program.

The concert given by the Palatine Military band in the opera house last week Friday night drew a large audience, who enjoyed the excellent program. Notwithstanding the disadvantages of playing in a hall where music cannot be rendered to appear at its best, the band boys received hearty praise and applause for their renditions. The Misses Manda Knigze, Addie Filbert, and Minnie Hank assisted with readings, which were well rendered. The band boys have yeary reason to be concartataled on the improvement they have made under the direction of Walter Sears, who has shown his teaching adulty in the short time he has been giving instruction.
