is a huge drinking on a silver base. The selection of the selection of Blackbeard in the petals. Nor was Blackbeard's head less fastistic in tile than it is in death. He were an immense beard, jet black, braided and tide than of come faminate strands. And each strand was hately trained and the factorially lederous appearance he with a gandy ribbon. To add to his factorially lederous appearance he with a gandy ribbon. To add to his factorially lederous appearance he with a gandy ribbon. To add to his factorially lederous appearance he with a gandy ribbon. To add to his factorially lederous appearance he will be a comic operation of the selection of the selection

A Doubttel Compliment,
Miss Pretty-I don't see how you
whistle through your fingers in that
may. I could serve do it. I'm sure.
Mr. Goodpairt (whisting to compli-ment her delicate little hands)—the,
Miss Posity Nov.

man and speed woman, resyman and speed wanie a Guesa.

Chicago, July 25.—The Chicago, Buriagion & Quitory milrond, its ambleyes and the public demand for fast ravel were blamed for the death of 13 persons in the wreck near Western Springs in the wreck of the coronary army rendered here Tuesday. The jury 4d not recommend the holding of any person to the grand hary for criminal action.

Points in the wredict follow: The public demands the rapid transportation of trains.

If Mrs. Julia W. Wilcox, tower woman at Western Springs, had not held train No. 4 unnecessarily, she would be successed held indement in not attempting to hold No. 8 at Hinadale.

Men operators only should be small should be installed at all signal to wreck what not there are signals should be installed at all signals. If the sugineers of the two trains in the wreck had not that occurred.

Clarence Woodworth, the flagman.

signals the wreck would not have or-curred.

Clarence Woodworth, the flagman, Lifled to do his full duty in not going back a full distance as he could have stone in the time at his comment of Mills H. Brunson, dead angineer of peed through a fog and shar in past the block signal. After be heard the torpedo he did his full duty in attempt-ing to stop the train.

REPORT POST OFFICE BILL

Measure Carries Appropriation \$232,000,000 — Shackleford Good Roads Provision is Stricken Out.

Roads Provision is Stricken Out.

Washington, July 25.—The post ofBee appropriation bill carrying \$337,
200,000, was reported to the senate
Theesiay. The principal feature of
the bill is a provision establishing a
parcels post on the zone system.

The Shacklisford good roads provision which was added in the house bill
is stricken out of the senate measure
and a substitute is provided embodying the creation of a joint committee
to make a study of the good roads
question and report to congress.

Maken New Markly Record.

Makes New World's Record.
New York, July 25.—A new world's record for one mile was made at the stadium motordrome at Brighton Besch Tuesday when Arthur Chapple of New York rods the distance in the remarkable time of 39 1-5 seconds.

Red Current Cordial.

Red Currant Cordial.

To two quarts of red currants put one quart of whisky; let it stand 24 hours, then bruise and strain through a finnel bag. To every two quarts of this liquor add one pound loat sugar; add quarter of a pound of ginger, well bruised and boiled; let the whole stand to settle; then strain or filter, bottle and corf; seal the charvaint red raspherry jules if the flavor is liked. The above is ready to use in one month after made.

NEWS OF ILLINOIS

Chicago.—James J. Ragan, St. Paul, Minn, was unanimosaly reelected president of the Ancient Order of Hiberulania. Prof. Michael G. Roban, national chairman of Irish history committee, made known a peculiar fact.

"It is a strange fact," said Professor Roban, "Bat in the schools in Milwanland the schools of the Casello history prises offered for the best essay on Daniel O'Connell were carried away by a Poilsh girl and a German girl. The first prise was won by Mary Celocowscalt and the second by Marie Schneider.

ried.

Springfield.—Members of the state primary canvassing board issued a certificate of pomination to Charles W. Middiskauf, Republican candidate for state seasor board took and the season of the

Springfield.—This city has authorize to compet the closing of barber shops and meat markets on Sunday, according meat markets on Sunday, according circuit court by Judge James A. Creighton. Action had been brought against John C. Stewart, a barber, and William R. Richter, a butcher, for violation of the city ordinance. The SIO fine against each was upheld. Appeals will be field.

Deals with the fines.

Centralia—A double tuneral was held here when Kasper Meler and Henry Reuter, two lifeiong friends, were laid at rest. The former was sixty-six years old at rest. The former was sixty-six years old. They had passed the greater part of their lives together, and their deaths occurred at almost the same hour.

Champaign.—William B. McKinley of Champaign, congressman and traction magnate, gave \$5,000 to the Urbana board of education for the purchase of ground for an atheito field for high school pupils. He previously had made a similar donation in Champaign. Two and a half scree will be purchased adjoining the new \$75,000 high school building in Urbana.

Chicago.—Testimony was given before Master of Chancery Morisson in the bearing of the injunction suit against the Chicago butter and egy board that a week ago on the Elgin board of trade the Chicago interests succeeded in setting the price of butter at 25 cents a pound when butter was selling on the street at 25%; sents a pound.

Decatur.—Rev. Henry Scott, pastor if the First Congregational church, rurprised his congregation he asked all of the men to stand up. When they compiled, he requested them to remove their coats in order to be comfortable during the hot weather. Every man was agreeable and the fanoyation will be permanent.

of heat year. Weather warm hast week. Good rains last night."
From southern Alberta the reports to hand indicate sumilient rain. Grops to hand indicate sumilient rain. Grops are nothing well, and there has been sufficient rain to carry them throught to harvest.
From all portions of Manitoba there comes an assurance of an abundant yield of all grains. Throughout southern Manitoba, where rains has laiely been abundant precipitation, and that portfile of the province will in all probability have a crop to equal the best anticipations. A large quantity of grain was sown on the stubble in the newer west, which is hever a satisfactory method of farming, and may reduce the general average control of the more results.

ing, and may reduce the general average.

Taken altogether, the country is now fully two weeks in advance of, lasf year, and in all grains the acreages sown are much larger than in 1911. This means that with auspicious weather the west will have the grandest harvest in its history. Two hundred and fifty million bushels of wheat has been mentioned as an estimate of the present growing crop, and it looks now as if that guess will be none too large.

Bait.

First Suffragette—If we want to get the roung first interested in our meetings we must have something to attract them.

Second Suffragette—Which would it better be—velreshments or men!—kire.

According to an old bachelor, real luck in love consists of being able to avoid facing the person.
