WAR PARTY RULES IN RUSSIA Calumet

Plan to Have Emperor Nicholas Appeal to People for Funds to Raise New Army to Drive Japanese Into the Sea.

A bold way out of the perplexities of the present Russian crists has been suggested — namely, that Emperor Nicholas travel in state to the ancient capital of Moscow, summon the nobles and leading members of the zematros around him in the sacred precincts of the Kremin, frankly lay the situation before them, publicly plodge his word for the exceution of the projected reforms and make a stirring personal appeal through them to the people loyally to rally to the support of the Russian arms and co-operate in prosecuting the war to a successful termination.

mination.

Such a personal appeal from the sovereign undoubtedly would have a powerful effect throughout the country and for the dynasty would have an advantage over the plan of submitting the fluestion of peace or war to the zemsity sobor, which some of the newspapers are again urging.

How Cannon Counts a Quorum.

Speaker Cannon counts a guorum set though it were a matter of gun play. As soon as the absence of a quorum is suggreated every muscle in his wiry frame comes into action. He lease wearily out over the desk. His garwl arm, the left, sweeps the are of a circle till the handle of his parliamentary weapon its aimed on the level of the desks. Then the speaker's eagle agglances along the little wooden stoke as it points straight at a member. He books the stick from man to man. The members sit impassive under a proceeding which is much in appearance as though the speaker, were taking a pistol shot at every mother's son of them.
