The State that gave us the "Mother Lode" some fifty years ago is going to be one of the garden spots of America. The hundreds of millions of dollars the took from inside the earth in that Mother Lode will look like a penny-bank when they spread the irrigation waters on Nevada's sagebrush plains. Get in on the ground floor, and get in now. Don't wait; don't hesitate. **Union-Southern Pacific** 

STANDARD ROUTE OF THE WEST

Will take you there. A Low Round-Trip Homeseckers' Excursion Fare will be in effect on the first and third Tuesdays of each month during 1912.

Land that has been keying at 25 cents an are will, under irrigation, be worth the statement of delicer to you in a few short years.

There is no argument; there's no question about it! Idaho, and Utah, and Colorado, and a dense other states have done it—and Nevada seill. You have saked for our opportunity in a state that is compared to the state of the
