Here's to Your Health!!!

Are you, or do you know someone who is, diabetic??? You will become better informed when Kellie Hartman presents at the February 14th LBS Ladies Club in conjunction with Neighbor Helping Neighbor.

Kelly is a registered nurse who is a liaison nurse at the Wauconda ReHab and Assisted Living Facility in Wauconda. She has a vast background in the understanding and treatment of Diabetes. This disease, more common than ever and especially so in seniors, is one which needs to be carefully monitored and consistently treated.

The program will include a mini-life style management class involving disease management, diet, and exercise. And to encourage us along these goals, Nurse Harman will be bringing healthy snacks for us to enjoy.

The program begins at 10:30 in the ULL. No reservation is needed, just pay \$2 at the door.

How Does **YOUR** Garden Grow??

The miniscule size of a "private area" at LBS, does not negate making it a thing of colorful and richly-scented beauty. A Master Gardener, horticulturist from Lake County Extension, will appear at Ladies Club on March 14th. The presenter will offer a variety of choices, extensive hints for enhancement, and exciting new possibilities, no matter the size of your gardening area.

With the snow receding and the ice melting, and as tiny bulbs begin pushing upward, you will be given the the opportunity to create a lovelier embellishment to your home. You will welcome this gardening assistance.

Gathering begins at 10:30 and will include coffee and refreshments all for the \$2 entry fee.

How about fashion along with a little bit of history?

On Monday, April 11th, you are invited to LBS Ladies Club where a display of clothing from the Greta Garbo era will be modeled by Ruth Thomas and Chloe Berg, two knowledgeable and experienced presenters. Ten pieces of clothing from each of two decades will be shown, the 1930's and the 1940's. The women will include events happening in the world during those periods which influenced the type of clothing worn. They will also comment on where and how they acquired them. This is their second appearance at Ladies Club thus we can comfortably guarantee a time well worth it!
