It will soon be time for Uncle Ma Twain to exchange that winter wh suit for a summer fur overcoat. pays to advertise.

Henry James says he never heard n American woman say "thank you." hen, doubtless, Henry never earned hat little reward.

coording to a physician, an ugly e indicates a large brain. Not resarily. It may indicate lack of behind the bat.

Probably that Wabash minister who as dedicated his seven hundredth aurch has not had time to notice the lieged decline in religion. We don't know whether it is true or not that the robins are beginning to worry for fear the cherries this year won't be ripe as soon as usual.

The next king of Spain will be for-made in taking hold of a government hat has begun to think about the uture instead of dwelling in the

What a sad waste of money the sub-marine boats would have represented if it had been discovered at this late date that their crews could not live in them!

Having tried the whipping post. Baltimore does not like it. There are very few cities in the country whose social conditions are so desperate as so demand such a remedy.

Sure enough, there are strained rela-tions among the little republics of Cen-tral America. If one of them speaks above a whisper all the rest of them jingle the burglar alarm.

Farmers who were mad because they could not get cars to haul their wheat to market are glad now that they were compelled to keep it till the price went sky-rocheting.

In 1897 the Greek emigrants to the Inited States numbered only 57. For he three years 1803-45 the total was 6,000, and for the fiscal year 1906 the umber had risen to 23,000.

The British barmaids will next pro-seed to storm the house of commons or their preservation. The chances are that they will be less fervently re-isted than were the suffragettes.

Mauser rifles have been made by their inventor much more deadly than before. Possibly he has been grieving over what they didn't do to the Amer-icans during the war with Spain.

St. Paul doubtless requires the women to keep silent in the churches so that there might be one spot where the man might keep his vocal powers from being eliminated through dis-

ulise.

If Editor Stead can secure peace by persuading American young men to raise \$1,000,000, his method must be credited with being less expensive by far than the old-fashioned method of fighting for it.

ighting for it.

One of our cities is cleaner than it
used to be. On the waste-barrels
which stand on the streets is painted,
instead of the bald injunction, "Throw
rubbish here," a winning request,
"Please help us to keep the city clean."
Citisens have been seen to read that
sign and walk back half a block to
pick up a banana skin.

pick up a banana ekin.

Most people are not familiar with the sight of a woman moking ecigar, but the old Indiana woman whose smoking offended the guardians of the St. Louis Union railway station was probably not far wrong in saying that a woman looks better with a cigar in her mouth than when ash is chewing gam. Certainly she could not look much worse.

gum. Certainly she could not look much worse.

The American government has been keeping house for Cuba while the mistress of the house was sick. Now that the temporary caretaker is preparing to leave, it has been decided penticular will have to pay the expendence will have to pay the expendence will have to pay the expendence of the company of the property of the

ornadoes Also Work Disaster rious Southern Illinois To and at Pleasant Valley, lows.

lowa.

Louisville. Ky.—Twenty-one deed, the village devastated, and several thousand acres of growing crops ruined is the sum total of the havoor wrought by a cloudburst that descended on Gradyville. Ky., and vicinity Friday night.

The disaster was due to the erratio behavior of Big creek, ordinarily a small stream, but which was already awoilen by recent rains. When the cloudburst precepitated three inches of rain in an hour on Gradyville and vicinity the creek leaped from its bed and took a new course with the impetuosity of a tidal wave.

train No. 6 on the Texas Pacific was
wrecked near Edgewood, about 40
Black, chief mail ciert, was probably
fatally injured. Many others are repoirted to have received minor inturies.

W. H. Hemenover, Canton, III., Dies. Canton, III.—William Hart Hemenover, 58 years old, formerly mayor of this city and twice judge of the city court, died Monday.

## SIX MIDDIES ARE DROWNED

LADS FRESH FROM ANNAPOLIS DIE IN HAMPTON ROADS.

Grew of Five Also Lost—All Be fleved to Have Gone Down with Missing Launch.

Missing Launch.

Washington.—The loss at one time of aix bright young midshipmen, fresh from the academy at Annapolis, and a boatswain and four enlisted men attached to the big battleship Minhesota—Il alfocether—as reported bright to the navy department Tuesday, was one of the most serere blows that has fallen upon the personnel of the navy since the Spanish war, in the estimation of the officials.

The first news of the calamity reached the department through dispatches from Norfolk. In the evening Admiral Evans sent the following dispatch:

Admiral Evans sent the following unpatch:

"A ditty box belonging to freman of the Minnesota's missing launch has been picked up afont near borth 37 and I am forced to conclude that launch with all on board is lost. Have ordered board of investigation. Steamer last seen at exposition pier about midnight hast night."

Because of their youth and very Because of their youth and very

MRS. EDDY TO BE EXAMINED. Court Will Name Master to Dete Her Competency.

Her Competency.

Concord, N. H.—The defendants in the suit brought by the "next friends" of Mrs. Mary Baker G. Eddy, the aged head of the Christian Science denomination, asking for an accounting of Mrs. Eddy's property, were successful in carrying a point Monday when Judge Robert N. Chamberlin, of the Merriman superior court, another than the Merriman superior court, and the Merriman superior court and the Merriman superior competence of the Merriman superior competence of the Merriman superior competence of the Merriman superior court in the suit for an accounting of Mrs. Eddy's property was not brought by her son, George W. Glover, of Lead, S. D. and the others who appear as the instigation of a New York were paper which has been trying to discredit Mrs. Eddy and her religious teachings."

paper which credit Mrs. teachings."

NICARAGUA BEGINS NEW WAR Bombards and Captures the Salvado

rean Port Acajutia.

Mexico City.—Hostilities have broken out in Central America. A force of Nicaraguana, assisted by Salvadorean revolutionists, captured the port of Acajutia, Salvador, Tuesday morning.

This startling news came to the capital Teseday evening in the shape of a telegram from President Figueroa to the Salvadorean insilater to Mexico, Manuel Delgado.

The Nicaraguana, on board the gunbaat Momotombo, bombarded the fort and then landed troops. The town is now in the hands of the Nicaraguan general Manual Rilwas. It is believed the objective point of the expedition is the port of San Jose de Guatemala and that President Zelaya of Nicaraguana galactical declared war against Guatemala.

mais.

Rules Against Mrs. Birdsong.
Jackson, Miss.—The supreme court
Tuesday delivered its decision in the
case of Mrs. Angie Birdsong, charged
with the killing of Dr. Thomas Butler,
at Monticello, on December 22, 1904,
affirming the sentence of five years in
the penitentiary. Immediately after
the decision of the court was made
Gov. Vardaman granted Mrs. Birdsong
a respite, which will act as a stay of
execution for 30 days, in which time
she can arrange and have published
her petition for pardon, as the law requires.

Dies in His King's Presence.
London.—While King Edward and
Queen Alexandra were in attendance
Tuesday night at a gala performance
of the opera, with the king and queen
of Denmark as their guests, Maj. Gen.

Another Tornado at Duquoin.

Duquoin, III.—A tornado passed
over this section Tuesday night, doing
heavy damage. It is reported that
there has been loss of life.
