### BRIEF MENTION OF NEWS ABOUT TOWN

Shipments of the Week Told in Short  
Paragraphs—What's Doing in  
Our Hasting Village.

Fred Wolf purchased an Excelsior motorcycle last Saturday from P. C. Leonard.

The board of village trustees will meet in monthly session at the village hall next Monday evening.

The Epworth league of the Methodist church will have a case of eggs to the old people's home in Edgewater last week.

E. W. Riley, assessor of the town of Cuba, went to Waukegan yesterday to secure the assessor's book for this year and will commence his work at once.

The Men's class of the Salem church will give a program at the church on next Wednesday evening. All nature persons are invited. On Tuesday evening the Young People's Missionary society of that church will also give a program at the church.

An electrical hall will be given at the village hall Thursday evening, April 10, by the local employees of the Public Service company. Music will be furnished by Kruse's orchestra of Des Plaines. The admission will be 25 cents a couple and spectators will be charged 25 cents.

Mrs. Henry Volker of Main street has received word from Piqua, Ohio, that Mesdames George, Henry and Frank Schlusser, and the daughter of the latter, were drowned in the recent flood. These ladies were the wives of Mrs. Volker's nephews who also lost their homes and places of business.

This evening the Barrington Concert company, accompanied by Mrs. Emma C. W. Matthews, reader, will entertain at the Methodist Episcopal church. It will be an instrumental and vocal program well worth hearing. If previous presentations are any criterion, all should plan to attend.

The annual report of William Padock, treasurer of the highway commissioners of the town of Cuba, appears in another column of this paper. The treasurer has only charged a commission on money actually paid out for road work. He has made no charge on money borrowed or the repayment of same, contrary to the impression gained by some of the taxpayer.

Mrs. A. L. Weldenbeck of Cottage Grove, Wisconsin, formerly Miss Elizabeth Brandt of this village, was brought to her parents' home here Saturday by her mother who has been staying with her and nursing her through six weeks' illness. She was taken sick after attending a lodge supper at Cottage Grove and it was feared for a while that she would not recover. Last Friday was the first day that she has been able to sit up and she was brought home immediately.

The Alder and terrier dogs, entered by the Victory kennels at the twelfth annual exhibition of the Chicago Kennel club, held last week Wednesday, Thursday and Friday, were returned Saturday evening bearing all the blue ribbons they could well be expected to obtain. With their Alder dogs the Victory people won first prize for best brood, best team of Alder and best brace of Alder; with the Fox terriers they received first prize for best team and with Irish terrier first prize for best dog and best bitch.

P. T. Severns has rented Mrs. Elizabeth Kirby's house on South Hawley street and will move there in a short time. R. E. Bosler will move to the Wisconsin house on South Hawley street, which the Severns family has been occupying and R. C. Thim will take possession of the Lageschulte house on Lake street which Mr. Bosler will vacate, having traded his home on South Hawley street for the latter place. Mr. Lageschulte will fix up the Thim house, installing all modern conveniences and to finishing it throughout and it will be completed by Otto Adams, a C. & N. W. colonist, and finally after the first of next month.

Sunday evening the Chicago Telephone company changed its local exchange from the Lamey building to the building opposite, erected for them a year ago by John Brussel. "Out corder" in telephone parlance. The company had been getting ready for the change for months and all arrangements had been completed, so that the actual work of making the change took but an instant. The exchange is now housed in up-to-date, commodious quarters, with a large operators room, and a room for each of the 100,000 lines, and no less a building for the purpose can be found in the vicinity. Outside ringing phones have been installed in the lobby and the entire system is up-to-date.

### NEWS OF THE FARM AND DAIRY

Notes of Comment and Interest to Local  
Agriculturalists and Milk  
Producers.

The milk question has been practically settled here for another six months and all dairymen have signed up with some company and are shipping their milk. Almost all of the local producers signed up with the Bowman plant here. The dairymen gained a distinctive victory in the recent campaign, having forced every company to change their prices with the exception of the Bowman's, the latter company offering in the start nearly as much as the producers' association was asking, and will be in a position next fall to have a great deal more to say about what their milk is worth if they maintain their organization during the summer, as they plan on doing.

**Epworth League Meeting.**  
The business and social meeting of the Epworth league of the Methodist church took place Tuesday evening at the home of Miss Alberta Horn. It was well attended, the parlors being filled mostly with young people.

