## JULY FOURTH ACCIDENT RESULTS IN DEATH OF A TEN-YEAR-OLD BOY

Little Lake Zurich Lad Killed and Visiting Cousin Injured By Same Blast from Shot Gun.

## ONLY FATALITY REPORTED IN LAKE COUNTY

Same Fourth Idea is Responsible for Great Decrease in Number of Accidents Throughout the Country—All Was Quiet in Barrington.

One dead and one injured is the result of a Fourth of July accident at Lake Zurich. The fourth movement was responsible for a great decrease in the number of accidents occurring this year, and the death at Lake Zurich is the only fatality in Lake county coming as a direct result of Fourth of July celebration.

The accident was all quiet and the other two injuries were received by anyone.

In the accident at Lake Zurich, Illinois, George W. Schaefer, of Milwaukee, and Mrs. Henry Schaefer, a widow, and Walter E. Jorgenson, 1525 North First Street, Chicago, were suffering from injuries received by a shot gun. The accidental explosion of a shot gun killed the one lad and injured the other.

Pastor Jorgenson and brother, Chris, cousin of the Schaefer boy were visiting him over the Fourth and the three boys had been in hunting and shooting with him when the accident occurred. The fact that the two boys were both shot by the same gun gave the impression that the gun was in the hands of the older boy, Chris Jorgenson, who is seventeen but weighs only 100 pounds. The younger boy, George, who removed him from all blame. The impact was held yesterday afternoon and the following story of the accident was given by the pastor.

In the lake, they entered the house to dress, necessary to attending the St. Paul's church picnic their project. Mr. Schaefer, who was in the kitchen and the piano and the boys were at the house. Entering the dining room, St. Paul's church picnic, the boys said, "I'll show you something." "Just as I came to the door," the Jorgenson boy said, "the gun went off. The boy said, "I was hit in the head, but I am all right." The pastor said, "Chris was in the bedroom dressing."

The gun was a Winchester, a-shot, 12 gauge pump gun, and had always stood in the kitchen. The boy said, "It was not loaded." Mr. Schaefer stated, "But the shells were in the gun. I am sure that the gun, by Elmer, must have placed one of them in the gun." Young Schaefer was shot in the head, shot entering the brain, and the boy died in the hands of some one unknown to the pastor.

The widow was a widow, a widow, of Lake Zurich, and Mr. Schaefer is a farmer at the Rockwood farm, for company. Mr. Schaefer, who has the deepest sympathy of friends and neighbors, who remain silent, a very hard to bear in a household of this age, especially when the son is dead.

The funeral will be held at St. Paul's church tomorrow afternoon at one o'clock.

Celebrate Fifth Wedding Anniversary.

Dr. and Mrs. Gieseke were happily surprised last week on Wednesday evening to find that they had been at an unexpected hour of over forty relatives and friends, who spent the evening pleasantly to celebrate the fifth anniversary of their marriage at their home on Grove avenue. Ice cream and cake were served. As a token of their appreciation, a gift of a table was given as a token of the occasion besides several gifts. Rev. H. H. Thorne made the presentation, while both the Rev. Mrs. Gieseke responded, expressing their gratitude.

Mr. and Mrs. Charles Coggs of Coggs Plaza, were having here with their daughter, Mrs. Edith, a

### AGED RESIDENT DIES.

Mrs. Fredrikke Landner, a Pioneer Citizen of this Village, Passed Away Monday.

BY REV. H. H. THORNE.

Mrs. Fredrikke Landner, widow of the sainted R. H. Landner, passed away from this life at Landner's home at 15 minutes past seven o'clock, at a time when the sun takes up the dew of the morning. Ever since coming to this country she had been a widow, the death of her son, when she and her departed husband resided for many years. About ten months ago she suffered a stroke of paralysis, and it was known for some time that her life hung in the balance. The last stroke, however, morning ended her earthly life, and she died peacefully at 7:30 a.m. She was ushered into the better world.

Miss Landner was born in Sweden, in 1853, and had resided in America for thirty years and had reached the three-score years and ten, reaching 76 years and one month.

She had come to the country in 1882 and the following year was married to R. H. Landner, the couple making their home in Barrington. They had nine children, the names of whom are: Frederick John Landner, Mrs. Lydia Nischer, Heinrich August Landner, Mrs. Emma Aurora Landner, Mrs. Samuel Landner and Mrs. Martha Schaefer, all of whom are deceased.

She was a member of the First Evangelical Lutheran Church of Barrington, and will be laid to rest in the church cemetery.

The services will be held at 10:30 a.m. on Friday morning at the church.

### NEW MASSAGE PARLOR.

Blackman Separates Barber Shop and Massage Parlor—Opens New Establishments.

Dr. George W. Blackman, who some time ago opened a massage parlor in his Barber shop, has now separated the number of patients taking treatment that he found it necessary to open a separate and better accommodated, and has recently secured the Plagge building on Station street, until recently occupied as an auto repair shop.

The building has been cleaned and decorated and Mr. Blackman is having the necessary apparatus installed today so that all will be in readiness for use by tomorrow.

The larger room is to be used in the rear of the building and in the front in the new parlors the body massages, vapor and medicated baths will be given.

The new establishment will be known as the "Blackman's Parlor" and will be located in massage tables in several compartment, and will be fitted with the necessary electric apparatus which Mr. Blackman has installed this week.

Mr. Blackman stated yesterday to a Waukegan reporter that his list of regular customers now stands at 72 and that at least 12 more were waiting until he was able to give them treatment.

This is the second establishment that his partners are opening.

### AMERICA IN "PURE" SCIENCE

Even among educated Americans the remark is often heard that the U.S. is a scientific work, research or abstract thinking is done in our universities.

The regret is not unfounded, as no

commercial, and that we should

specialize in applied science, inven-

tion, and the like, in the pure and

theoretical sciences, says the Chicago Record-Herald.

Yet here comes an editor of a maga-

zine with an application, equivalent to American scholarship of the

pure and more disinterested type.

Dr. A. B. Lovell, of the University of

Michigan, has written to the editor of

the "American," that Americans

"have caught up with the old world

and are now in the lead, and that our

country must not be the passive rea-

ters to the world, but must be the active

creators of new knowledge, and that

there is no safety in H-

It is not true that and fact. No, we are

not too practical, and commercial, to

concentrate on the pure and theoretical

sciences. The dollar mark is not

stamped on our higher activities in

the universities, but it is stamped on

the heads of our students, and it is

stamped on the doors of our

universities. We are not to blame, but

we are to blame, and we are to blame

for the lack of a good many of our

products.

In Dubuque, Ia., \$80,000 worth of

ice has been destroyed by fire. One

of the worst features about it is that

there will be no marked-down sale of

damaged goods.

A policeman was left part of his

body when he was hit by a bullet

kind of a stimulant when their hearts

got sluggish.

Being stung by a bee is not a pleasant

pastime, but the sting of the present

bees is welcomed with great pleasure

by a good many of our citizens.
