**Thanks For Your Help!** Jack and Jinnie Train and Sally Kilham for assembling the May Carillon.

**Sunday, June 4** is Pentecost; please wear something red.

Dear Friends in Christ,

One of the most elusive of human abilities is the ability to lead other people. Webster defines the activity of a leader in these words, "A person who directs a military force or unit; a person of commanding authority or influence." Here are 10 ideas about servant leadership that I strive to follow in my daily life with others:

### **1. Imitation is deadly.**

Discover your own voice; listen to it and do what you are called to do.

### **2. Leadership is an art not a science.**

The best leaders I know read constantly and then blend what they have read with their unique gifts.

### **3. The best leadership is by example.**

Bill Murphy, the first head of staff I worked for said, "NEVER asked anyone to do anything you would not do yourself." I still follow his words.

### **4. A charismatic leader may be the worst kind.**

We love charismatic people but an organization that relies on one human personality is doomed when that personality is gone.

### **5. You can't teach two things: style or judgment.**

This is a Peter Drucker premise.

### **6. Discover your uniqueness as a person or an organization and use it well.**

### **7. Perfection is deadly.**

Stephen Douglas said it best, "Lower your expectations while maintaining your high level of values."

### **8. Pay attention to what is authentic.**

When you know what is real, you can spot a phony a mile away.

### **9. "We can do no great things; we can only do small things with great love."**

*Mother Teresa*

### **10. Let your light shine.**

"Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness, that most frightens us. You are a child of God. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people will not feel insecure around you."

*Marianne Williamson*

## Director of Music

### **"Komments from Kirsten"**

First of all, I would like to thank everyone for making me feel so welcome during my first several weeks at The Presbyterian Church of Barrington. It was difficult to say goodbye to all of the lovely people at my former church, but I am comforted to know that I have entered another wonderful community of welcoming, kind people.

I think it is an exciting time for the music program at The Presbyterian Church of Barrington, a time for expansion, creativity, and inclusiveness. It is my hope that everyone will benefit from the growth that I hope to see over the coming years.

The first task at hand is to increase the size of the chancel choir and bell choir. Both groups already have a strong core of members, but by increasing the membership, both ensembles will be able to access a wider variety of repertoire and fill the sanctuary with more glorious sound. Another addition I would like to make to the music program is a children's choir, where kids will learn the proper techniques of choral singing, develop their voices, and learn about the relationship between music and worship. The choir will include children ages 6-12 and rehearse once a week.

It is also my hope to organize additional music programs at the church: extended choral works, a concert series, a combined church concert, etc. Having a music program that is visible to the community is inviting for newcomers who may be searching for a church of their own. A well-supported music program suggests a healthy, committed congregation.

And finally, I would like to invite each and every member to become a part of the music program. If you have a voice to share, join the choir. If you think that you can't read music or don't know how to sing, that's all the more reason for you to join the choir---so you can learn! If you're more comfortable using your hands, join the bell choir. What a joy it would be to have a four octave bell choir! And if you have children, please encourage them to join the children's choir. They will learn how to sing correctly, match pitch, be musically free, and most importantly, they will learn how important music is to the worship of God.

I look forward to many years of music making at The Presbyterian Church of Barrington. Please don't hesitate to call or e-mail me if you have any questions or comments about the music program.

Peace to you all.

## Barrington Presbyterian Women

### Spring Fellowship Picnic June 8

All women members of The Presbyterian Church of Barrington are cordially invited to attend our annual BPW Fellowship Picnic and

Installation of Officers to be held Thursday, June 8 at 11:30 at the home of Pam Anderson, 620 Fairfield Drive, Barrington. Come celebrate spring and share in the warmth, great food, and fellowship of the women of our church! For names A-P, please bring a salad to share; R-Z please bring a dessert. RSVP by June 5th to **Pam Anderson**. Enjoy the summer. Our next regular BPW meeting will be on Thursday, September 7<sup>th</sup> in Fellowship Hall.

### Book Club

Book Club meets every other month on the third Thursday (starting in September), at 1:00 p.m. in the home of a member. The next meeting will be held on July 20 at the home of Sally Hilgendorf. The book is Nickel and Dimed by Barbara Ehrenreich. For more information, you may contact coordinator, **Alice Buchholz**.

### G.T.I.F.

Growing Together in Faith is a women's Bible study that meets on the third Tuesday evening of the month in the home of a member. All are welcome! In May, we began a new study, At Table With Jesus. Study books are available in the church office at a cost of \$7. Our next meeting is June 20. If you would like to join us, contact **Becky Bosarge** or **Jill Minner**.

