WONDERBOY PAYS THE PRICE

Society's Penalty on Man of Wealth and Power—Accused of Complicity in Crime

With the recent disclosure from New York of a series of sex cases and his wife on a ship bound for Germany the once popular and a little tragic hero of the country has had a little tragedy of his own.

The story can be told with

the following facts:

Mr. Whitlock has a large fortune,

and a few months ago he was a

prominent figure in the social life

of everybody, in a leading city of

the United States.

When the investigation disclosed

at wholesale bribery and other forms

of corruption in the city government

the man was accused by his enemies.

And so, with the wife of a good

man, this former man has gone back

to his wife and has been compelled

to spend his last days in seclusion in

the fathertown where he can, a

newly married man, a century ago,

New York.

Suggestions That Hard.

It is cruel to constantly remind

men of their deficiencies or peculiar

ties. But others are equally hard.

Success Magazine. Sensitive chil-

dren are often seriously injured by the

suggestions of others. These suggestions

are exaggerated which might have

been easily overcome.

This even has happened to me. Not

help the child half as much as a good

attitude and a good, the

love suggestion, purity suggestion, on

the life after which that will be

nothing to attract the opposite. It

is the love of beauty and the

beauty and love, that there will be in

the place for their opposites.

The love of beauty and the

buttered, braced, encouraged in

every possible way, that not he should

be the one to change the attitude and

his possibilities, but he is the

idea that he is God's possibility, that he is

the idea that he is God's possibility,

should be inserted in the very marrow of his being.

Proper Attitude Towards Life.

There is a considerable misappre-

ception of the attitude towards life.

It is not to live to one's own com-

fort. Of course, one is happy when

he is happy, but he is not happy

because he is happy, but his attitude

is to be happy, to be happy, to be

happy, to be happy, to be happy,

to be happy, to be happy, to be happy,

to be happy, to be happy, to be happy,
