Former Minister Is Said to Have Married on Three Occasions

WIFE NO. 2 MAKES DISCOVERY

Chicago Woman Visits Her Supposed Spouse at Milwaukee and Hears Ru-mors Which Cause Her to Engage

mers Which Cause Her to Engage an Attorney.

Milwaukee, Wit., dispatch: According to the Milwaukee police Rev. Orling to the Milwaukee of whom he has obtained a divorce. One wide, probably the first, was Susan Smith, daughter of Robert G. Smith, a Newton, P.a., newspaper man. About a year ago he married a dashing Chicago brunette at Waukegan, Ill. Early in the present month he wooed and wedded Mils Anna Lenke, 749 Twen-ty-third street, Milwaukee, who still szyrosses the belief that her husband's argresses the belief that her husband sayrosses to be belief that her husband sayrosses to be a surface of the sayrosses to be a surface to the husband sayrosses that her had been a Methodist minister, but that he had been compelled to relinquish his loved vocation on account of a breakdown of the vocal organs. While he was woolng, Mrs. Burt, whom he, accidentally met on the street one day, his Chicago go wife, visited him and spent several days with him, being introduced to several of his acquaintances as his wife. During her visit Public her had been a determined by the sayrosses which included her had married Miss Smith of Newton, but insisted that he had obtained a divorce from her.

Compliments of Father-in-Law. A letter to Robert G. Smith, father of Miss Susun Smith, elicited a reply to the effect that he much deplored the fact that his daughter had married Burt. but that such was nevertheless true. "He never obtained a divorce from my daughter," continued Mr. Smith, "Although she had obtained a legal: separation he lied."

Was Not After

had obtained a legal separation he lied."

Was Not After Money.

Upon receipt of this letter, July 21, Attorney Langley wrote to Burt in Milwaukee, accusing him of being a bigamist. At that time he did not know of the Milwaukee bride. On receiving this letter Burt told his employee he must immediately go to hope to be must firmediately go to him to be to be

Freeport, thrown into a stream, dead when picked up; Miss Gladys Brine, hurled to a bill slong-side of track, Ilved only a short time; Miss Grace Latble, daughter of Mrs. William J. Latble.

PLATT AMENDMENT IS REJECTED BY CUBANS

House Refuses to Print It as Appendix to Constitution, Holding It Was Forced Upon Islanders.

Havana cable: By a majority of one the house refused to include the Platt amendment as an appendix in the copies of the constitution which were directed to be printed for public distribution. The original proposition was to publis 50,000 copies without the Platt appendix and an amendment to include the appendix was defeated 15 to 15.

to include the appendix was defeated 15 to 18. Enrique Villuendas, until recently a moderate, but now one of the most ardent supporters of General Miguel Comez, the national liberal candidate for president, argued that the appendix was forced upon the constitutional convention by the American military government, and that since it was agreed to as a permanent treaty it was no longer a part of the constitution. Fernando De Castro of Havana, an extensive sugar planter, it is announced, will be appointed secretary of agriculture. This office hitherto has been administered by the public works department.

Fields, a member of the local bar convicted of embezziling nearly 116,000 from the Washington Beneficial Endowment association, was overruled and Fields was sentenced to serve dwe years in the state penileutilary at Moundarille, U. T. Penning an appeal Fields was released on \$6,600 ball.

TO INVESTIGATE LIFE CONCERNS

Four State Commissioners Are to Begin the Task Next Thursday.

WESTERN OFFICIALS TO PROBE

Kentucky and Tennessee Join With Wisconsin and Minnesota to Ascer-tain the Truth, in the Interest of Policy Holders.

Chicago, Aug. 3.—The big life isurance companies that have their head-companies that have their head-companies that have their head-companies to the state of the state of the represent the interests of hundreds of thousands of policy-holders in the great West.

The affairs of the New York Life, the Mutual Life, and easibly other mammoth companies, as well of the puttable Assurance Society as the due into and the true situation, whath-er good or bad, is to be unfolded to the public.

Commissioners of issuesses in the

the public. Commissioners of insurance in the states of the middle West, with those from the neighboring states of Kentucky and Tennessee, have set themselves to the task. Wisconsin, Minnesota, Kentucky and Tennessee will start the ball rolling, their commissioners, accompanied by actuaries, having planned to meet in New York city on Thursday of next week to begin business.

having planned to meet in New York city on Thursday of next week to begin business.

Meet in Chicago.

