### Do You Want To Save Money

on that Manure Spreader, Silo Filler, Windmill and Gasoline Engine you're going to buy this Spring? Then get the best—the machines that wear the long-time of the cost the least for repairs—that are handled by the dealers—and in short, the machines built right here in Northern Illinois—

### The Appleton Quality Line

Now that you have a little spare time, come over and see us—let's get acquainted. We want to show you our magnificent factory and let you see how carefully we build our machines—what splendid material we use. We will show you the points that give our spreaders the longest life—the lightest draft—the best give our spreaders the longest life—the lightest draft—the best spreading—tell you why our slio fillers have greater capacity and use less power than any other machines rated at the same capacity—abow you the features of construction that make it possible for us to insure our windmills for five years for \$2.50 against damage by tornados and cyclones or any other cause except misus—prove to you that our engines deserve their name—Appleton.

You will want to see our husbars too and find out all.

You will want to see our huskers too, and find out all bout them — possibly arrange to have one delivered through our dealer next fall.

your dealer next fall.

We have some real bargains in spreaders we have takes trade. They have been rebuilt and will give you the service of a new spreader at a fraction of the cost.

We want to send you some mighty interesting advertising matter and a beautiful four-color hanger which we are just getting out. Let us have your name today so that you will be sure to get one.