This study invites us to see the heart of God revealed in the meals Jesus shared with others. We will investigate such topics as: "Practicing Hospitality" - a mark of true discipleship; "Eating with Sinners" - being open, inclusive, and inviting; "The Bread of Life" - a deeper understanding of who Jesus is and how he is present in the Eucharist; "Banquet Parables" - table fellowship and the Kingdom of God; and many more. We will probably even experience some table fellowship of our own!

### Morning Bible Study

We completed our study of For Everything, a Season, in May. There is No Bible Study in June. Please watch for details of our Fall series. We'll be using the Horizons Bible Study book, In the Beginning, Perspectives on Genesis. Susan Raaths, Coordinator. Please join us for the BPW meeting and fellowship luncheon on June 8.

### Women With Aging Parents

Women With Aging Parents meets the second Friday of each month at the home of **Marge Slocum**. The next meeting is on Friday, June 9, at 9:30 a.m. For further details or to tell Marge you are coming, please call her.

### Elgin Community Crisis Center

Thank you to all who contributed to and helped to assemble the Mother's Day gift bags for the women at the Elgin Community Crisis Center. Your generosity and efforts are greatly appreciated.

### Good Works Make Good Cooks!

The BPW Cookbook Gracing Your Table contains the tried and true recipes from the wonderful cooks in our congregation. The book was featured in the Daily Herald with witty commentary and a glamorous photo of our own Nancy Nadig.

Copies are available for \$20 each, with proceeds benefiting the brides' room renovation project. So far, cookbook sales have generated a substantial amount for this project. There are only 100 copies remaining. Make a donation to the renovation project and receive one cookbook for every \$20 contribution! Since we have surpassed the "break-even point," every dollar collected will be used for this cause. Copies will be available in Fellowship Hall after worship on Sundays, or I can deliver or mail your cookbook anywhere in the world! Please contact **Rebecca Gans Carlberg**. Buy a cookbook, or two or three. Good works make good cooks!

## Stephen Ministry

### I'm Surrounded by Loving Family and Friends, So Why Would I Need a Stephen Minister?

Family and close friends are usually the first to rally around you offering support and comfort during a crisis. But Stephen Ministry can help you too - in some different ways.

Family and friends are emotionally tied to your problem. A Stephen Minister gives you an outside perspective on your situation and a Stephen Minister will most likely be more objective.

Families might drop in, come and stay or be reached by phone. Stephen Ministers provide consistent, planned weekly meetings that last for about one hour.

Family and friends drop everything to be with you, but eventually they will have to get back to their routines. A Stephen Minister will continue to meet with you until you feel the crisis is over, and you feel in control of your life once again.

While family members may offer the following characteristics, a Stephen Minister always is: completely focused on the Care Receiver, confidential, non judgmental, accepting and Christ-centered.

Stephen Ministers have extensive, on-going training, and they are equipped to provide care to a Care Receiver. Stephen Ministers are supported by the Stephen Ministry structure.

Care Receivers often want to discuss the same problem many times, and may feel like they are becoming a burden to their family members and friends. A Stephen Minister is there to listen to whatever the Care Receiver wants to discuss.

Please talk to Curt Baxter or Dan Spike at church if you would like to know more about how a Stephen Minister could help you or a loved one through a difficult time in your life. Or, you can call **Linda McGurer** or **Marge Slocum** who would also welcome your questions.

Stephen Ministers Julie Brown and Anna Armstrong will be attending Leader's Training Courses in Orlando, Florida June 11-17, 2006. They will be commissioned as Stephen Leaders on June 18th, 2006 during the 9:00 a.m. worship service at our church. Please keep them in your prayers as they prepare for this interesting and challenging service to our faith community.

We want to thank Evelyn Cole and Nancy Nadig for so generously donating their airline miles so Julie and Anna can attend LTC training.

## ChristCare

### Caring Hearts-Faithful Servants

What does a ChristCare group do? A ChristCare group transforms lives by providing a forum to build fellowship, to grow spiritually, and to share Christ's love in a tangible way. Meeting regularly, ChristCare group members support each other in their lives and faith journeys and reach out in the spirit of Christ's love to the congregation, community and the world. Our vision statement identifies us as a caring family of faith. If you wish to help realize this vision by joining one of our ChristCare small groups, please contact one of our group leaders: **Bob Florio, Lukass Franklin, or Gerry Nadig.**

## Becoming a Church Member

We invite you to become a member of our congregation. People who have not made a decision about joining, but would like to know more about the church, are invited to come to services, participate in activities and check out our website at [www.pcbarrington.org](http://www.pcbarrington.org). If you would like to discuss membership with **Dr. Curtis Baxter**, he can be reached at the Church Office at **847-381-0975**.

