay tuned! Future plans include a program modeling a variety of dresses which typify fashion history, an experienced antique appraiser, a photo journalist, etc.

Like they say on CNN and FX News, you don't want to miss these.

What Should I Wear!!

Throughout the ages, the female quandary of "What to Wear" has resounded. Most women want to look good and wear what's current. Thus the importance of *trends*.

Here is the opportunity to take a look back on those trends. Ruth Thomas and Chloe Berg will showcase their "Decades of Dresses" collection featuring items from 1905-1991. This provocative and intriguing presentation will occur at the April 12th LBS Ladies Club. You will be fascinated by the many clothing items, accessories, and undergarments and learn about women's history, fashion trends, and contemporary events. Several dresses will also be modeled.

This is a "not-to-miss" program!! Come at the customary 10:30, enjoy a cup of coffee and some refreshments; then sit back and enjoy!! All this for just the customary \$2 at the door.

CLICK! Got it!!

Grab your "Hat and Coat" was the command that sent Jerry Tomaselli and other photo journalists hustling out the door quickly. For it was that order, given innumerable times, that catapulted him from inside "The Chicago Sun Times" out into the streets and byways of the Metropolitan Area to cover breaking news. For 35 years this man has scuttled out, shot images, and covered the scenes that have made Chicago history.

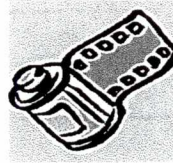

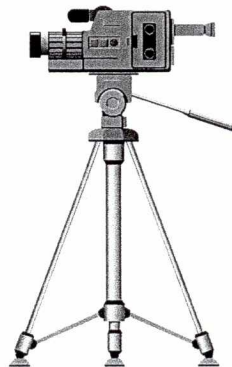

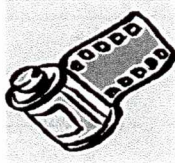

Now retired, Mr. Tomaselli has agreed to join us at Ladies Club on Monday, May 10 for a fascinating presentation. He will share those memories and dramatic photos from sports to disasters, from glorious events to heart-rending tragedies, many of which you may recall.

Sooooo — grab YOUR "hat and coat," bring your neighbor, your husband, your friend, and come to the ULL at 10:30. A \$2 bill will gain your entrance to this mesmerizing morning, as you sip the coffee and enjoy the refreshments.
