## FIFTIETH ANNIVERSARY

**Mr. and Mrs. Henry Plagge Given Surprise Celebration in Honor of Their Fiftieth Wedding Anniversary.**

On Thursday, May ninth, was celebrated the fiftieth wedding anniversary of Mr. and Mrs. Henry Plagge, at their home on South Hawley street. The affair had been planned by the sons and daughters as a surprise.

The home was decorated in cut flowers and ferns, and Mr. and Mrs. Plagge were the recipients of many beautiful bouquets and gifts. At 6:40 p. m., proceeding a sumptuous supper, a short program was given. Miss Alma Plagge rendered Mendelssohn's wedding march on the piano. John C. Plagge, a cousin of Father Plagge, then introduced Rev. John Boente, pastor of the Zion Evangelical church, who gave an interesting address.

Misses Myrtle, Almida and Frances Plagge sang a trio, "Golden Wedding Bells." Later in the evening an important musical program was given by the grandchildren and other guests and greatly enjoyed.

About sixty guests were present, among whom were Messrs. and Mesdames Henry and William Plagge of Joplin, and Edwin Plagge of Rogers Park, the gentlemen being nephews of Mr. Plagge. Seven sisters and three brothers, of Milwaukee, Chicago, and vicinity, wives and nephews of Mrs. Plagge were present, with many other relatives.

Henry Plagge was born at Landsberg, Hanover, Germany, in 1830. He came to America in the year 1853.

Wilhelmine Plagge, nee Thurman, was born at Elmhorst, Illinois, in 1842. They were married May 9, 1862, and settled on a farm near Barrington. Three sons and five daughters blessed this union, two daughters dying in childhood, and Mrs. Sarah Bush and Mrs. Caroline Withmann, who deceased.

Those still living are Fred E., a doctor in Elgin; Walter H., of Lake Zurich; Frank H. and Miss Minnie Plagge of this village.

Memorial Day Services. Memorial day will be observed in this village under the auspices of Thomas Sweeney post No. 275 G. A. R. and W. R. C.

The procession will form in the public square at 10 o'clock and march to Evergreen cemetery where suitable ceremonies and decorations of graves will take place; then return to public square and break ranks for dinner.

Then at 1:30 form and march to the station church where Rev. O. F. Mattison, pastor of the Methodist Episcopal church will deliver the address of the day.

At 2 o'clock, May 24, the G. A. R. and W. R. C. will attend services at the Baptist church. In the afternoon they will go to Barrington Center, leaving here at 1:30, and attend Barrington Center church and attend to the graves of old soldiers and comrades there.

Dinner will be served in the post hall on Decoration day and all old soldiers and wives and visiting comrades are invited to partake of the meal.

Lake County Board of Review. Perry L. Ferguson, county judge of Lake county, has appointed John G. Dose, representative of Shaleks and Charles J. Wighman, democrat, of Avon, who, with Chairman Clark of Highland Park, will constitute this year's Board of Review. This leaves the county that, for the first time in the history of the board, without representation on the board. Avon never has had a member and this year's appointments are evidence that Judge Ferguson is for fair play and a "square deal" with the outside towns in the distribution of these important positions. The gentlemen selected stand high in the county and no doubt will give efficient service.

Pipe Organ Arrives. The new pipe organ for the local Baptist church arrived Tuesday morning. It took two days longer to move in from the ship to the church and seven men to lift each of the parts. It is a beautiful instrument and is being installed in the south east corner of the sanctuary by a man from the Haines Pipe Organ company of Berlin. It is expected that it will be all built & ready for service by the church choir sometime.

Band Recital. A band recital will be given at the Y. M. C. A. school Friday evening, May 24. A short program at eight o'clock will be given by the pupils.

May Anne Plagge, Teacher.

