A harvest picnic will be given by Wm. Bickness at his new Lake Zurich picnic grounds and pavilion, located on the shores of beautiful Lake Zurich, on Sunday, Aug. 18. Dancing will be the order both afternoon and evening, the famous Jallet orchestra furnishing the music. For the picnic the Palatine military band has also been engaged, and a good day's outing will be the lot of all who attend. Spend the day at Lake Zurich.

Did you ever stop to think how much kinder, more Christian-like and diplomatic it would be to tell strangers settling here of all the good points concerning the town and our people and to refrain from presenting all the evil to their minds? Everyone who comes here to stay is seized upon by those who have lived here longer and told all the scandals, sorrows and troubles of every family in town, so that long before the stranger knows people by sight, he or she knows much of their private affairs, or affairs which are supposed to be personal and private, but which are public property? Perhaps the stranger would rather not listen, and only does so not to offend you? Perhaps he would prefer knowing people as he finds them, instead of by their past lives. "Charity covereth a multitude of sins," so have charity in your hearts for the shortcomings of acquaintances and old friends, and make it a point to say good and kind things about people, especially to strangers. Life is hard enough for many without you helping to add a little heavier burden.
