H. D. A. GREBE GOOD LOOKING MEN

Are Always Successful in Business

USUALLY ATTRACTED BY THE FAIR SEX

Here is the Secret

The men of Chicago have suddenly acquired an attractive complexion. The reason for this is that they are now shaving their faces with the new process, called "The Velvet-Edge Safety Razor Blade Sharpener," which gives that velvet smooth skin to the smooth shaver.

You men who use safety razors and want a velvet skin, shave with the velvet-edge razor, send your dull safety razor blades at once to Chicago and have them sharpened by the new velvet-edge process, which makes the blade blades better than the new, and your old blades are returned to you in perfect new blades.

Don't throw away your old safety razor blades, but send them today, well wrapped, and do not delay it until tomorrow.

Price 10c per dozen for all safety razor blades, which include Gillette, Derby-Road, Gillette, and other makes. Your blades will be returned to you in a few days, charges prepaid. Send order or money order. No orders accepted under 50 cents.

When blades come in a cardboard box, you need them in an ordinary envelope, the blades may not be damaged, but they will be. Includes your name and P. O. address on the package.
