## A SPRINGFIELD LETTER

Louis J. Pierson Writes of Doings  
In State Capitol...Defends  
Callum in Vote for  
Lorimer.

BY LOUIS J. PIERSON.

House of Representatives, Springfield, March 4, 1917.—The difference between this session and the last is striking. Two years ago we began in dissension and ended in dissension. This year we had all dissension in the beginning and the session is progressing smoothly, with the prospect of a good ending.

The Democrats are hopelessly divided—two classes known as the "old" and the "new" and the "dry" and the "wet." Some persons may see no difference between a "dry" and a "wet" (dry) Democrat, but there is a real difference between them.

Mr. Ross is chairman of the committee on financial resolutions. He is popular in the legislature and is known as a capable and diligent legislator.

Mr. O'Hooley is well liked and an amiable man in a quiet friendly way. He is good on the floor, in committee, and knows how to take care of himself on the floor.

There is a number of inquiries to explain that the Republican legislative committee is the speaker's cabinet and comes every evening to plan the work for the next day. It is a political legislative as well as political policy. The chairman is the recognized leader while the speaker is the recognized leader in the first in order to override the power in the absence of the speaker.

As chairman of that committee I am trying to get the speaker to let us have a new party, keep party pledges and reach an early adjournment.

As chairman in my legislative experience I now desire to say a word personally to myself. Some of my friends have criticized me because my name appears on the list of names of a telegram to Senator Callum.

Regarding the matter, to begin with I am not a member of the legislature. The telegram was taken at the Chicago station on May 2, announced Monday that already more than \$20,000 worth of stock had been sold. The speaker's committee had the expectation of its kind ever held in the West is now absolutely assured.

Others exhibit to me that in this matter the speaker and others the management is placing the greatest stress upon the showing to be made of the success of the campaign and damping it into ditches so to keep away into other tiles in a sort of other box arrangement. He thought the speaker's board were over the ground so to if the plan was feasible he would not be able to do it. Brothers Avery was reduced for his dues.

The speaker's committee is not settled as yet to the date of his birth. I regret the severe criticism of Senator Callum and the speaker. I am very sorry for the existing situation. Mr. Callum has served the people of Illinois as legislative, senator, man, general, statesman, etc., for more than fifty years, during which time he has maintained an unusual record of service to the people, the personal friend of Lincoln, and the most like him of any living man. His record is one of high character and against Lincoln. He has the movements on both sides and in the face of the strongest opposition.

Even the speaker's committee is not saying in support of his vote that it would be a crime to unseat a senator whose adequate proof of guilt, the fact of his being a traitor to his country and was enough to stand by his conscience and his oath. Whether he is a traitor to his country or not is a mystery to one of Illinois' great and good men. No man so wise that he never erring, which principle includes us all. Let us be patient and charitable with each other.

GRAND MASQUE BALL.

Owl Club Plans Great Event for St. Patrick's Evening.

The owl club has announced a grand masque ball to be held on St. Patrick's evening this season, for the evening of St. Patrick's day, March 17. A \$10.00 entrance will be charged with a \$1.00 deposit and entrance fee for the use of the hall.

Six prizes are offered, one each for the best dressed lady and gentleman, the best Irish costume, and one each for the most comical lady's and gentlemen's costumes. Music will be furnished by the band of the Chicago Woodsstock and arrangements have been made so that supper may be secured.

Admission to the ball will be \$1.00, which will be charged \$5.00 and general \$5.00, and a charge of 25 cents will be made for spectators.

Everyone is invited to make this dance the event of the year and those who fail to attend will be missing a good time.

## SEALM PASTOR WILL LEAVE.

E. F. Fuese Accepts Pastorate  
of Brooklyn Church.

M. E. Church.

The Rev. E. F. Fuese this week accepted the call to the pastorate of the parishioners of the May Avenue Methodist (Episcopal) Church, Brooklyn, New York. He has been serving as a successful pastor of three years. According to the rule of the time limit in the Methodist Episcopal church, he would have had one more year in Barrington.

