

## ANNUAL CELEBRATION

Semi-Centennial Commemoration of Memorial Day Will be Observed by Local People and Organizations.

Next Sunday, May 30, is Memorial day and the local G. A. R. post and Women's Relief Corps have made plans to observe the day in the usual manner and the churches and lodges will also hold special services in commemoration of the event and its heroes.

Memorial day this year will be particularly impressive and gratifying because this is the semi-centennial of the opening of the great civil strife. Never before has one day there been such a war, with just such results, in the history of the human race, and it was just fifty years ago April 14, that Fort Sumter was fired upon and the war actually began.

In accordance with the plans of the G. A. R. the procession will form on the public square at 10 o'clock in the morning and march to Evergreen cemetery where appropriate services will be held. The march will be a long one, the route being along the main highway, and the funeral places of departed heroes and friends will be decorated with flowers.

The marchers will return to town about noon. Old soldiers, their wives and comrades will be seated at a picnic in the post hall by the W. I. C. At 1:30 the G. A. R. and the Women's Relief Corps will hold a service at the altar of the church, leaving Barrington at 1:30. After the service there will be a picnic at the Barrington Country Club. The service at the church is to be held at 1:30 in the afternoon.

Next Sunday, May 29, the G. A. R. and W. R. C. will attend memorial services in the morning at the Methodist Episcopal church, and in the afternoon at 2:30 the Barrington Central church, leaving Barrington at 1:30. After the service there will be a picnic at the Barrington Country Club. The service at the church is to be held at 1:30 in the afternoon.

The members of the local camp of Modern Woodmen of America have selected Sunday, June 4, as the day for their annual picnic, and will arrive at the picnic at 10 o'clock. The picnic will be held at the Barrington Country Club. The service at the church is to be held at 1:30 in the afternoon.

Epworth League Meeting. The May business and social meeting of the Methodist church was held on Sunday evening at the Epworth League. The meeting was held at the Epworth League. The service at the church is to be held at 1:30 in the afternoon.

## NOTES OF THE DIAMOND.

News for Baseball Fans, of Local Games and Players—Past and Future Contests.

The Y. M. C. A. team was prevented from playing last week by the rain. Next Saturday the boys will play the Kansas Athletic club.

The high school team again failed to percentage in the pentagonal league Friday by overlooking Palestine with a score of 27 to 12. The Palestine players brought a crowd of rosters this week and with the exception of the team that lost to all over Harrington, but after the eight inning when the local boys ran in a total of 15 scores the Palestine followers all decided leaving the team to face Harrington next 21 hits for a total of 42 bases. Who says the high school team can't bat?

Friday afternoon at 3:30 the high school team will play the Maywood high school team. Last year the two teams have even, but this year they held them to an eight and nine score's to 11 innings on Maywood's grounds this year. The high school team has an admission fee of 15 cents will be charged.

The last week has seen quite a change in the percentages of the teams of the Pentagonal League. The standings is as follows:

Won Lost Pct.  
Palladium 3 2 60  
HARRINGTON 3 2 60  
Noble 3 3 50  
Arlington Heights 1 4 200

SCHOOL NOTES.  
Written by H. H. Stevens.

The seventh and eighth grades are trying a new thing by having a picnic at 8:00 a. m. and being dismissed an hour earlier in the afternoon. The high school is also in favor of this plan and it will probably prove to be a success in a few days.

The senior's play will be given Friday and Saturday evenings of this week. The title of the play is "Galliger" and it is a humorous comedy beginning to end. Come and enjoy the play. The high school is also in favor of this plan and it will probably prove to be a success in a few days.