## Deacons

### Deacon's Corner, Dale Smith

#### The Presence of God in My Life

One way that I feel the presence of God is through the observation of nature. The flowers, the grass, the squirrels, birds and deer all testify to the existence of a supreme being. The cosmos, that extremely interesting nighttime treasure is full of amazing sights and objects of thoughtful delight. Viewing the cosmos gives me the feeling that God is all around us. As we see the elegant complexities of both the infinitesimal and immense become more clearly understood by science, the sense of God's presence is more intense. I am confident that scientific methods and discoveries will never prove the non-existence of God but rather serve to uncover his hand at work. What do you think? I'd like to know.

#### Disciple

As a teenager the Bible was something very intimidating. The density of the text due to the tiny print and thin and delicate pages was foreboding. It was true that there were simple rules and wisdom presented that I understood at the simplest level yet I could see there was a depth to be delved into. As I grew up it remained clear that the Bible was indeed full of hard to understand passages. Sure, we learned the standard passages, those that are repeated as the church year progresses but still I hoped one day to take the plunge into a deeper understanding. The opportunity came for me to learn more when the Disciple classes were offered. Reading and studying the Bible in greater depth, a task that I put off for years, turned out to be a breeze; what a tremendous story, truly amazing! Here is something you might try as I did: listen to the complete unabridged audio Bible on the way to and from work. It took me a couple months (64 Audio CD's). That was almost effortless and very enjoyable. Some review reading helped when class came around but that was minor. I enjoyed Disciple class and I hope you will too.

#### My Deacon Adventure

I'm a Deacon for parish 4, which includes members with last names starting with S through Z. I hope to serve more deeply, and to get to know you better, therefore I ask that you carefully consider the following question: If you were a boat, what kind of boat would you be? Dingy? Power Yacht? Row boat, Barge, Sail boat (possibly a Sale boat for some of us), speed boat? Well, yes, it is a silly question; I hope it made you smile. I would be pleased if you would say hello when you see me, and if you want to tell me what kind of boat you would be, please let me know.

## Deacon's Corner, Diane Svanson

I have been looking forward to this opportunity to introduce myself to those of you who don't know me. My name is Diane Svanson and I have been a deacon for just a couple of months. This is the first office I have held, but have been active in the church teaching in the Rainbow room and the elementary education programs. My husband Tim and I have two children, Matthew and Jennifer who are 7 and 4 years old. We live in Lake Zurich, but I was born and raised in Pittsburgh – I think now that we have lived in Illinois for 16 years, we can consider ourselves Midwesterners

After many years working as an engineer designing tractors for CNH (Case-International Harvester), I decided it was time for a change. I retired from my job in January to become a full time mother. My new job is definitely a lot harder and more tiring than the old one, but I love it. No sooner had I made the decision for the career change than I received a call asking if I would like to be a deacon. I decided it was either an amazing coincidence or a sign – it was a perfect time in my life to get more involved with the church.

Prior to moving to Illinois, I was a member of Westminster Presbyterian Church in Pittsburgh. After college and a few years of living in Chicago, my husband and I decided to settle in Lake Zurich to raise a family. One of our priorities was to find a church. We were introduced to the Presbyterian Church of Barrington by my parents, who were members during the short time they lived in Barrington. We “shopped around” at a number of churches closer to home, but kept returning to the Presbyterian Church of Barrington. We felt that none of the other churches could match the children's programs, the worship service, the beauty of the sanctuary and, of course, the many wonderful members we have met.

The church has become an important part of our lives. Both of our children were baptized here and Matthew had his first Holy Communion just last month. I am overjoyed when I watch my family grow and achieve milestones in the church. I plan to serve the congregation to the best of my abilities and promise to bring enthusiasm and commitment throughout my term. I look to the congregation for ideas and guidance, especially from those who have served before me. I realize now what an opportunity I have to be a leader in the church and to help strengthen the Presbyterian Church of Barrington so we can grow together and continue our wonderful legacy of a faith community.

## Christian Education

### Adult and Family Education

Sunday, June 4, 2006, 10:30 a.m. – 1:00 p.m., in the Parlor. **“C.S. Lewis and Finding God in Narnia.”**

Families are invited to attend this program, presented by Professor Chris Mitchelle from Wheaton College. A light lunch will be served; adults \$12, students \$5. Prior to the program, your family might be interested in watching The Chronicles of Narnia, written by C. S. Lewis, which is available on DVD.