Since residing in Barrington, Mr. Fuese has had his first opportunity of traveling the country to accept pastorate. Invitations came to him from the First Methodist Church, Salt Lake City, and from New York.

The second invitation from authorities in New York—The Avery Congregational Church, 100th Street and Broadway, Brooklyn, of the East German M. E. conference. The services are held in German, but the English in the evening and there are opportunities for work. The church was created through the Illinois conference.

The Rev. E. F. Fuese and family arrived to meet Mr. and Mrs. Fuese on March 11, and will read all his accounts April 6. He will attend the conference at the Avery Congregational. He will preach in Barrington two more Sundays, March 12 and 13, and in Elgin on March 14.

Rev. Mr. Fuese has probably the most popular pastor ever having charge of the Sabbath school and classes every evening to plan the work for the next day. He is a political as well as a political policy. The chairman is the recognized leader while the speaker is the recognized leader in the first in order to override the power in the absence of the speaker.

LET CONTRACT FOR BRIDGE.

Continental Bridge Company Will Build New Johnson Street for \$14,700.

The superstructure bridge committee and the brothers of the Knights of the Town of Calumet met last Saturday at the office of Town Clerk Schaefer and let the contract for building a new bridge across Johnson street to the bridge company.

The Continental Bridge company was awarded the contract and is to begin work on the bridge in April.

The contract calls for the removal of the old bridge, the removal of the blocks will settle the question as to whether it will be declared unfit.

Today the county clerks of the three counties in the district, Lake, Calumet and Boone, were called to the office of the bridge committee to make financial arrangements to the removal of the old bridge.

The committee will settle the question beyond all doubt and will have a new bridge ready to be put in place.

The superstructure bridge committee and the brothers of the Knights of the Town of Calumet met last Saturday at the office of Town Clerk Schaefer and let the contract for building a new bridge across Johnson street to the bridge company.

Mr. Schaefer of Elgin submitted a plan for a bridge which he agreed to build for \$14,700. The bridge committee was also a bidder, his plan being for a bridge costing \$16,000. It is considered that a wise choice was

made so that supper may be secured.

Admission to the ball will be \$1.00, which will be charged \$5.00 and general \$5.00, and a charge of 25 cents will be made for spectators.

They are home military stores and you will see you can do as well as the men in the army.

Mr. Jules A. always ready to advise, and tries to please. Give her a trial.

## THE COUNCIL MEETING

Regular Monthly Meeting of Village Trustees Held Monday—Marshall Weigel Resigns—Place Vacant.

The village of Barrington, Illinois, held its regular monthly meeting of the trustees Monday evening, following the regular order of business, listened to the report of the minutes of the previous regular and special meetings, approved them, heard treasurer's monthly report and accepted it, and followed by the election of Fred J. Johnson, who was elected to fill the place vacated by the resignation of H. F. Flagg, who had been elected to the state legislature.

The village hall was darkly lit, the windows were dark, and fifteen having been seated at the tables. There was a varied program of music, song, recitation, toasts, and patriotic sentiment.

When the president of the club, H. H. Stroh, called on Mr. Flagg, the original song on Washington and Lincoln, the whole audience arose and greeted him with the chanting of "Hail to the chief."

An interesting feature of the program was that it was so arranged that the entire meeting was held in one hall.

The singing by the Wissahicans, the Ladies' quartet, and the numerous patriotic songs were all well received and enjoyed, though all parts were good. Notwithstanding the short time of the meeting, the program was well kept near ten o'clock, closing with the singing of "A. T. Thorough." Veins My Dear.

The arrangements for the accumulation of the money present were well received and accepted, and applications of H. W. Hillman, E. L. Edwards, and William Davern were considered and accepted, and the amount of the previous receipt for the present.

A resolution fixing the date of the village primary for April 1 was passed.

Upon motion of Trustee Flagg, the election of a new trustee was adjourned.

It is the third affair of the kind the club has attempted, and in view of the success of the previous election, it is to be an annual event.

The program for the next meeting of the club will be held on April 15, at 8 P. M. at the home of Mrs. E. H. Flagg.

Mr. and Mrs. E. H. Flagg, of Elgin, will be the hosts at the home of Mrs. E. H. Flagg, Saturday and Sunday.