## HELD LAST MEETING

**Club Year For Woman's Club Closes—Held Last Meeting at the Home of Mrs. John Schwemm.**

Excepting for a final business meeting later, the Barrington Woman's club closed yesterday with a large meeting at the home of Mrs. John Schwemm on Main street where the ladies of the Thursday club and friends of the Woman's club members gathered to pass an afternoon of social mingling and to listen to a talk of clubs and women's interests.

Mrs. Clifford M. Miller, of Park Ridge was the lecturer. She is president of the federated clubs of the 7th district of the Illinois Federation of Woman's clubs. Her familiarity with the work of the club women of the state makes her one to tell others in an interesting way about those affairs in which the brightest women in communities are taking part. Mrs. Miller first spoke on the club life question, and urged all ladies to attend the district meetings, whether members or not; and it would be well for some of our women who are opposed to federation to go to such meetings and catch the organization spirit and be brought in contact with healthy women in other ways in order to be broadened and helped; whose friendship and association would be a pleasure and develop new lines of thought.

The Girls' Industrial home at Park Ridge was another subject considered. This institution is well known and its care of careless girls is largely kept alive by the influence of club women and it is certainly one of the noblest of their worthy acts.

A very fine paper concerning woman and her achievements was also read by the lady, which had a vein of humor running through that pleased, as well as the more serious parts instructed.

We agree as club women of this town that the influence of women rules the world, despite the laws of man made to please himself. Mrs. Miller started a heated discussion by stating that she, a cultured woman of prominent position, is not an advocate of woman's suffrage. Suffrage will eventually come, whatever the opinions of individuals, if not for the woman of this day, then for her daughters who will be prepared to consider these questions now confronting grandmothers and mothers who are satisfied with old time ideas.

Many instances in history and present times were cited proving woman's value in political matters by her influence over man, her achievements in the commercial world and vast superiority to man in her position as a mother.

Music was rendered by Miss Irene Wiseman, a sweet singer, and Miss Margaret Boehmer, pianist.

On and after July 1, of this year every rural carrier in the United States will begin the delivery of mail parcels heretofore exempted from delivery, under a new parcels post-ruling, which has just been made by the postmaster general.

At present the parcels post will affect only the rural routes, but should the experiment prove a success in the country routes the city routes will be added later. Under the present system all fourth class matter weighing less than 11 pounds will be delivered on the rural routes.

The maximum cost for the delivery of an 11 pound package will be twenty-five cents. There is no difference made in the distance which a package is carried by the government and in this way the rate charged by the express companies will be much higher in many cases than the cost of mailing.

## AT THE CHICAGO THEATRES

### CORT THEATRE.

"Ready Money," James Montgomery's brilliant and successful comedy, enters upon the eighth week of its engagement at the Cort Theatre, Chicago, next Sunday night. With the passing of each week the play's appeal to Chicago theatregoers seems to increase rather than diminish, and there is little doubt that the comedy will remain in the popular little playhouse long after the attractions now playing in the Chicago theatres have closed for the season. One of the notable reasons for the play's success lies in the fact that the same faces can be seen again and again witnessing the comedy, which is the best proof in the world that the play has caught the popular fancy. The comedy is so delightful, and its lines and situations so snappy and original, that the spectator leaves the theatre feeling refreshed and invigorated. It appeals to the tired business man and the busy housewife alike and affords an evening's entertainment that leaves nothing to be desired. The play tells the story of a young man, Stephen Baird, a mining promoter, who is ready to confess himself a failure and is about to lose his mine. He meets Jackson Ives, an international counterfeiter, who assures him that he has the money and ability to be a success, that all he needs is the money to make a "bash." He claims it is not necessary to spend money, that all that is required is to be able to show a roll, and the rest will be easy. He induces Baird to make the experiment, and the result fully verifies his claim. Baird's friends, who a short while before were sympathizing with him in his failure, when shown the \$50,000 with which Ives has supplied him, fall back on him and urge him to go on with him. They become convinced that his mine, which has been considered worthless and the stock valueless, is a bonanza, and beg him to accept their checks in payment of shares in it. It is needless to say that with the aid of the money thus acquired, gold is discovered and the mine proves to be the richest in Arizona. Manager Frazer has provided a cast which might well be called an all-star organization.

