## REVIEW BARRINGTON

VOLUME 26, NUMBER 12

BARRINGTON, ILLINOIS, THURSDAY, JUNE 23, 1910

## FINISH HIGH SCHOOL

deserves the fun which marks the close of their Barrington school days. The junior banques on Juse 15 in the library of the school was a stody in green and white foods, flowers and decorations; a july bour preceded the upper in the assembly room where games were played by teachers, sensing the school of the s

mt, especially to those in school the racle who forecasted the future

Lake Zarich by the score or 13 to 1.

The Lake Zarich giris ought to be given credit for their work tag day \$37.21 was collected. The tagers were Emma Schater, Lydia Hokemeyer Mrs. Ellisco, Edna Prusia.

M. T. Lamey was a pleasant called

John Revenue and measure of the Month of England who was howeld at the stake in 1500. A better for Mrs. Westers, Rev. Louest Rogers, a work of the Month of the M

Instituted in the Control of the Con

How to Fight the Flies

through Lake Zurich and a mass meet mg will be beid there tonight. People usually amile when the longed for Wacconda railroad is men-tioned, but the prospect looks decided by rosy this time.

A son was born to Mr. and Mrs. John Wolf of Chicago Highlands on Wednesday of last week.
