Like Flading Meney,

Pindi, 2 b. alth is like finding money—so think those who are sick. When you have a cough, tolk, sove throat or chest bridation, better act promptly. His way: "I had a terrible chest trighbe, caused by smoke and dust on my lungs, but after finding no relief in other remedies. I was curd by De. Kingto New Discovery for Consumption, Coughs and Colds." Greatest sale of any cough or lung medicine in the world. At the Barrington Piarmacy, to and 410s guarateed. Trial bottle free.

W. R. C. ENTERTAINS.

W. R. C. ENTERTAINS

Memburs of the Noble Order Dundes and Wauconda.

Dundee and Wanconda.

Thomas W. Sweeny W.R. C. of this rillage has an established reputation for entertaining guests or the public, and in thines past have received many compilments for the generous hospitality and hearty welcome/accorded to risiting bodies, but none was more justify deserved than that pronounced by Past National View Commander Minnie A Oldyard, yesterday, when she remarked: "I have been received by many corps throughout any jurisdiction; welcomed at national and safe engangements, but I cannot recall an occasion where the hospitality was so open, welcome so genuine and informal, as demonstrated by the Sarrington corps."

informal, as demonstrated by the Barrington corps."
Yesterday the corps entertained a large delegation of ladies, representatives from Dundee and Wancouda, 53 ladies being present. The regular meeting was held in Sodt's shall, G. A. R. hall proving inadequate to the occasion. Mrs. M. A. Oldyard of Washington, D. C. past national junior vice commander, who was returning from the entional enea apment of the G.A.R. at Denver, was present and delighted the ladies with a report of that great gathering.

that great gathering.
At the conclusion of the business At the conclusion of the business session the assembly escorted by the color bearers, marched ito G. A. R. hall where a tempting luncheon was served and a season of genuine sociability enjoyed until 5:30 when guests took departure for their homes.

For Sale—A 200 acre farm 14 miles southeast of Barrington. New barn, latest dairy farm improvements for 40 cows. Inquire of Miss Eva Castle, Barrington, Ill., or Percy V. Castle, 1020 Chamber of Commerce, Chicago.

An Asylum Without Locks

An Arylam Without Locks,
The asylum for incurably insune at
South Bartonville, Ill., is now without
locks and bars, the last one having
been removed by Superintendent Zeller, says a Peoria (Ill.) dispatch to the
Kansas City Sint. This is in accordance with a step long in contemplation
by Dr. Zeller, he having become convinced that more can be accomplished
by kindness than by forcible restraint.
The inmates now ealpy a large personal ilberty, and the effect has been apparent in a motable improvement in
their conduct.

Smoke like haze on vale and hill, Flames of gold and crimson brig-into life now leap and fill Field and forest with their light.

So these levely leaves I lay In my book, all gold and red; Embers for a winter's day, When the autum's fire is dead. Frank Dempster Sherwan in Amer Illustrated Magazine

WORLD'S "DOGS LIFT"

Tearists shot t's the Alps in an Riestrie Lievator.

The highest elevator in the world has
been instanced by the control of the
service of the control of the control
of the American tricit of the has into
the American tricit of the the has to
rough shroad to see the "boss lift" of
the world, says a special cable dianatio, from Lucerne to the New York
American and Journal.

To reach this remarkable elevator the
traveler takes the cog road from Kehrstign on the slyre of the lake to the
highest of the control of the rocky
side of the mountains takes you in
the control of the control

to seven. When the signal to start is
given the cage rises fon-213 feet
through a well of measure, then comes
suddenly into the daylicht, and for Street rises in a steel intirework to the
landing stage, the total assension of
coop feet being made in less than three
hrounts and the landing stage an open gal-

landing seems and the set than three colors feet being made in less than three colors. One feet being made in the Linux bey leads to the animal of the Linux bey leads to the animal of the Linux bey leads to the animal alone the see level. From this point a glorious view is had of the lake, of the Four Cantons and of the Alpa of Url and Unterwald.

