må of the Most Is appenings in the ian Empire.

The navy aviators, Lieutenant Commander Janotaty and Machineits Mate Dieckman wegs drowed in the sulf of Danzig through the collapse of the seroplane in which they were flying. The aviators were 150 yards above the sea between Eopopia and above the sea between Eopopia and their mother than the machineits of the seroplane of the

their minima or one and the acceptance feel into the water. Boats were raised to found the policy but neither men could be found. The kaiser has issued a warning to the German aerial fleet that it must not fly over the new palace at Poddam. Owing to the sharp explosive noise made by the motors of aeroplanes and dirigithes, the kaiserin asked her husband to have the aerial route altered. She was not only anyone the horizon of the she was not only anyone the she had been also asked her husband to have the aerial route altered. She was not only anyone the she had been asked her husband to have the aerial route altered. She was not only anyone the she had been asked her husband to he aerial route altered. An arithin might meet with audient an airship might meet with audientian arithin might meet with audientian arithin might meet with audientian and arithin till a she was a share and a situation in a factor of the American askyscraper into Berlin. The Germans call them "cloud-carpars," but till now would hear nothing of them. Now a distinguished authority, Dr. Waller Rathenau—engineer. author, "since the Middle her without the route of the sharing them are the sharing of the sharing hims, which now limit buildings to a height of five atories and 72½ feet. CHILD'S FACE ALL RED SPOTS

CHILD'S FACE ALL RED SPOTS

33 N. 8th St. Twere Hants, Ind.—
"My little nephew, a boy of four years, had a breaking out on his face. It was little red apots at first, then he would rub and seratch and water hilstens would form, and wherever the water would rub and seratch and water hilstens would form, and wherever the water would rub another would come until his face was collected with then. He would cry and fret. His mother any good, he would crysman as of any good. He would crysman and bilaters. So I begged him to let me put some Cuttors Onlinear Soap and blaters. So I begged him to let me put some Cuttors Onlinear Soap and washed his face in the warm sadar put some Cuttors Onlinear Soap and washed his face in the warm sadar he clots on them. After y pessing the Cuttors Soap and dry. I kept using the Cuttours Onlinear to and in a short time his little face was all red and dry. I kept using the Cuttours Onlinear to and in a short time his little face was all red and dry. I kept using the Cuttours Soap and Ontment end throughout the world. Sample of each free, with 32-p. Shis Book. Address post-card "Cuttours, Dept. I, Boston." Willie Discovered a New Gama.

Willie Discovered z New Game.
They had lived in a flat zill of Willie's short life, so that the little boy's
knoweldge of fauna and flora was
limited to conary birds and flower
boxes; and when they went to board
in the suburb where there was a large
yard, Willie very enthusiastically started in pursuit of a chicken, armed with
a stick and other missiles.
When the hostess protested to his

indulgently: have to forgive dear Willie sn't know that's a chicken.
