## SECOND LYCEUM ENTERTAINMENT

Old Kentucky Jubilee Quartet Entertain-  
ment at School House—Other  
News of Barrington School.

(Written by W. H. S. student.)

The second entertainment of the  
lyceme course was held in the high  
school auditorium last Monday even-  
ing. The Old Kentucky Jubilee quartet,  
all colored men, consisted of vocal  
solos, quartet selections, violin solos,  
and a solo on the trumpet and quartet.  
The entertainment recalled many  
of the old negro masses and  
dances, and the great interest and  
enthusiasm and natural action that was  
making the program educational as well as  
concrete and interesting. The audience  
was exceptionally well filled and  
the frequent applause of those in  
the audience showed their appreciation.

The third and last entertainment  
of the course will be April 1. The  
program will be given by the well  
known impersonator, Ellsworth Plum-  
stead, and an interesting and enjoy-  
able evening is promised to all who  
attend.

All the pupils of the Barrington  
school enjoyed a holiday Monday in  
honor of the school's 25th anniversary.

Remember the German play to be  
given by the high school, March 1 and 2.  
Patronize your school. A German  
play for the Germans; an English play  
for the Americans; a French play for  
the French; a Spanish play for all the  
other nationalities.

The girls of the sewing class  
are busy preparing for the exhibit to  
be given in the near future.

The next regular meeting of the  
High School Literary club will be held  
Monday evening, March 12.

Miss Irene Kessler has returned to  
school after an absence of several  
weeks on account of illness.

The botany class has begun work on  
the germination of seeds.

Pupils of the school, especially in  
the high school, are taking an  
active interest in the postal savings  
bank to be opened here on Saturday of  
next week. There is great concern

most money.

pupil of each room who has the largest  
account will be awarded one dollar.

Frame Applebee His Collection of Sher-  
wood Forest Bill in Chicago  
Journal.

In an article commenting the Sher-  
wood Forest Bill in last Tuesday's Chicago Daily Journal the picture of  
Frank Applebee appeared together with  
the following expression of his  
opinion:

"I am in favor of the Sherwood  
Forest Bill. It will help the people of  
the country, and the country will be  
better off if it is not in effect.

It seems, however, that we did  
encounter now the same as we did  
encounter in the case of the  
Sherwood Forest Bill of 1906."

The Sherwood Bill practically  
passed the Senate, and the Senate  
had taken action on the bill this  
week.

The Northwesters will run special  
trains to Cary and \$1.50 will be charged  
for the round trip, program  
and admission to the grand

entertainment.

Every American, young or old, is  
interested in the life of our first  
president, George Washington, and  
the life of the first American hero. The  
Illustration is well in order if a  
soldier was in need of relief it is  
of course, however, that we did  
encounter now the same as we did  
encounter in the case of the  
Sherwood Forest Bill of 1906."

## RURAL MAIL NEWS.

Patrons Should Do Their Share to  
Promote Efficiency.

The growth of the rural free delivery  
service has been phenomenal. There  
has never been a branch of public ser-  
vice that has reached so many people  
and given such great satisfaction.  
The service has created a demand for  
more and more delivery men.

It is estimated that there are  
about 15,000 delivery men in the  
country. Its growth was  
most rapid extended until now there are  
about 62,000 routes which serve more  
than 1,000,000 people.

Formerly the farmer who read a  
daily paper must either farce by proxy  
or go to town to get his paper.

Now almost every family has  
a telephone and a radio, and  
most have a newspaper.

Formerly the farmer had to  
travel a great distance to get his
