Straighten That Lame Back!

Backache is one of Nature's warnings of kidney weakness. Kidney disease kills thousands every year. Safety is only certain if the early warnings are heeded while help is possible. Dom's Kidney Pills have helped many thousands to get rid of backache, strengthen weak kidneys and regulate bladder and urinary disorders.

Don't neglect a bad back. If your back is lame in the morning, if it hurts to stoop or lift, if the dull aching keeps up all day, making work a burden and rest impossible—suspect the kidneys. If the urine is off color and shows a sediment; if passages are irregular, too frequent, too scanty, or scalding, this is further proof. There may be disay spells, backches, nervousness, dropsy swellings, riigumatic attacks, and a general tired-out, run-down condition.

Use Doan's Kidney Pills, the remedy that is ublicly recommended by 100,000 persons in sany different lands. Doan's act quickly, con-nin no harmful nor habit-forming frugs and are rholly harmless, though remarkably effective.
