is it? I challenge all history to show its equal as a combination, or as a monopoly. It was just the sort of concern that congress had in mind when it legislated against combina-tions in restraint of trade. It was its trust agreement that was copied in all other trust agreements that led

ing the corporation, and like Mr. Mil-burn be gave a history of the Stand-ard Oil Company, but it was an en-ritely different history from that pre-sented by the corporation attorney. "Mr. Millorin says that is compet-tion," he said after citing evidence to show how the Standard had driven its competitors from business. "I admit it was competition, the flerest kind of competition list I deny that the unrais of this country are so low morals of this country are so low
