CHAPTER XXIV.

CHAPTER XXIV.

On the Road.

The wrong boy!

For a moment I could not understand nor believe; and when the meaning of the words came to me I ground in mental darkness. But in a dare I mental darkness. A country of the words came to me I ground it me to a standard and over all came the prolonged growl of a wolf-voice, hourse and shaken with anger. There was a vision of a wolf-voice, hourse and shaken with anger. There was a vision of a wolf-word thing above the outline of faces a fow yards away, the wolf-head rising above the outline of faces a fow yards away, the wolf-word of the word of the wolf-word of the word of the wolf-word of the word o

"Dam you!" he gaped, string, foreign at me. Two been waiting for you in the property of the pr

we get you here the parlor was full often summer and Brown was missing. We found you was cut, and we've tried to fix you up."

I looked at my bandged arm, and put one more count in the indictment against Terrill. He had tree to the summer of the summer o

"Well, I want him got out of the vary."

"That's eary," said Broderick, with a diabolical with of his one eye. "Till have him change places with me."

"Good! How many men are here?"

"You don't need to know that here's enough to burry our."

"There's enough to burry our."

"There's Meeker and Terrill gone".

"Tom't He's in the next room lends it he git he will be git and the the did man. Well, I can't stay seabblu' any longer, or I'll be lought, and then the divil himself couldn't save me."

I shuddered at the thought of the "old man." and the shadow of Dodd How and the hadow of Dodd How and the heads with the hadow of Dodd How and the heads with the hadow of Dodd How and the heads with the hadow of Dodd How and the heads with the hadow of Dodd How and the heads with the hadow of Dodd How and the heads with the heads with

can't wait here."

Thave it," said Thatcher. "By hard riding you can get to Niles in time to catch the freight as it goes up from San Joss. It will get down in time for the first boat. If that's "Good! How far is it?"

"Good! How far is it?"

"We call it is miles—it's over that by the road. There's only one nasty bit. That's in the canyon." If think we shall need the pleasure of your company," is said.

"It was the sand of the said of the said. It cyed the beasts with some disfavor. They were evidently half-mistang, and I thought undersized for such a four-or, But I was to learn before the night was out the virtues in the said of the

track. We'll breathe the horses is bit."

The beasts were panting a little, but chaffed at the bits as we walked them and tossed their heads uneasily its head to be been also be been and tossed their heads uneasily its head to be been and to see that the politing of the storm of a faith ablice came from be hind us. I was not alone in the hind us. I was not alone in the thought.

"The dern fools!" said Fitzhugh. "They want a long chase, I guess, to go through the country yelling like part of the beautiful to be the see that the country yelling like part of the beautiful the country yelling like yelling the part of the beautiful the country yelling like yelling the part of the beautiful the country yelling like yelling the part of the part of

Reducing Cean Record.

The first steamer that ever crosses the Atlantic took twenty-four days it make the Atlantic took twenty-four days it make the titp, and the early boats of the Cunard line, organized in 1840, made the transatiantic trip in four need any, or in about the same time as the best of the clippers of the linek Ball and other lines. In 1861 the salling ship breadnought made the passage in nine days and the passage in nine days and the passage in nine days time be nearly two decades since the five-day ship game upon the scene, and ewas chip the record has been lowes ed by hours rather than by days.

Imaginary Holidays.

I know a man who cannot atrord to travel, and yet has a delightful way of deceiving himself. He learns about the coat of traveling, the proper clothing to he worn, gets a time table, and arranges excursions to reads about read to book of travel. To the man with imagination it is a capitrating occupation.—Hearth and Home.