McVICKER'S.

Down in the annals of theatrical history goes a success for Rowland and Clifford's first attempt in production a play for the higher class houses. For years this firm has produced success after success in the popular period houses but it wasn't until the production of William Anthony McGuire's play, "The Divorcee" that the standard of Rowland and Clifford was established at the point where it has reached since the success of "The Divorcee" now playing at McVicker's Theatre, Chicago. This play begins the fifth week in Chicago Sunday nights and there is every hope to believe that the management's forecast of the play running well into the summer, will be realized.

On Monday night the Irish Fellowship Club of Chicago will hold away in the body of the house where two-thirds of the seats have been reserved for this organization. Throughout the week there will be other numerous clubs featuring this play with special parties. No play has ever received the endorsement from the pulpit as has "The Divorcee" in the last two Sundays in the churches of all denominations in Chicago.

The Demons Of The Swamp are mosquitoes. As they sting they put deadly malaria germs in the blood. Then follow the chills and the fever. The appetite fails and the strength falls. The malaria often proves the way for deadly typhoid. But Electric Bittlers kill and cast out the malaria germs from the blood; give you a fine appetite and renew your strength. "After long suffering" wrote Wm. Brewster, of Locust, N. C. "I have been cured of all the malaria from my system, and I've had good health ever since. Best for all stomach, liver and kidney ills. Get at the Barrington Pharmacy."

Notices To Water Consumers.

Water rents for lawn sprinkling are now due. All persons are hereby warned not to use city water for this purpose until the rent has been paid.

What Texans Admire

is hearty, vigorous life, according to Hugh Tallman of San Antonio. "We find," he writes, "that Dr. King's New Life Pills surely put new life and energy into a person. Wife and I believe they are the best made." Excellent for stomach, liver or kidney troubles. 25c at the Barrington Pharmacy.

When Cards Came to England.

Card playing as a pastime was introduced into England early in the sixteenth century. In 1543 a law was passed in London forbidding the importation of playing cards. It became a fashionable court amusement in the reign of Henry VII. What, in its present stage, was not played until about 1760. Some famous games were played shortly after that time in the Crown Coffee House in London.

Escapes An Awful Fate.

A thousand tongues could not express the gratitude of Mrs. J. E. Cox, of Joliet, Ill., for her wonderful deliverance from an awful fate. "Typhoid pneumonia has left me with a dreadful cough," she writes. "Sometimes I had such awful coughing spells that I thought I would die. I could get no help from doctor's treatment or other medicines till I used Dr. King's New Discovery. But I owe my life to this wonderful remedy for I scarcely cough at all now. Quick and safe, fits the most reliable of all throat and lung medicines. Every bottle guaranteed. 50c and \$1.00. Trial bottle free at the Barrington Pharmacy."

### Now Is the Time to Study Corset Comfort—Probably We Can Help You. Come!

"Nemo Week" grows more and more important and interesting every year. New Nemo inventions, not only in construction but in corset fabric, make Nemo Corsets more and more invaluable to nearly all women.

This year there are some wonderful models, not only in the world-famous "Self-Reducing" line, but in corsets especially designed for SLENDER and medium figures.

No. 354 (see cut) is one of the new "Auto-Massage" "Self-Reducing" models, which not only reduce the figure all around by confining and re-shaping the surplus flesh, but, by constant gentle massage, due to the patented construction of these new corsets, the fat is gradually softened and removed by natural processes, thus making the figure permanently smaller.

Price—\$3.50.

This is only one example of how Nemo Corsets are in a class alone, entirely different from all others. Most women really need Nemo Service. Perhaps you do. Come and see.
