BARRINGTON, ILLINOIS, FRIDAY, JULY 12, 1907

\$1.50 A YEAR IN ADVANCE.

State May Take Over County Patients and Provide for Their Treatment

Springhed, III. July 36—There the administration of Governor the case of a consequent in growing the consequence of the process of succession of the consequence of the process of the consequence of the c reduce the demand upon the tax-payer.

Bartonville a Curstire Hospital.

This new law, furthermore, changes the policy of the state towards the chronic insane. The large institution at Bartonville was established to ca is for the chronic linsane of the state, surrance to that institution belong by a roundabout way from the other states and the conditions and only of the conditions, not only in Illinets, but in other states, showed that it was impossible sever to collect all or the chronic insane of Illinois on the restricted hilling of Bartonville. There are 2,000 chronic insane there now, but there are 9,000 sexolid chronic insane in Illinois in public institutions that the state of the condition of the state of the condition of the condition

NEW CARE FOR INSANE travelle district, but, in the future, to take only those at Bartonville who PALATINE LOCAL NEWS take only those at Bartonville who rebate in two district assigned to that religious to the religious of the religious way in the religious way in the second and the religious will be estimated all means patients will be estimated all means patients will be action of the patient separation from relatives for long periods will be a thing of the past so far as the state service is concerned; and frequent visits sin be made at comparatively small expense.

made at comparatively small expense.

Education of Institution Physicians,
The legislature provided for a base
trail institution of instruction to be occated at Kankakes. This institution
will be under the direction of a man
who has made a successful study of
mental and nervous diseases and who
is familiar with the scientific liburaltory work used by the foremost men
in the world in the study and treatment of insanity. To this institution
the physicians of the other state hasplated will go for instruction. Each
institution also will be firsted out with
a scientific laboratory. As a result the
medical administration and service
throughout Illinois will be made
equal to that in the best public and
rivate hospitals in the world. It is
in institutions of this character that
new things are learned which cure
discusses that previously faithedscience.

TELLS HIS STORY

M. C. McIntosh States His Case in the Waukegan Gazette of

The Wankegan Gasette of July whe published the following articles:

"The village of Barrignon, in south-western Lake County, is quite stirred in over a sensation-which includes charges of forgery, the unlawful possession of valuable papers, the recovery of certain valuable notes, etc. The Melntosh family, one of the best known in the village are the insterested persons and the matter comes up for a hearing tomorrow in the probate court, Chiego, when it is expected ed that sensational evidence may be developed.

M. C. McIntosh an attorney, well known in Wankegan, is one of the interpretation of the control of the county of th

What They Could Do If They Would.

What They Could Do If They Would.

The "Rest-Room" idea in Oskaloosa, fowa, originated with the woman's club of the place. IA delegation had visited the flow, council and seared an approfusion and an attractive basement room in the town building. "I do not know the division of expense but between the club and the council the matron had her wage, the room the tested of the council the matron had her wage, the room the seared, supplied with literature, growing plants and clean liben, and sot only the farm women but the girls from the telephone office, and is from graphers and clerks, had their place of meeting. Here they could wingo that sociability which is needed for the Christian digestion of a meal Air regression. The plants were productions of masterpieces. The books were good enough for the best to read. The craftle was dainty enough for anybody's loby. It gave me, a sojourner, a very friendly feeling. If not only rester, but you have a much most to the point, it watmed the cockles of my heart. If fancy that the woman's cubes, which have, and realize that they have, ion little connection with reality; of more to them. It's a plece of benefice a distinctly feminine order And town could have its very larger want the three three the woman's cubes.

Drewned in Fox River.

Drowned in Fox River.

Edward Powell of Cary was drowned in Fox River Thesday afternoon near Basswood Island northwest of John Allen's farm. He had gone dishing with two Chicago men. Eater, starting home alone, it is bupposed that he was intotasted and drove his horses, into a slough, that in trying to pull out of the mud they throw Mr. Powell out of the ring and escaped. They were captured by a farmer who took them to Cary. The Chicago men found I'weell dead, lying in about twelve inches of water. John Allen took the body to the Allen farm. Supervisor Mr. Y. Lamey sent for Dr. Taglor of Liberty-ville, county corner, and was held Thursday aftern wealth of a Cart. It is morning. Mr. Powell was morning wender of a contract of the county corner of the trying and about 50 fears old. He was beyn on the fold Royers farm on the river graft lived in that vicinity all his life. He had no relatives around here.

New Eighth Grade Room.

At the last investing of the Board of Education it was decided to equip the unfinished south-east room on the second foot this summer in preparation for occupancy the next sefood year-by, the eight grade which will be taken from the high school assembly room. Miss Hurbbut of Chicago was regarded as science teacher in the high school at a salary of \$5.00 a month. She has graduate of Smith college. It was also decided to engage another grade teacher who will probably be in charge of fourth grade work, as there is an inconvienent crowding at present in the fourth and 6th grades.

Population Decreasing.
