ILLINOIS PROPERTY VALUES.

Results of Work by State Board of

Equalization.

Springfield, III.— The state board of equalization, which has been in season ten days after the limit allowed by law, adjourned Wednesday morning. The report of the railroad committee shows a total assessment of railroads in, illinois to be about \$100,000,000, an increase of \$5,000,000 east than the assessed valuation for 1906. This is explained by the fact that the tangible stock of Cribeago corporations has been assessed at a much higher valuation by the local assessors than last year.
