tion at my shop, in running order a Mil vankee four roll

Gorn Husker Bull Dog Grusher and Grinder Gombined

at Crown Point, Indiana, both machines operated

by my gasoline engines. The Milwaukee husker is noted as being the easiest running machine manufactured and does work that cannot be excelled. The Bull Dog feed mill I work that cannot be excelled. The DBH log leed with the know to be the lightest running mill on the market and—it has many advantages over the ordinary mill which you will upickly appreciate once you see it. I also have on hand all size of my gasoline engines, from 2 to 15 horsepower. The merits of this engine are a well, known that I merch no comment. I will be glid.

Gome in audiet me show you the machines in operation
