Itching, Bleeding Seres Covered So Nothing Helped Her—Ceticura Cures Her In Five Days.

"After my granddaughter of about a seven years, had been cured of the aneanes, she was stitcked about a fornight later by a furious tichais and patnul eruption all over her body, sepecially the upper part of it, forming watery and bleeding sores, especially under the arms, of considerable size. She suffered a great deal and for three weeks we surred her every night, using all the remedies we could think of. Nothing would help. We tried the Cuticura Remedies and after twenty-four hours we noted contiderable improvement, and after using only one complete set of the Cuticura Remedies, in any consecutive days the little one, much to our joy, had been entirely cured, and has been well for a long time.
