## The Barrington Review

Entered as Second-Class Matter

FRIDAY, MARCH 18, 1904

A Kansas City man is suing his wife or divorce because she left him ser-nteen years ago and has not yet re-urned. Apparently he did not miss er until the neighbors began gossip-

There is said to be a waiter in an Indianapolis restaurant who talks duently lo seren languages. The Indianapolis people may be thankful that no is not a barber.

re is increasing ground for sus-that Russian naval officers have taking lessons from the Span-

Decadence of Sacred Music.

Be there a decadence in sacred music?

So it would seem from the published fact that a committee appointed to retuse the kynnal of the Methodist church, after making a pretty exhaustive search for new sacred sons, was forced to report that within the past forced to report that within the past wenty-dive persa no new hymns worth facesporating in the hymn baok have been written. lence of Sacred Music

within the past of the charge of a technical to the working in the lymn look have been stritten.

Specialize in the special consistent of the string of a technicality.

Specialize in as other reason for this fidings of it is needed composition to the string of the string of

solder which some some from the ritual forms. We come ventures we ritual forms. We have the present way of the few, which is very test as well of the few, which is very test as which it is worth. B says that the it generation has not been an age of the bur rather one of doubt and in ory, especially among men whose ed-icity, and the second of the second of the second of the second of the instant is desired popel. The in-instant is desired popel. The in-instant is desired popel. The in-sistent is second of the second likely that is not a lyran of high Lafet," which is not a lyran of high Lafet," which is not a lyran of high consistent with the second of the popel for fulful, and the second of the population of the second of the second at its, from the resound statements att is, from the reasoned statements positive bith. This was natural, positive bith. This was natural, and the positive bith. This was natural, which was not be the positive belief. A generation that hesisto pledges of the belief. A generation that hesisto pledge itself to a creed lacks atthit that its expressed in hymns of see that bite into the mind and be, really popular. Lack of positive explains the dearth of new and by lymns.

A correspondent of the Indianapolis
Journal courtbutes a suggestion to the
crusade against the unsightly billboards which disfigure the streets and
areanes of the capital of Indiana and
areanes and areanes leading to
the city and asks:

Cannot somether.

back, whereupon a collection was up, and more than \$10 was giv him. The wonder is that be a want to go to Owego when he New York so easy.

Whether the markets are affected wars or other causes, the conseque to the consumer do not seem to v The humble but useful member of community is scheduled to get worst of it no matter what happen

The statement that the names of sian warships are frequently charges may explain why Russia sometimes these a fleet of ten or a dozen vessels out of a possible four or five.

A lecturer before a Chicago woman' club declared that woman was losing her sense of touch. The Easter bonne scason may be depended upon to dis prove any such theory.

The harmless necessary hen is get-ting busy again, but eggs are not yet so cheap as to justify keeping them in the refrigerator instead of the safe.

Now that Eve's grave has been lo cated her descendants can do no less than chip in and buy her a monument

The frequent battles between sopho mores and freshmen in American col-leges cannot fail to excite wonder and admiration in the minds of the young Asiaties who have come to this country to ucunite a civilized admiration. to acquire a civilized education

The success of the Cuban republic in placing a loan of \$85,000,000 in bonds at 12 in spite of international compil-cations and the scarcity of money is distinctly and conspienously to the cred-it of the new republic.

The college students who put so much intelligence and energy into the har vesting of the last wheat crop mus-naturally be proud to note the high price it is now bringing.

The time of year is now approa-when the winter overcoat begin sap the energy of the man who out his spring overcoat last fall.

This would be a good time for Pe Bigelow to pull off his Germa them at the same time

It would not break the heart of the steel trust to learn that a few expen-sive unvies had been knocked into scrap from.
