Zarrington Zeview. WOULD MODIFY LAW

M. T. LAMEY, Ed. and Pub. BARRINGTON, - ILLINOIS

Great opportunities exist in Spair or American farm implements.

Among flowers the chrysanthemur is said to live the longest after being

Every father of seven or more children is practically exempt from taxation in France. on in France.

With a big deficit in her budget apan is not yearning for war at the

Japan is not yearning for war at the present moment.

Raisult is a hard man to Rill. A face man to Rill. A face the face of an ordinary man long ago.

The collection of anthropoid apes in the Regent's Fark Gardens, London, is the finest ever brought together.

A lecturer asserts that American abbies one because they are overfed. How in the world did he eyer find out:

A Columbus, O., man saved his life yellinging to a mule's tail. The gravards are full of men who tried this ethod and failed.

method and falled.

One firm of four mess having their headquarters near the Illinois rives gather 1300,000 worth or petia every year, which are sent to Europe.

A Philadelphia doctor says now that it is whistered men that make the must have a friend in the setting rance wous. He must have a friend in the setting rance business.

Freed in the safety rance business. Chae exported \$1,859,052 worth of tobacco, \$965,310 worth of eigrars, \$24,40 worth of cigareties and \$11,855 worth of out tobacco in March, 1908. There are 300 paint factories in this country, making over 100,000,000 gallons of paint a year and the business paint of the paint a year and the business of the paint a year and the business of the paint and t

aclities.

If the matter were to be put to a otes of males between 10 and 20, the chools would be closed and all mathematical problems would be worked out n score cards.

Depositors of a busted Japanese bank have formally requested the president to commit suicide, whereas in this country the depositors are ex-pected to do that.

pecied to 6 that a well-known football player is suffering from the effects of overstudy. This sounds except the suffering from the effects of overstudy. This sounds except classes with the nature fakes. Gold fass been discovered in the Philippines. Those islands may red called "Seward's Fully." But it is one of the finest investments any country ever made.

A young man in New York was arrested for kissing girls on the street, but explained he kissed them because seeing so many pretty girls set him crazy. What a wave of osculation would strike Baltimore, exclaims the platimore American, if the number of pretty girls turned masculine heads

like that.

France is confronting a serious problem in the excess of the death rate
over the birth rate. It is more than
a national—it is a world tragedy for
a nation so conspicuous in history
and in romance, in poetry and gallant
over the birth rate is a present to be compelled to face, we rememberly, the prespect of dying out.

pect of dying out.

A foreign nobleman who has been visiting in this country says that American girls are foolish to marry for titles, as the tittled hashands are no good and do not represent the best to this out for information, after the set titled fortune hunters themselves have been doing everything in their power to publish broadcast the same knowledge.

A new German law provides that the German language shall be used at all public meetings in all parts of all public meetings in all parts of tematic effort to bring about the Ger-manization of Alsace, German Poland and the Danish districts of Schleswig-flected. The number of people af-fected is about 4,500,000. Language to the control of the contr

le Mr. Bryan Quite Sure That His Own Skirts Are Clear.

Now that Mr. Bryan has got into the limelight on the subject of publicity of campaign funds as one of the "leading candidates" a few facts are coming out. Discovery has been made expensively a subject of the coming out. Discovery has been made to be present a subject of the company of th

IN LINE WITH HIS PARTY. Bryan's Limitations Are Those of the Democracy.

While the common creed with respect to William Jennings Bryza contains a clause relating to the unwerted ing honesty and transparent sincerity, there are some modifications of this followers. At man membership at the virtues is rarely discovered. But while the honesty and sincerity of Mr. Bryzan are still secure from severe assett, there is another limitation that the virtues is another limitation that seem that the severe as a seath, there is another limitation that a big and the secure of the secure

speech.
But Mr. Bryan is as well informed
as his party. They together repre-sent the perversion of national ex-perience and the denial of the obvious. DUTY DEVOLVING ON STATES.

Properly Fulfilled, Leaves Little Need for Federal Interference.

for Federal Interference.

Inbedded in Secretary Wilson's gralifying report as to the efficiency and adequacy of the federal meat inspection is the following valuable though not novel hint:

"Much of the responsibility for the "Much of the responsibility for the advanced between much assumely by the individual states. We cannot touch plants which one transact interstate business, and with tuberculosis on the increase every precaution against its increase every precaution against its laken.

"It would be well if some of the "Its would be well if some of the second content of the second co

taken. The market must be taken.

"It would be well if some of the states would pay greater attention to this branch of public protection. Such an increase of caution would aid material works and the states would pay greater attention." Secretary Wilson's words ought not to need such painful emphasis, and yet a good many men throughout the country who are so much starmed at country who are so much starmed a recently may need something as entered to the country who are so much starmed a recently may need something as entered to the country who are so much started powers to their than dropper extent. May few appeals to the nation will be necessary, Furthermore, nueses the state does its duty the fullest exercise of the fed-rail power will not fully protect the individual.

Appropriations Not Excessive,

bambal a candidate for presidential power will not fully protect the art "leading candidates of our respective parties"—is more up to date and perturbation of the expeditures of candidates. The communication of the expenditures of candidates and for dections of the most control of the protect of the prote
