COUNTY FAIR IS OVER.

ake County Agricultural Association's Annual Fair Attracts Many People—Ended Last Friday.

The fifty-ninth annual fair of the Lake County Agricultural association closed last Friday, that day being the poorest in point of attendance of the elosed last Friday, that day being the possession point of attendance of the three days, the excessive heat keeping many from going. Thousands of people plevisited the fair grounds, enjoyed, the races, the exhibits, and the meeting with friends and acquisinances throughout the county, and although many local people talked rather disappointedly about the fair to their return the officials of the society estimate that they will be money abead on the event in spite of the fact that the expenses this year were heavier than usual.

Although the inideway was made up of more than the ordinary number of shows and games, an effort was made by the officials to prevent "bunco" games and during the fair seven concessions were put off the grounds because they were thought to be crooked. Thursday the Waucocoda and Lake Zurich ball teams played at the fair grounds, the former winning by a four too one score.

The airwhip flight advertised to take?

motive of a county fair, were not disappointed.

Officials say that the seciety's membership list next year will be much larger than that of this year. The fair map be summed up in this wise: the exhibits were good, the races were good enough to prove of interest, the ball games were good and the stendance was excellent. These are the things that make a good fair, so the tendance was excellent fair, so the tendance was been a good fair—good at least in comparison with many that this society has given, and the officials are deserving of commendation.
