Lydia E. Pinkham's Vegetable Compound

The "change of life" is a most critical period in a woman's ex-istence, and the anxiety fait by women as it draws near is not without reason.

When her system is in a deranged condition, she may be predisposed to apoplexy, or con-gestion of some organ. At this time, also, cancers and tumors are more liable to form and begin their destructive work.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, 'irregularities, constipation, variable sippetite, weakness and inquietude, and dizziness, are promotily headed by including promptly heeded by intelligent women who are approaching the period in life when woman's great change may be expected.

These symptoms are calls from nature for help. The nerves are crying out for assistance and the cry should be heeded in time.

Lydia E. Pinkham's Vegetable Lydia E. Pinkham's Vegetable Compound is prepared to meet the needs of women's system at this trying period of her life. It invigorates and strengthens the famale organism and builds up the weakened nervous system. It has carried many women safely through this crists.