The league decided to assist in the arrangements for the coming bazaar in all and it was decided to continue in the line of gathering and selling papers, books and magazines. Persons having them to dispose of can telephone E. F. Young at the Public Service company's sub-station, number 11.

A special social function at the Methodist church on April 15, was planned for the fourth department of the league to carry out. The new member was admitted.

Fifty dollars were appropriated for church expenses and benevolence and it was arranged to aid in some contemplated improvements in the church.

A committee consisting of Mrs. E. A. Riecke, Miss Stella Harwood and Frank Dohmeyer were appointed to nominate officers for the coming year and report at the next meeting, April 29.

Following the transaction of business there was a social hour. Miss Horn and Irving Horn gave a piano duet. Mr. McFadden gave a humorous reading and Miss Violet Ulitich rendered a piano solo. An impromptu daily paper, the "Epworth Evening Journal," made up of short items, mostly "gossip," was read by Miss Ethel Kitchin. Games and refreshments followed and a very pleasant evening was enjoyed by all present.

### Missionary Society Met.

The Women's Foreign Missionary society of the Methodist church met Tuesday afternoon with Mrs. J. E. Freeman. There were twenty-two present. The program was in charge of Mrs. B. A. Cannon and the general topic was "Medical Missions in China." There were Mesdames E. S. Smith, W. J. Cameron, R. Lytle and B. A. Harnden. Miss Zella Mickey, Mrs. Harris of Chicago and Mrs. Mason Coe sang songs.

Plans were announced for the annual thank-offering which will occur the last Sunday morning in April. Miss Strawick, a returned missionary from China, has been secured as the speaker. At the close of the program a social half hour was enjoyed during which the members served cake and ice cream. The next meeting will be the first Tuesday in May at the home of Mrs. John Schwamm.

### Was in Wreck.

Archie Cowen coming as a baggage man on the C. & N. W. railway between Chicago and northern Michigan was in a wreck on his return run last Sunday evening and had a very narrow escape from death. The train was running at a very rapid rate in order to make up lost time when the engine tender and the two baggage cars left the track. Fortunately, almost miraculously, it would seem, Mr. Cowen escaped with only a severe shaking up. The engineer and fireman were badly injured and two men stealing a ride were instantly killed.

Mr. Cowen who lives with his wife and son on Hough street, has been on the road for fifteen years and this was his first accident.

### Improving Undertaking Rooms.

E. M. Hooke is making improvements at his undertaking rooms which will give him more room and enable him to display more caskets in a more convenient manner. Instead of keeping the caskets in boxes as he has been doing he will have them arranged in cabinets with doors which swing down, and the caskets, which will be hung on the inside of the doors will thus be brought into full view in a horizontal position. The cabinets will be finished in light oak, adding greatly to the appearance of the interior.

### O. V. BASEBALL TEAM MAKES PLANS TWO BANKS WILL CONSOLIDATE

Season Will Open May Third—Many Candidates From Which Strong Team May Be Selected.

The Omens Vitae club's baseball team is preparing for the summer's playing and members are enthusiastic over the prospect of a successful season. F. O. Stone is manager this year and has been busy arranging for games. He says that there are more candidates than usual and that the team this year should be able to select enough good players to compose a strong team—one able to put up some good games and the sport interesting enough to insure a goodly attendance at each game. He says he has policy to secure as opposing players teams which will be fully the equals of the locals, thus making the games that the games will be interesting ones.

The same grounds have been rented for this season and the first game will be played Saturday afternoon, May 3. A team can be persuaded to come here on that day. Games have been scheduled for the tenth and seventeenth but none has been arranged for the former day. The visitors on the tenth will be the Edgewater Reds and on the seventeenth the Northwestern University Settlement team. Members of the latter team, playing basket ball since the winter, won 31 out of 32 games and ought to be in good condition at the opening of the baseball season.

Local baseball fans—and there are many of them—will be glad to know that the chances are good for some interesting games the coming summer, and if we are certain, turn out to a man as long as a good standard is maintained by the O. V. club.

