modern house.

"Electric lighted"
means a great deal more than
it says, for the same wires that carry the lighting current furnish current for ironing, sewing,

washing, vacuum cleaning, massaging, vacuum cleaning, massaging, vacuidation and for many other purposes.

A few cents per week added to your lighting bill, will work wonders in lightening the domestic burden.

descriptions who encourage them in their lawlessness." It is usually said by the apologist It is usually said by the apologist If is usually said by the apologist for the saloon, "People will drink say." Bet is ob but they need not drink with your approval and mine. If we vote for license, we give to the traffic the authority of law, and the public approval. This no well wisher of his fellows and of the good of the community should be willing to do. We may not be able to completely suppress at some the saie of shoulded drink, but we can by refusal to license it, put it in the same category with theft, treatment of the said of the said of the good of the young doing. Who roise against the Sairon.

1. The business men, the say we don't want it.

2. The wires and mothers. If they could cast their ballots, the salon would be buried forever.

3. The large farmers outside the village who have done so much to being the whole community. They are against it, emphatically so.

4. The boys and girls in our school and in our homes. They see the ovil of it.

The saloon business will die out, full bear out to be suit of the world of it.