Gus Pales returned Monday evening after a six month's visit in Europe.

The trustees will hold an experience basket sale at the church parlors on March 21.

W. H. Wiegert, who has been a member of the club for many years, will be the chairman of the experience basket sale.

### Obituaries

Marina Mitchell Schaefer, daughter of the late Henry A. Schaefer, and his wife Louise, was born in Barrington, November 28, 1894, and died March 1, 1914, at the age of 21 years. She received Christian baptism at the hands of Rev. James A. Dugan, and upon coming of age was confirmed in the Roman Catholic church by Rev. A. W. Steinke. Special services were held in her memory at the Barrington camp in May. At that time she attained a calm and positive Christian existence which will be a comfort to her parents in their sorrow, but also enabled her to pass through a long and trying illness with the grace of God.

A most efficient companion passed her soul to the east, and on the last day of her life upon earth a brother joined her in death.

Leaves the sister, Mary, Mrs. Anna E. Laufer and Mrs. Mary K. Hause, and the brothers, Fred, Charles, John and Frank. A dutiful daughter, a loving sister and a cheery companion, she has passed from the pale of shadow to the realms of joy.

The funeral service will be held Saturday morning at 10:30 A.M. at the church on Hough street, and at 1 P.M. at the Barrington church. Dr. E. F. Pusey, the pastor, will deliver the services. The Rev. A. W. Steinke, Dr. F. Pusey and the Rev. M. C. Beyer, both of Chicago.

**Missionary Society Meets.**

The meeting of the members, First Congregational Church, at the home of Mrs. E. F. Martinson on Tuesday afternoon last was well attended, the Rev. Mr. C. E. Schaefer, pastor, and Mrs. Schaefer, president, and Miss Louise Hieke had charge of the program, which, giving brief biographical sketches of the members and their workers both of our own and other lands, was very interesting.

The meeting was closed with a service, followed by which light refreshments were served. The presence of Mrs. E. F. Graham and her daughter, Mrs. Anna E. Laufer, who have come with the family in Barrington to reside, added to the interest and pleasure of the occasion.

The annual offering for the Ladies' society will be made Sunday evening, March 18, for which a general meeting is being prepared.

### Entertainment.

The entertainment department of the Barrington Hospital will be given in the parlors of the Hospital on Thursday evening, March 11, at 7:30 o'clock. The program will consist of the old fashioned magic lantern, by means of which, post cards, photographs, cartoons may be reproduced on a screen.

The entertainment will be of especial interest to children and an opportunity will be given for the children to see the lantern which they will be shown to see on the screen.

The price of admission will be charged, the proceeds to be devoted to the carpet fund being made up by the ladies of the church.

### Crushed to Death.

Charles E. Schaefer, a ten-year-old boy, was crushed to death at the Argo gravel pit, between Crystal Lake and Algonquin, Monday afternoon at 1:30, when he was playing with a number of other boys. He was crushed under a load of rough stones near Gurnee. Charles, son of Fred and Anna Schaefer, was playing with a number of other boys when he was crushed under a load of rough stones near Gurnee. Charles, son of Fred and Anna Schaefer, was playing with a number of other boys when he was crushed under a load of rough stones near Gurnee.

He was rushed to the Hospital.

Lowering the man to the floor of the Hospital, Dr. W. H. Hause, surgeon, said: "He is dead." The boy was buried in the cemetery of the Hospital.

He was the son of Fred and Anna Schaefer, and leaves a widow.

### Four Alarm Fire.

The second alarm fire of the school year at the Rockford Teachers' association will be held in Fullerton hall, Art Institute, Chicago, Saturday, March 18, at 8 P.M.

An address will be given by Professor Horace of Auckland, New Zealand, his subject being "Fiji." A luncheon will be served at the Rockford Teachers' association of two men and three room schools will meet at the country superintendent's office, 1000 N. Milwaukee, Dr. W. H. Hause will comment on an evening exercise.

Mr. Ladd will find at Miss Joliet's millinery store the largest and finest display of hats ever shown in this city.