### SCHOOL NOTES

The Barrington high school first took an interest in base ball when the Pentagonal league was organized about five years ago. It was through the principals that it was begun. Maywood, Des Plaines, Arlington Heights, Palatine and Barrington first played the league game until this last year when Maywood joined another league because they had won the pennant every year and they decided that they were too strong for us. Arlington Heights dropped out of the Pentagonal league because they did not have enough boys in their school to make a good team so Barrington, Palatine and Des Plaines were the only ones left in the league. These three schools organized again this last February and gave the president power to invite other schools to join. As a result of the invitation the Palatine Crystal Lake and Mayfield will join the league so that there will be five teams as in former years. Last year Barrington had the lowest percentage of all the teams in the league, but they hope in earlier years to have the highest. It is thought, will play this year as last and in their same positions. The hearts are light and happy for they see the pennant ahead.

A district declamation contest is given each year by the high schools of Maywood, Des Plaines, Arlington Heights and Barrington. Two representatives are sent from each school, a boy and a girl, to enter the contest. Besides the speakers each school is supposed to give one musical number. The two persons winning in this contest speak at the county contest in Chicago, and the winners in the county contest receive gold medals.

Two years ago the banner was won by representative Howard Harnden. Last year Leah Meyer won the banner in the district contest and also the medal in the county contest. This year the contest will be held April 11, at Arlington Heights. The preliminary contest will be held at the Barrington high school Monday evening, April 7. This is the first contest ever open to the public so a large attendance is hoped for. Music will be furnished by the Barrington Concert company. There will be four girls and three boys. The admission fee is twenty-five cents.

GEORGE W. BLACKMAN.

### STOCKHOLDERS OF FIRST STATE BANK VOTE UNANIMOUSLY TO ACCEPT PROPOSITION TO CONSOLIDATE WITH THE BARRINGTON BANK

The stockholders of the newly organized First State Bank of Barrington voted unanimously, at their meeting held in the hall over Stiefenhoef's blacksmith shop last Saturday afternoon, to accept the proposition of the Barrington Bank of Robertson, Plagge & Company effecting a consolidation of the two banks and increasing the capital stock to \$50,000 with a paid up surplus of \$10,000. The arrangement was to have the stockholders of the latter bank, and others who are not already interested in the new bank, to take up the balance of the stock, \$20,000.

It was agreed to allow the present bank \$12,500 for its business and good will and to allow the new bank to receive the earnings of the first State bank since the first of January. The sum allowed was determined by precedent, the local conditions being compared with those where similar consolidations have been made.

A new charter has been applied for and as soon as it is received the organization will take place, when new directors and new officers will be elected and the new bank will take over the business of the present institution. The name first determined upon, First State Bank of Barrington, will probably be preserved and the new bank will occupy the quarters of the Barrington Bank for a time, although it is the present plan to seek a more commodious place as soon as possible. It is expected that the new charter will be in a few days but it will be several weeks, it is likely, before arrangements for taking over the old bank can be completed. The old holders will meet Saturday, April 12, to elect the new board of directors.

### One Hundred at Supper.

One hundred people ate of the good supper served at the ladies of the Women's Relief Corps' Wednesday evening in their new quarters in the Sodi building. The room had been hung with the national colors and looked very pretty. These women always give to their patrons the best of well prepared food and therefore always deserve just praise.

Mrs. Hannah Powers was chairman of the committee in charge with Mesdames Carmichael, Fred Lageschulte, Peck, Jencks, E. D. Prouty and Richardson for assistants. Mesdames Keeler, Grunau, W. Meyer, Addie Lines, O. Page, P. J. Hawley, V. Comstock and Miss A. Meyer were waitresses; Mrs. J. G. Catlow was cashier and Mrs. E. Cannon and Mrs. S. Seibert welcomed the visitors.

The corps with the G. A. R. members have served the hall and two kitchens, making a most attractive place that the rooms are now as attractive as could be wished.

### General Taylor Dead.

"General Taylor," as William Clark was familiarly known, passed away at his home on "The Flats," that portion of country in northern Cuba and southern Waukegan township near the Fox river, Monday morning at the age of 82 years.

He was an eccentric character, well known in that locality, having resided on the farm where he died since 1850. His wife passed to her rest nearly fifteen years ago since which time he has often been quite alone on the farm, and seldom had much more company than a housekeeper; but last year one of the sons went to the old home to assist in caring for his father.

He leaves three sons and one daughter all in middle life. The funeral was held Wednesday afternoon from the M. E. church and burial took place in the family lot in Waukegan cemetery.
