Why He Changed His Mind.

John L. Sullivan met with some musing incidents while giving boxing

lessons.

One day a husky young man came to him as a pupil. He took his boxing lesson and went home somewhat the

him as a pupil. He took as the lesson and went home somewhat the worse for wear.

When he came for his second lesson he said: "Mr. Bullivan, it was my idea to learn enough about boxing from you to give a certain young gentleman a good licking. I've had it in for hip a good while. But I've changed my mind. If you have no objections a good of the company man down here for ma."—Pittaburgh Chronicle-Telegraph.

vot are either embroidered at the end in flat satin stitch in two tones of silk or are edged with deep silk of buffion friage. Friage, in fact, plays a very conspicuous part in the ornamentation of the belt, and seems for flie present to have taken the place of the once favorite tassel.

The new draperies seem to demand the ends of the sash at the front in order to use them for the purpose just mentioned.

It appears as though no gown now-adays is complete without some form of sash. A square of embroidery often finishes the sach end.

CHANGES IN THE COIFFURE

By No Means Advisable to Keep the Same Arrangement for All Occasions.

Do not cling to the same way of dressing your hair regardless of the changes wrought by time. The way to fool your public is to change the coffure to meet changed conditions.

LEWIS'SINGLE BINDER

W. N. U., CHICAGO, NO. 3-1913.

I will give you FREE a sample of Dr. Pierce's Pleasant Pellets that have brought health and happiness to thousands—also a book on any chronic disease requested.

During many years of practice I have used numerous combinations of curative medicines for liver ills. I have kept a record of the result in case after case, so that my staff of physicians and surgeons, at the Invalids' Hotel, Buffalo, N. Y., are able to diagnose and treat cases at a distance with uniform good results.

But for the permanent relief of blood disorders and impurities, I can recommend my "Golden Medical Discovery" a blood medicine without alcohol or other injurious ingredients, R. V. PIERCE, M.D., Buffalo, N. Y.

Nature's Way Is The Best

Pierce's Golden Medical Disc e endorsement of many thou has cured them of indigestion and weak stomach, attended b heartburn, foul breath, coxed to

In coughs and houveness caused by brunchial, throat and lung affections, except consumption, the Golden Medical Discovery is a most efficient remedy, especially in those obstinats, hang-on-coughs easied by fristion and congestion of the brunchial mucous membranes. The Discovery' is not so good for scute coughs crising from sudden colds, nor must it be

expected to cure consumption in its advanced stages—no medicine will do that—but for all the obstinate, chronic coughs, which, if neglected, or badly treated, lead up to consumption, it is the best medicine that can be taken."
