THURSDAY, SEPTEMBER 19, 1912
Column Rocking as he now assalis president McKinley as he now assalis president Taft when Mr. Mo-Kinley would not do what Rousevelt wanted. This fact is made plain in a staffeenest made by James Hoyle, forther whole of the antiquent of the fact that the lattic was gully, of this solent and brutal eritchem of President McKinley. Because the latter would not allow himself to be dominated by full mental that the chief reason why he opposed Rousevelt's nomination for vice-president was because of Rousevelt's nomination for vice-president was because of Rousevelt's individual for the president McKinley in reference to incidents in Mark Haman's and the criticisms, and wanted the president to summarily received the matter over in silence, and wanted the president to summarily received the party; but the president, with his wonderful natione and antiquent of the latter would the president to summarily received the matter over in silence, and every mentioned it to others, but Mark Haman's felt under no such retarrait. Mark Haman's felt under no such restartant. Mark Haman's and so of the few men who thoroughly appreciated at that carry day what kind of ama Rousevel's has proven himself to be."

The present and there are ordinary should be altered they were silently the adapter staffed the border was a fine to the such as a succession of the such as a such as

Statesman.

The Fool's Guardian.

Fortune has been considered the guardian distintly of fools; and, on this score, she has been accused of bilind-ness; but it should rather be adduced as a proof of her sangeties, when she helps those who certainly cannot help themselves—C. C. Coller.
