#### OBITUARY.

MRS. EMMA PINGLE.  
Mrs. Henry Pingle, Jr. nee Emma Detman, died Wednesday morning at four o'clock following an illness which has caused her much suffering for a number of years and confined her to her bed for the past three months.

Mrs. Pingle was the oldest of five girls, the surviving children of Mr. and Mrs. August Detman who were well known in this vicinity, having conducted saloons at Lake Zurich and Dundee. They made their home in the latter village a number of years and there Mr. Detman died about three years ago.

Mrs. Pingle is survived by her husband, mother and four sisters, Mesdames Martha Gens and Ida Gens, Racine, Wisconsin; Mamie Netman, Dundee, and Elizabeth Bremer, Dundee.

She was born at Dundee July 12, 1861, and was married to Henry Pingle, Jr., of this village on June 15, 1881, the wedding taking place at Dundee. They resided in this village for a short time and then went to Dundee where they lived for two or three years, returning here a little over six years ago, since which time Mr. Pingle has conducted the Peters livery stable on Main street. No children were born to them.

A short service will be conducted at the home Saturday by Rev. Eugene Wilkins of St. Paul's church, at which the body will be taken to the family home at Dundee where services will be conducted at one o'clock Sunday at the house and at 1:30 at the Lutheran church. The Rev. Mr. Delbert will speak in English and Rev. Mr. Gage will speak in German.

The parcels post is a good thing for citizens of this great republic, but consideration should be given to the over-worked and sad-eyed postmaster. Almost everything can be transferred by parcel post from previous stores to the denseness of the busy day. The other day our local postmaster, while taking mail from a south-bound bag, was much surprised to come in contact with some cold, damp fish in a broken package shipped from Lake Geneva. The package contained 60 clacoms from the Wisconsin lake and if the postmaster did not enjoy them, the recipient did, we are assured.

We're going to send ten farmers to Blaine, Minn. They must be married and the ladies must be the better. They must be housewives and have practical knowledge of farming. These 10 families will be placed on farms of their own that can be paid for out of the profits and will be given good wages to help take care of our commercial orchards. This is the "poor man's chance." He will have every opportunity to make a fortune in a few years on land good as can be found anywhere—land that will be worth \$1,000 per acre every year in fruit and vegetables. You will need only a small capital to start with. You can pay for your farm land out of the profits after the second year. Remember, we can send only 10 families, so write at once, if you think you can qualify. This is "The Poor Man's Chance." G. W. Kerr Company, 200 Andrus Building, Minneapolis, Minnesota.