The elevator eage is lifted by two steel cables and contains an arrangement by which, in the event of the next by which, in the event of the meant by which, in the event of the point prover being interrupted, it can be found that the contained by the service of the starting point, For those who re the starting point, For those who can be set that the contained to the starting a steel lander has been discussed in the short of the starting and the contained to the short of the starting and the contained to the starting a steel lander in a beautiful along the whole length of the short.

WORM WITH FEATHERS.

Has a Pelsoneus Bite, Too, as Many Aorth Carollisians Can Testify,
A feathered worm has raide its appearance in different parts of North Carollia, and a number of people have been made very ill by its bite, says a special dispatch from A-herlite, N. C.

The insect is not unlike a white earth, worm, but has a covering of brown down, similar to that of a young bird, its bite is so pelsonous that in a few seconds after receiving the woman they will be a second after receiving the woman they will be a second after a second after second and they are they would be a second after a second after second and they are they would be a second after a second after second and they are they

bite.

The worm feeds on maple trees and rosebushes. Its presence on the latter accounts for the number of women victims. No one is able to classify the insect. Several specimens are being prepared for shipment to Washington for examination to establish its identity.

GOOD NIGHT KISS SIGNAL.

Trolley's Hell Rung For a Mile So
Young Men can Cated Last Car.

Apparently uncalled for clanging of
the gong for a whole mile through
Main street by the motorman on the
electric car which leaves Winsted,
Com., at 10:20 p. m. for Torrington has
led to the discovery that it is a signal
ted to the discovery that it is a signal
ted to the discovery that it is a signal
who commity Torrington young men
who commity Torrington young men
who commits Torrington women to
stop lovemaking if thome, says a period
dispatch from Winsted, Com., to the
New York World.
A carload of Torrington woors come
to Winsted nightly to call on sweethearts. The changings of the motor
held are more reliable than most clocks.
The lover's signal is a missance to the
editizens, however, and unless it is stopped some threaten to petition the board
of wardens and burgesses.

of wardens and burgesses.

Welf Plaking in Indian Territory,
Wolf hunting is a new sport in the
Arbuckle manntains, Indian Territory,
and seems to be growing in popular fators, says the Kansas City Journal
This scheme was introduced by Keaton Bryan and J. R. Dickson, the
"mayor elect" of Turner Palls. The egentlemen conceived the idea of baitling a large fishhook with fresh meat
suspended about three feet from the
ground, secured by a strong wire. They
placed eight hooks on swinging limbs
one night and next morning went out
and found one large gray wolf find a
massiver lobe. These works were shot

Automobile Pillows.

Although the art of being comfortable is not peculiar to the United States, American women seem to be remarkably proficient in R. says the New by Newport make and marrameter of the New by Newport make and marrameter of the Newport make and marrameter by Newport make and marrameter by Newport makes and marrameter by Newport makes and marrameter by Newport makes and when the post after what farts" they recline not only on the soft leather cushions with which the seafs are upholstered, but also on the soft, slik, downy affairs which might be a part of a cosy corner, but which now are observed in the newest motor cars. As society cannot endure anything that smacks of discomfort, it is at present culogizing the inventive genius who thought of fitting up automobiles with pillows.

Matthing Collars and Cuffa New.
Winsted (Coun.) people are sending
laundered collars and enfit through the
mails instead of souvenir postal cards,
says a Winsted special to the New
York World. The address is written
on one side and generally a few lines
on the other. Postmaster James P.
Giynn is expecting next to get a white
shirt with the bosom stamped and addressed.

CHINA'S REAWAKENING.

Coming Nation of the East, Predicts Rev. Dr. T. Richard.

SOON TO OUTSTRIP JAPAN, HE SAYS

Future Disadeled.

"China is bound to be the coning nation of the east. It will soon be alread of Japan." This is the prophecy of a man wich has spen thirty-six of a man wich has spen thirty-six by the state of th

T. Hichard, with whom I had an interesting conversation recently in London body. Were staff.

"China will be giveter than Japan within half a century," the dector declared, still in productic well. The past bittery of China, considered with the remarkable movements now maturing the control of the control

"What I feel is that unless the nations of Christenion begin at once to
act justly toward chim the day may
come when thins may indice a terrible
