ILLINOIS HAPPENINGS

Decatur-Claire Dillos, manual training instructor in the Clinton, III., schools, resigned and left harriedly when it was discovered through the filing of a divorce juit against him in filing of a divorce juit against him in filing of a divorce juit against him to filing of a divorce juit against him to filing of a divorce juit against him has been paying marked attention to young women of Clinton.

Springslid.—Dr. J. O. Balvers was held to the Sangamon countries and the sangamon countries of the sangamon countries. The sangamon countries was a sangamon countries. The sangamon countries was sangamon countries as a sangamon countries with person and sangamon countries. The husband also as deficing and abetting the operation.

abetting the operation.

Decatur.—Nearly \$35,000 will be houg up in pures for the two-race meetings to be held here this year, according to the local commission. At the August meet of the Great Western there will be \$15,000. Salem, Mo., having refused to split its week of September 30 to October 4 in the Great Western with Decatur, the laber has decided to hold an independent meeting with \$21,000 in purses. This will give the horsenen an opportunity to race in Peoria, Decatur and Springfeld for three successive weeks.

Decatur.—F. H. Bushway, flavoring extract manufacturer, aged fitty-sight, committed suicide here by asphyristica. At one time his company was flow, at one or time his company was add did an enormous busines, but in later years was not so successful. Ill health is given as the reason for his act.

his act.

Decatur—Waiter Urich, a barber hers, while removing rubbish from the attic of his home out of curjosity opened a large tin box and found it contained \$2,900 in gold, it was left by the father, who died suddenly six years ago not telling where his money was hidden. The father had always refused to bank his money and no one knew where it was kept. The box was supposed to have contained old hair dyes and was about to be thrown in a garbage box. Urich plans to overet a moument for his parents and then purchase a home.

Sterling.—Varna Knox, twenty-four, school teacher, committed suicide blowing head off with shotgun. Rehearsed suicide with cousin several times telling him she was writing story of a suicide.

Blomington.—F. W. Johnson, prin-cipal of the University High School of Chicago, delivered the principal ad-dress before the Poeleston of Ili-nois colleges at Liercolm, discussing the secondary course. Frof. H. S. Spalding of Loyola university, Chi-cago, also spots,