### “Be Not Afraid” Summer Book Read Program

June 4<sup>th</sup> will be the beginning of our Second Annual “Be Not Afraid” Summer Book Read Program. Are you intimidated by “religious” books? Afraid they are boring or too “textbookish?” Perhaps you would consider reading a book which has been enjoyed and recommended by another member of our congregation. We are asking members to bring to the church office Christian books which they have enjoyed reading. Please bring the books on or before Memorial Day. Put your name and phone number inside the front cover of the book. Books will be checked out by listing your name and phone number on an index card found inside the book. Since this is a book LOAN, all books are due back by Labor Day. Children are invited to bring books with a Christian theme for the children’s “Reading Is Fun” table. Each time you check out a book, your name will be entered in a drawing for a gift certificate, to be awarded at the end of the program

## Fellowship

### Presbyterians Go To The Flyers

Kitchen Kabinet has organized a night to watch the Schaumburg Flyers play the Gary SouthShore RailCats. The date is Wednesday, July 12 and the game starts at 7:05 PM. The Schaumburg Flyers play in a family oriented ballpark and it is a fun time for all. July 12 happens to be “Bat Night” and the first 1500 kids to enter the park get free bats. Everyone is welcome so let’s bring the whole family and invite some friends.

**Bob Johnson** has reserved a block of great seats for those who are interested. The tickets are \$9 each and must be purchased from Bob by June 1. If you are interested, please give Bob a call and let him know as soon as possible. He wants to make sure he has enough seats for everyone.

### Kitchen Kabinet

The Ladies Day Luncheon will be held on Tuesday, June 13, starting at noon, at Inverness Country Club.

Invitations have been sent out. Please send in your reservations to the church office, to the attention of Dan Spike, by June 6. Kitchen Kabinet is an organization of retirement age men who meet on the second Tuesday of each month at The Garlands for noon lunch, lively discussions and programs. ## Mission

### **Put These Dates on Your Calendar**

**Sunday, August 27: Outdoor Service and Church Picnic**

**Monday, October 2: Golf Outing to raise Scholarship Money for Nueva Esperanza Students**

**Saturday, October 7: Lobster Sale**

### **WOW! 150 BAGS!**

The generosity of this congregation during the Spring Food Drive was overwhelming. The faces of the people staffing the food pantries at Christopher House and F.I.S.H. were beaming with joy when they saw us arriving with the food. They asked us to express their thanks to the congregation.

The Mission Committee would also like to thank you for your continued support of the new “Loaves and Fishes” ongoing hunger ministry. It’s usually difficult to get new programs off the ground but you have been steady and faithful in your efforts to remember those non-perishable items on Sunday mornings.

In June we will concentrate our giving on staples (flour, sugar, rice, beans, etc.) but anything you want to bring or have on hand will be welcome. The stock at F.I.S.H. is especially low right now so any help you can give will make a difference. It’s easy to forget the donation when you’re rushing to Church, so ask the kids to help you remember. That can be their own “in-kind” contribution. Here are the items suggested:

#### Toiletries & Dry Goods

Toothpaste  
Toothbrushes  
Soap  
Toilet Paper  
Diapers  
Paper Towels

#### Foods

Canned & Dry Soup  
Canned Vegetables  
Canned Meats and Tuna  
Macaroni & Cheese  
Potato Mixes  
Cereal

#### Ingredients & Drinks

Sugar & Flour  
Rice & Beans  
Cocoa & Kool-Aid  
Coffee & Tea  
Juice Boxes  
Jello & Pudding Mixes

### **Thanks to the “Walkers”**

Thank you to all who walked and/or donated to the Walk for Winchester House and to the Walk for Multiple Sclerosis. Both events were held on May 7 and were very successful both at raising money and raising awareness.

### **Thank You from Home of the Sparrow**

The Home of the Sparrow Palatine shelter was cleaned from top to bottom on March 18th thanks to ten youth from our church. Hailey Anderson, Hannah Archos, Nick Buchta, Jimmy Dowell, Ryan Fish, Emma Florio, Bill Hansche, Courtney Minner, Blair Riley and Mike Zimmerman helped to make the shelter shine inside and out. They trimmed hedges, picked up yard waste, washed windows, scrubbed countertops, dusted, vacuumed and even cleaned the bathroom. Here is the Thank You from HOS -- “Thank you so much for all the work the youth team accomplished at the Palatine Home. The Presbyterian Church of Barrington has been a mainstay to us from the very beginning. We hope you know how much we appreciate each and every one of you. You are the backbone that supports us. God bless you as you have so richly blessed us.”

