THE GLORIOUS FOURTH

Barrington Celebrates in the Good Old War.

The preparation is better that the control of the control of

se and Station Streets, and a patri-program given attention. The Goddess of Liberty occupied a in the center front of the plat-in, and the promp misses from the is formed a background. The Rev. W. H. Tuttle of the Metho-r church, infered it the opening

dist church offered, the openin rayer in carnest, eloquent words. A quartette in which Fred Lines rank Waterman, Arnet Lines and A quarterie in which Fred Lines, Frank Waterman, Arnet Lines and Roy Waterman same furnished ma-tional airs with good effect, and Arnet Lines same as so in excellent voice. Charles H. Morrison read the Dep-laration of Independence clearly and interestingly.

A short addressIwas given by M. C. Melnicali relative to the immediate dangers threatening the country in the nature of trusts and unions. He spoke with easy delivery and en-

the nature of trusts and misses. If the nature of trusts and misses in the nature of trusts and misses. If the nature of trusts and misses in the nature of trusts and misses in the nature of trusts and misses of the nature of trusts and misses of the nature of trusts and the nature of College, as the peaker of the day, to day a open purpose of the dispersion of the disease of others to bound on the nature of the nature

The man who makes his work his chief pleasure is roully far happier than the devotees of pleasure. Times change and old methods be come out of date. The enterprising business man will try to make his way the best and to keep it so.

The sale is only a small part of the ransaction. Satisfaction must be paranteed. Right treatment of your instoners is a good advertisement.

Every merchant wants the oth fellow to freat him honestly; but do be exert himself to be as honest in healings with his customers as I would have the other fellow trea; his under similar circumstances?

the set of the property of the The chair of the Methodiat Episcopal Church of Barrington will give cert at the church on Wednesday evening at 8 o'clock. Admission will a be built offerings accepted for the plane fund. Following is the

The Lawn social given for the bene-it of the M. E. church find by the Ladies Aid society Monday exenting was a success considering the cod-exenting, the receipts being \$17.

Editor F 1. Carr has had a 2-horse Editor F. L. Carr has had a 2-horse power an engine installed in the offi-ce of "Lender" to run the presses. The marchine was manufactured by A. Schauble & Co., of Itartington, and Mr. Carr expresses binned as well pleased with it and its work.

For New School thurang.
The board of Education will submit
to the toters of School district No. 4
on Saturday, July 16, the proposition
of creeting a new school building on
the present site in Barrington. They
will also ask to be authorized to Issue
bonds to the amount of \$13,560, pay-

will also ask to be authorized to Issue bonds to the amount of \$13,560, pay-able in 20 years. That a new school building is need-ed is a failtief by everyone. Let the voters turn out and express them-selves more decleverly by casting a bal-lot favorable to the two propositions submitted.