This action, news of which is likely to stir the insurance world—to say nothing of the general public that has been so deeply interested in the Equitable phase of the exposure of the able phase of the exposure of the able phase of the exposure of exposure of the able phase of the exposure of the phase of the exposure of the exposure of the exposure of the principal incentives for the determination of the western men to lay hands upon the cover and lift it high. Such distrust is not acknowledged openly, but it was declared by some of those who the exposure of the

with finance the best results cannot be expected. Hunting for the, Truth. The western officials are going hunting for the truth, and the weapons they carry will not be whitewash brushes. They will report their findings to the American people, and ultimately will publish recommendations for the correction of life insurance will that may be found to exist. A state of the correction of the insurance will be legislation generally by the saveral states that practically will amount to national supervision. Direct federal control is regarded by the various state commissioners of insurance as out of the question, in view of the decisions of the courts as to the power of the government to regulate.

Plans Are Outlined.

to the power of the government to regulate.

Flans Are Outload.

Four hours of discussion in executive seasion preceded the unanimous adoption of the proposed plan of action, which was set forth in the following statement:

"An informal conference of the insurance commissioners from Tennessee, Kentucky, Wisconsin and Minnesota believe the situation engaged in by the representatives of several states should be made without delay, and, therefore, decided to meet in New York, Aug. 10 to begin the work.

"The commissioners of the other states represented at the meeting have not yet decided to join in the examination, but may do so at a later date."

MOTORMAN IS ELECTROCUTED

Electric Car Jumping Track Causes Fatality and injures Conductor. Cleveland, O., dispatch: Motorman George Searles of Rocky River was electrocuted and Conductor James Porter of Cleveland severely injured. Porter of Cleveland severely injured, when a special newspaper car on the Lake Shore electric railway jumped the track and was wrecked near Clifton Park. The motorman was caught in the front platform. When the body of the car left the trucks and sild off on one side a short circuit was formed and he was instantly killed.

Mine Kills Seven Sailors. Stockholm cable: Seven sailors were killed were killed and eight severely injured by the explosion of a submarine mine during mining practice in the Sandham roads, near Stockholm. A boat containing the victims struck the mine and was blown into the air.

Slide for Life Fatal.

Marion, Ind., dispatch: In miking a slide for life at Rowan's Park, C. D. Curry was precipitated to the ground, a distance of eighty feet, by the breaking of a leather strap fastened about his neck and was fatally injused.

Indiana Mine is Closed.
Terre Haute, Ind., dispatch: The
Greenfield mine, west of Terre Haute,
has been closed by the state mine inspector because conditions are menatag to the lives of 110 miners.

CALUMET

HIGH GRADE POWDER offered to the consumer at a Moderate Price

It should not be confused with the cheap, low grade powders on the one hand, nor the high priced trust powders on the

other.

Fire Brigade on Autos.

Vienna, which has fong stood as a model on the continent for its up-to-date ledes in matters of fire fighting equipment, has decided to take another step and re-equip list fire brigade entirely with motor apparatus. Chemicals and hose carts equipped with electric motors have already been ordered to be a state of the step of the state o

Fastest Growing Tree.

By crossing the English walnut with the nation of the English walnut with the nation of the English walnut English the English of English walnut English walnut English was a confidence the fastest growing tree in the world. The discovery is of value commercially because it will permit of a wider use of what is now a comparatively costly lumber. In fact, Mr. Burbank thinks that the cost may go so low as to allow walnut to be burned in stores and grate fires.

Princes Materidit Popular.
The sador of dampher and helves

manor, her beautiful place in Wilbahira.

ME TOO

The "Tail Enders" That Follow Gen-ules Articles.

It is sometimes interesting to watch the curves imitators make to get the public to buy imitations of genuine goods.

goods.

Every now and then some one will think there is a splendid opening to fix up something like Postum Coffee and advertise the same way and take some of the business.

An imitator is naturally ignorant of food values and how to skillfully make a cereal coffee, on scientific lines.

lines.

Such men first think of preparing something that looks and tastes like the original, with no knowledge of how the grains should be treated to prepare them so that the starchy part is transformed properly and the valuable nourishing elements made digestible.

is transformed properly and the valunble nourtaing elements made digwatible.

Such imitations may be foisted on
the public for a short time, but the
people are critical and soon detect the
attempt, then the imitators go out of
business.

Something like 400 of these little
factories have been started in various
parts of this country in the past 2
years, and practically all of them have
gone the "long fourner." Just laiely
active the poop to make an intelligent and
the recommendation of the public has
the right to know the facts.

Postum is the one original and gesuine Cercal Coffee, made altilituity
and for a definite purpose. It has
stood through all the wars of the infitators, has won the approval of the
Physicians and the people.

Prople who wailly neces
that the same time to robuild the soft
army matter in the nervous gryses,
broken down by coffee, can rely on
Postum.

There's a reason.