## Parish Life

### The Alton Family Charitable Fund

A fund has been set up at the Barrington Bank and Trust to help the Steve and Julie Alton family. Steve had surgery in March to remove a tumor, which has left him with blindness and some paralysis. To make a donation, your check should be made payable to The Alton Family Charitable Fund, and sent to Barrington Bank and Trust Co.,

201 South Hough Street, Barrington, IL 60010. Thank you to all who have donated to and/or organized fund raisers for the family. Your caring is most appreciated.

### Alton Family Benefit, June 17

The Families For Families picnic to benefit the Alton family will be held on Saturday June 17th at Ron Beese Park in Barrington. Events that day include a 5K run, a kids fun run, moonwalk, games, prizes, face-painting, food, live and silent auction, live bands and much more. For more information or to volunteer to help out the day of the event, please call **Stephanie Skopek**. Please come out with your family and help make a difference in the community.

### Financial Update

**by: Patty Griffin, PCB Accountant**

In the recently mailed update letter from Session on our "Make A Difference Campaign", it was noted that we began the year with a \$144,000 shortfall in pledge commitments needed to meet our budgeted expenses. Thanks to your response to the campaign, commitments have reduced that estimated shortfall to \$52,892. More good news is that this \$52,892 has been reduced by another \$10,000, as members who were unable to commit/pledge to giving for the entire year, have already given much more than we anticipated (see "Open Plate" collections below). If that trend continues, the amounts needed to be funded via our operating reserves could be under \$30K by year-end. Thanks to all of you who continue to help defray our remaining deficit via your gifts. As an annual deficit is not acceptable for the church's long-term health, however, members of Session, staff members, and the Board of Trustees are working hard to examine all expenses as they plan and budget for 2007.

You may note below that our special Easter Collection was \$5100: more than \$1000 ahead of last year! Another significant donation, to offset the cost of special music for Easter and Holy Week, was also utilized in April, thanks to the generosity of one of our members. In addition, mission giving to One Great Hour of Sharing (not represented in the amounts below) was over \$4500, a few hundred dollars ahead of 2004. Thank you!

For the 4 months ended April 30, 2006:

	<b>ACTUAL</b> <b>YTD APRIL</b>	<b>BUDGET</b> <b>YTD APRIL</b>	<b>ANNUAL</b> <b>BUDGET</b>
Pledges collected	\$150,400.	\$ 154,200.	\$467,264.
Prepaid Pledges* (4 mo share)	36,800.*	36,800.*	110,266.*
"Open plate" and misc	25,000.	14,300.	42,500.
Easter & Christmas collections	5,100.	5,000.	10,000.
Special one-time gifts	18,800.	18,800.	42,900.
Additional fundraising needed	<u>0</u>	<u>0</u>	<u>52,892.</u>
Total contributions	<u>\$ 236,100.</u>	<u>\$229,100.</u>	<u>\$725,822.</u>

\*Note\* Many members generously prepaid their entire 2006 pledge prior to December 31, 2005. For the good of the church and for tax deduction purposes, we allocate that income equally to each month of 2006.

## The Nancy Dolan Seminary Fund

Nancy Dolan has been approved by the Presbytery and accepted at the McCormick Theological Seminary to pursue her goal of becoming a minister. Nancy believes it will take her four years to complete the requirements. The Church recognizes that her journey involves both a significant investment of time, energy and money. To help the Dolan's financially, the Session has approved establishing The Nancy Dolan Seminary Fund. This fund will be used to pay for tuition, course materials, travel and other expenses directly related to her education. This fund is completely financed by individuals. If you would like to contribute to this fund, send a check made out to The Presbyterian Church of Barrington, with Nancy Dolan Seminary Fund written on the memo line, to the Church. If you have any questions, call **Gerry Nadig**, the Session Liaison for Nancy.

## Parking Lot Security

The Trustees want to alert the congregation to an incident that occurred this spring on a Sunday morning at church. While attending service, an individual had a purse stolen from a locked car in the church parking lot. Please note that the individual's valuables (purse, etc.) were locked in the car and the thief broke into the car to take the valuables. Our warning to the congregation is to not leave valuables of any sort in your car at any time whether locked or unlocked. Especially, do not leave valuables in plain sight, even if your vehicle is locked. It is suggested that you take valuables with you or, if you must leave them in the vehicle, only do so if completely covered or left in the trunk. We are sorry to bring this to your attention, however, thieves look for places where they are unlikely to get caught and sadly a church parking lot is not exempt.
