# THE BARRINGTON REVIEW.

VOL. 20. NO. 4.

BARRINGTON, ILLINOIS, FRIDAY, JANUARY 27, 1905.

\$1.50 A YEAR IN ADVANCE.

G. Smith, Local Editor.

Miss Bessie Pinney has decided to ork in Chicago having secured a osition with Armour & Co.

The medicine show is drawing good trowds and money each night. One yould think the cemetery was apt to be filled by the number who appear to

Dr. Wood writes that he and his wife arrived in Los Angeles, Cal., after a pleasant trip and are enjoying life at Long Beach where they are having pleasant summer weather.

A new company is circulating a petition in Arlington Heights to pass through that village with an electric railway. The company is incorporated and the parties interested men of wealth. The road will go as far west

as Barrington and perlaps from there north to the lake resorts.

Mrs. Lyman Peck
Mrs. Saturday even-tome at Cary Station, Saturday eve

gone for better care in her illness, on January 16, 1905.
Beside the husband she leaves two daughters, Mrs. Taylor and Mrs. Wm. Nason to mourn her departure. The funeral service was held at the Methodist church last week Thursday and the remains were laid to rest in Hüllen. the remains were laid to rest in Hill-sude cemetery. Mrs. Peck was an ex-ceptionally kind hearted women, gen-erous and neighborly. She was un-complaining in illness and her thoughts were always for the comfort of those about her.

Caught the Housewives.
People of Palatine are found of resting their weary tones on a downy bed
of feathers and resting their weary
heads on pillows filled with the same
material so when two smooth faced,
healthy looking fellows went around
to the good housewires a few glays
since offering to renovate their feathers and exhibiting bottles of down
they were readily given the ticks and
pillows to make into downy beds of
ease.

the feather beds or pillows and upon receiving same would thrust a hand in-to the feathers and in the first draw would show the owner a worm of the dreaded moth tribe. They were well supplied with these worms and well supplied with these worms and never failed to make one appear with the feathers. This was enough for the women. The feathers must be cleaned and away went the fellow to renorate them. They were taken to an empty barn which had been rented and here they opened the casings, helped themselves to a few feathers sew up the ticks with an old sewing machine they had purchased and returned the feathers. "a little short well the required with the feathers." a little short or weight owing to the refuse taken out" and after giving thanks for money received went forth to seek more victims. The sewing machine they controlled the account of the sewing machine they are the sewing thanks only machine the fellow had. After two days of business they

tunning sounded like a renovator and was the only machine the fellows had.

After two days of business they hired a livery rig, forgetting a two hired a livery rig, forgetting a two which beard bill, and drove to Arlington Heighth where they left the team, for which the liveryman was truly thankful. It won'ts extended the time but plenty will be caught just the same, whatever is presented them.

About Reached the Limit
According to prominent creamerymen, members of the Eight board of

According to prominent creamery men, members of the Eigin board of trade, butter has about reache the highest point to which it will g this season, the indications being tha the highest point to wanted this season, the indications being that the output will steadily increase from now on and the price will lower correspondingly. Dairymen say that the carcity of butter and its high price scarcity of butter and its high price is natural for the season, and they increase in the season of the seaso

PALATINE LOCAL NEWS lng, and that there is a rendy sale for all offerings. The same is true of the light market, except that from now on there will probable be an increase in production.

Mrs. Je., sen expects to move to Chicago to reside.

Remember the prize masquerade to given by Palatine Camp 6395, M.
W. A., on February 17th.

## Called Refore Judge Mack

Miss Bessle Pinney has decided to work in Chicago having secured a polition with Armour & Co.

The Court of Honor will install inferest middle some candidates, and enjoy a lunch at their meeting Saturi.

The medicine show is drawing good to be compared to the condition of the c

nour was Impossible.
It was shown that the justice ren-dered a judgment at the hour of 9 ovbock sharp.
Judge Mack eited the justice to ap-pear and show cause why he conducted his court work so promptly as to shut out the defendant. A reprimand was administered.

## DEATH OF A PIONEER

and ther death resulted from a Complete cation of diseases. Was born in Complete Com
