VALUE OF THE ONION.

Raw onlons are said to cure bron-chitts and threat affections.
The only drawback to the full en-joyment of this homely vegetable is the odor whier it leaves on the breath.
Fresh parsley eaten after eating on-lons is the best remedy to counteract the onlon odor.

so the onlore extern have some compensation.

Creamed Onlone on Teast—Peel
onlone all of one size and put to cook
in a little stock with a blade of mace,
and cook gearly until teader. Drain
and keep the onlone hot, then add a
half up of milk to the onlone liquid

Practical Query.

My little boy stood open-monthed,
while a friend elaborated the details
of a sudden death. The patient had
not been considered very serviously ill,
and his nurse entered, bringing a
haked potato for which the sick man
had expressed a wish, "But," said my
friend, "before he had teated it, he
died," I deprecated the sadness of
usch rectal abefore the child, but I
need not have feared. His baby voice
piped out: "And what became of the
potato?"—Harper's Weekly.

Modern Philanthropy,
"I believe I'll give that poor a
cat a piece of meat." "What, and,
perise the cat! Always help the i
to help themselves. Scatter a
crumbs on the aidewalk. They wil
tract a bird for the cat to grab!
