M. T. LAMEY, Ed. and Pub. BARRING FON. ILLINOIS SECRETARY WILSON DISCHARGES Keep off treacherous thin ice! NMENT SERVICE

In the real big stick a sugar stick? It is time to call in the openwork ITS DONE BY TAFT'S ORDER

Day Session of Cabinet—President Says Deposed Officer Had De-stroved His Usefulness. Would the use of stovaine make one indifferent to the cold weather?

In running a school or in curing dis-ease the fresh air is immensurably better than hot air Washington should have pure milk-not that it makes much difference

Brazil and Sweden have signed an arbitration treaty. Now all they need is something to arbitrate.

It is a pity that the white plague ontlines to stalk abroad when there is so much fresh air at large.

The world certainty is growing bet-ter. The number of people who write it "Xmas" is gradually decreasing Having led the world in a tour cound the globe our navy is now coposing to lead in development at

The idea of putting in meters to measure telephone talk is good, but will it be possible to devise meters that will stand the strain?

Twice nothing is nothing, but that rule does not apply when it comes to figuring on the temperature that is twice as cold as zero.

Cornell university says there are to be no more bables after 2059 A. D., and dealers in baby goods will have to m.ke bay while the stork files

Philadelphia scientists say that the missing link has been discovered in the cultured chimpanzee. As an alter-native we suggest the giver of monkey dinners.

An Oblo authority says that drunk-erne i is an evidence of insunity. It if que e generally agreed new that it is a di ense, but we still continue to treat it legally as a crime.

II : Yale alumnus, who offers a re-rar of \$100,000 to the person who lee vers an adequate remedy for tu-er, tiesis, evid-nity does not accep-be theory that fresh air is a sure

here is no doubt that when King tave lays down the shipwright's fe or the shoemaker's and and re-cest the regal scenter, he will do so h an intimate knowledge of indus-al conditions which he could not we obtained in any other way

A Yale graduate has offered a prize

A Yale graduate has offered a prize of \$100,000 for a cure of consumption. The reward may stimulate effort, but in justice to those who hanks it their life profession to investigate disease it must be said that the ultimate good to humanity has proved the greatest sput to scientific discoveries.

reigning severeign.

Metico stands squarely by the United States in that Zelan business, agar-Troy Times. Our sieter republic is entirely aware of the trouble-making character of the man who is trying plan and has a full where of anno-plan and has a full where of anno-mate from the conditions in that neigh-boring country. Mexico has learned what puere, order and material devel-opment mean and has no sympathy with the Zelayan a kips of cannaker

The enthusiant who proposes an au-tomobile boulevard all the way from the Atlantic to the Pacific coasts, with possible boundary of the property of the 'y omitted to specify a hospital in-serted exactly between road bouses.

A punishment to fit the crime was that inflicted on a grocer 1: a Penn-sylvania town who was compelled to eat eggs alleged by a costomer to be bad. It is safe to say that in future segs in that town will be sold only in a state of pristine and unimpeachable
